

## **Bolt - The New Walt Disney Digital 3D Creation**

*With Three Trailers about this New Movie*

November 03, 2008 - 20:25

For Super-Dog BOLT (voice of John Travolta), every day is filled with adventure, danger and intrigue - at least until the cameras stop rolling. When the star of a hit TV show is accidentally shipped from his Hollywood soundstage to New York City, he begins his biggest adventure yet - a cross-country journey through the real world to get back to his owner and co-star, Penny (voice of Miley Cyrus). Armed only with the delusions that all his amazing feats and powers are real, and the help of two unlikely traveling companions - a jaded, abandoned housecat named Mittens (voice of Susie Essman) and a TV-obsessed hamster named Rhino (voice of Mark Walton) - Bolt discovers he doesn't need superpowers to be a hero.
