# Share the Fun

2 JUNE 2015-31 MAY 2016

## Statement OF THE Heart

TO LOVE WHAT WE DO AND  
SHARE WHAT WE LOVE.  
AS WE HELP OTHERS ENJOY  
CREATIVITY AND WORTHWHILE  
ACCOMPLISHMENTS... IN THIS  
WE MAKE A DIFFERENCE.

Welcome to this year's Stampin' Up!® catalogue. If you're like me, opening a new catalogue is one of the most exciting days of the year! I fall in love all over again with stamps, ink, and paper, and can hardly wait to explore all of the creative possibilities!

Whether you're a papercrafting expert or have yet to experience the joy of inking a stamp and putting it to paper, this catalogue has something that will feed your creative spirit. Personally, I can't live without products that allow me to create something memorable AND save time. A few of my favourites are kits (these include just about everything you need to make a simple, fun project); coordinating products—especially our amazing colour collections; and for memory keeping, Project Life® by Stampin' Up!, of course!

If you want to learn new crafting techniques or just want an excuse to get together with friends, your demonstrator can help with that! If you don't have a demonstrator, visit us at [www.stampinup.eu](http://www.stampinup.eu) and we'll help you find one close by who can help you get the most out of this fabulous new catalogue.

Enjoy!

Shelli Gardner,  
Cofounder & CEO

# OUR STAMP STYLES

We offer three styles of stamps to meet your needs for any project—look at each stamp set description to see what sets are offered in which material.

All of our stamps are made in the United States and are packaged in cases with images on the spine for easy storage and quick reference.

**ALL STAMPS ARE SHOWN AT FULL SIZE UNLESS OTHERWISE NOTED.**

*One set of reusable clear blocks (p. 176) works for all of your clear-mount and photopolymer stamps, reducing storage space.*

## Classic Rubber

Our classic red rubber stamps are offered with two different options for mounting on blocks:

CLEAR-MOUNT

WOOD-MOUNT

With the clear-mount option, you receive a compact set of stamps ready for you to mount on reusable clear blocks (sold separately). Mount them one at a time or with others to create your own designs, then remove for easy storage.

*Petite Petals Stamp Set (p. 78) shown in photo.*

Each wood-mount set comes with a set of farmed maple wood blocks—one block for each stamp. Mount them once and they're always ready to go!

*Petite Petals Stamp Set (p. 78) shown in photo.*

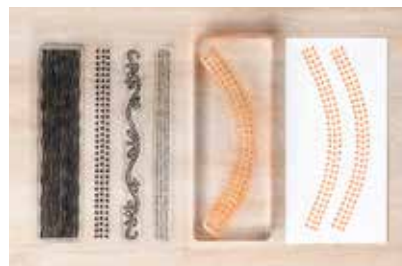

## Photopolymer

Our transparent photopolymer stamps make it easy to perfectly line up images and create unique effects. The ease of alignment and versatility also make them our stamp of choice for all-inclusive kits (p. 80) and our project kits (p. 152–153). Mount them on reusable clear blocks (sold separately).

Create your own stamp combinations by placing several stamps on a single block.

*Another Thank You Stamp Set (p. 15) shown in photo.*

Stamps are flexible, giving you even more creative possibilities with each set.

*Chalk Lines Stamp Set (p. 123) shown in photo.*

Clear photopolymer stamps on clear blocks make image placement easy. Layering stamps in this way is called Two-Step Stampin™. Look for sets throughout the catalogue marked as Two-Step, and try it yourself!

*Celebrate Today Stamp Set (p. 102) shown in photo.*

# FIND YOUR TRUE COLOURS

Colour is an integral part of any project, adding a depth of meaning that words and images can't achieve alone. It evokes emotions and helps us express our creativity. Stampin' Up! makes it simple to achieve just the right look for your projects. Our unique colour collections take the guesswork out of matching colours, so coordination is simple! And every year we introduce five new In Colors®, available for two years, to keep your palette fresh and exciting.
