

## Prince of Persia TFS. Announcement Trailer

***Prince of Persia: The Forgotten Sands is an upcoming videogame developed by Ubisoft Montreal due for release in May 2010***

December 14, 2009 - 13:28

The game is an installment in the Prince of Persia series, and will mark a return to the storyline started by Prince of Persia: The Sands of Time.

Prince of Persia: The Forgotten Sands is to "feature many of the fan-favorite elements from the original series as well as new gameplay innovations", according to a press release from Ubisoft.

It is will return to the storyline established by Prince of Persia: The Sands of Time in 2003 and previously concluded by Prince of Persia: The Two Thrones in 2005.
