# HANDMADE for the SEASON

— 1 SEPTEMBER 2015-4 JANUARY 2016 —

## SHELLI'S MESSAGE

Are you like I am during the Christmas holidays? You love the magic of the season, you want to make great memories with your family—but as those special days get closer and closer, you find yourself anticipating a few late nights. After all, creating handmade cards and Christmas décor takes time . . . right? And so often

other activities and plans have to come first. So why stay up late by yourself? From party favours to place settings, from cards to handmade gifts—almost everyone needs something. Why not have a fun get-together with family and friends and create your own Christmas magic? You know you're going to gather with loved ones anyway, so why not help one another, have fun together, and cross one more seasonal to-do item off your list? It's a memory waiting to happen, and who knows, it might become a tradition that you'll want to repeat year after year! After all, this is a time to celebrate with family and friends. And we think Stampin' Up! has just what you need for making those memories. So enjoy, and have a wonderful and happy Christmas season!
