<p>1) The charges of basic products are billed after receiving the customer's approval on the test website or, if Proximus has not received a response from the customer after the submission and request for acceptance of the test site, after 15 calendar days.</p> <p>2) The charges linked to the options are billed directly. It is not possible to take an option without a basic product.</p> <p>3) The basic products are subject to a 24-month contract. If the customer cancels the contract before the end of the 24 months, Proximus will bill the customer the balance of the remaining monthly recurring charges. After 24 months, the contract is automatically converted into a contract for an indefinite period with monthly recurring charges, terminable at any time.</p>				
<p>In case of an upgrade/downgrade, the following one-time charges will be applied:</p>				
From	To Bizz Online M [eur excl. VAT]	To Bizz Online L [eur excl. VAT]		
Bizz Online S	300	500
