

PureOHS™ Module: supervisor portal

Efficient communication without disturbing clinical workflow

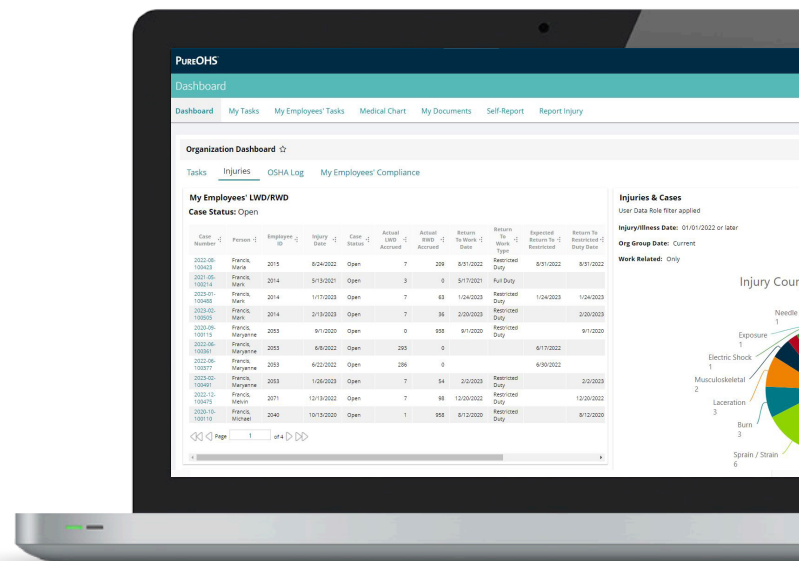

The PureOHS™ supervisor portal allows managers across the organization to access relevant medical information provided by the clinic, including compliance for mandatory programs, periodic exams, tests, work-related injuries or restrictions for direct and indirect reports.

Key benefits

- **Save valuable time with direct access to:**
 - Compliance information such as vaccination programs, annual testing and exams
 - Exam and test results such as respirator fit test
 - Injuries, work restrictions, lost and restricted workday information

- **Functionality on the go**

The PureOHS™ web-based application can be used on mobile devices to manage employees from anywhere.
