- (i) The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Note, Receipt, Coupon or Talon purporting to be such and subsequently found to be forged or not authentic.

25. NEW TRUSTEE

- 25.1 THE power to appoint a new trustee of these presents shall be vested in the relevant Issuer but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution. The Trustee shall have power in like manner to remove any such person. Such reasonable remuneration as the Trustee may pay to any such person, together with any attributable costs, charges and expenses properly incurred by it in performing its function as such separate trustee or co-trustee shall for the purposes of these presents be treated as costs, charges and expenses incurred by the Trustee.

3. Status of the Notes

(a) Senior Preferred Notes

This Condition 3(a) applies if the applicable Final Terms specifies the ‘*Status of the Notes*’ as being ‘*Senior Preferred*’ (in which case, this Note is a “**Senior Preferred Note**”).

The Senior Preferred Notes and the Receipts and Coupons relating thereto (if any) constitute direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and (save for certain debts required to be preferred by law) at least equally with all other Ordinary Unsecured Debts of the Issuer from time to time outstanding.

Accordingly, subject to the Ranking Legislation, the Senior Preferred Notes and any relative Receipts and Coupons form part of the class of Ordinary Unsecured Debts of the Issuer under the Ranking Legislation.

(b) Senior Non-Preferred Notes

The Senior Non-Preferred Notes may only be issued on terms such that they (i) have an original contractual maturity of at least one year and (ii) are not derivatives and contain no embedded derivatives for the purposes of section 1428A(1)(c)(ii) of the Companies Act.

This Condition 3(b) applies if the Notes are issued by BOI and the applicable Final Terms specifies the ‘*Status of the Notes*’ as being ‘*Senior Non-Preferred*’ (in which case, this Note is a “**Senior Non-Preferred Note**”). Senior Non-Preferred Notes will not be Instalment Notes.

- (i) junior in right of payment to all Senior Claims;
- (ii) *pari passu* with all other Secondary Unsecured Claims; and
- (iii) in priority to all Subordinated Claims.

(c) Dated Subordinated Notes

This Condition 3(c) applies if the applicable Final Terms specifies the ‘*Status of the Notes*’ as being ‘*Dated Subordinated*’ (in which case, this Note is a “**Dated Subordinated Note**”). Dated Subordinated Notes will not be Instalment Notes.

The Dated Subordinated Notes and the Coupons relating thereto (if any) constitute direct and unsecured obligations of the Issuer, subordinated as described below, and rank *pari passu* without any preference among themselves.

Accordingly, subject to the Ranking Legislation, the Dated Subordinated Notes and any relative Coupons form part of the class of Subordinated Debts of the Issuer, and the claims of the holders of Dated Subordinated Notes and the Coupons (if any) relating thereto (including any claims for damages in respect thereof) will, in the event of the winding-up of the Issuer:

- (i) be subordinated in right of payment in the manner provided in the Ranking Legislation and the Trust Deed to (x) all Senior Claims, (y) all Secondary Unsecured Claims and (z) any Subordinated Claims (if any) which rank, or are expressed to rank, in priority to claims in respect of the Dated Subordinated Notes;
- (ii) rank at least *pari passu* with the claims in respect of all obligations of the Issuer which constitute, or would but for any applicable limitation on the amount of such capital constitute, Tier 2 instruments of the Issuer; and
- (iii) rank in priority to (1) the claims in respect of all obligations of the Issuer which constitute, or would but for any applicable limitation on the amount of such capital constitute, Tier 1 instruments of the Issuer, (2) the claims in respect of all undated or perpetual subordinated obligations of the Issuer (other than any

such obligations which rank, or are expressed to rank, *pari passu* with, or in priority to, the Dated Subordinated Notes), (3) the claims in respect of all classes of share capital of the Issuer and (4) the claims in respect of all other obligations of the Issuer which rank, or are expressed to rank, junior to the Dated Subordinated Notes.

(d) *Waiver of Set-off*

This Condition 3(d) shall apply to:

- (i) all Dated Subordinated Notes;
- (ii) all Senior Non-Preferred Notes; and
- (iii) any Series of Senior Preferred Notes where the applicable Final Terms specifies “*Senior Preferred Notes: Waiver of Set-off*” to be applicable.

No holder of a Note, or a Receipt or Coupon relating thereto, may exercise or claim any right of set-off, counterclaim or netting in respect of any amount owed to it by the Issuer arising under or in connection with such Note, Receipt or Coupon and each such holder shall, by virtue of its subscription, purchase or holding of any such Note, Receipt or Coupon, be deemed to have waived all such rights of set-off, counterclaim and netting. Notwithstanding the provisions of the foregoing sentence, if any of the said rights and claims of any holder of any such Note, Receipt or Coupon against the Issuer is discharged by set-off, counterclaim or netting, such holder will immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of winding-up of the Issuer, the liquidator of the Issuer and accordingly such discharge will be deemed not to have taken place, and until such payment is made shall hold an amount equal thereto in trust for the Issuer or, as the case may be, the liquidator of the Issuer.

4. Interest

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Fixed Rate Reset Notes, Floating Rate Notes or Zero Coupon Notes or, in the case of Exempt Notes, whether a different interest basis applies.

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date if that does not fall on an Interest Payment Date.

If the Notes are Bearer Notes in definitive form, then except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Bearer Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are (i) represented by a Global Note or (ii) Registered Notes in definitive form, the aggregate outstanding nominal amount of (A) the Fixed Rate Notes represented by such Global Note or (B) such Registered Notes (or, in each case, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Fixed Rate Notes which are Bearer Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such subunit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Fixed Rate Note which is a Bearer Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In these Terms and Conditions “**Day Count Fraction**” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if “**Actual/Actual (ICMA)**” is specified in the applicable Final Terms:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “**Accrual Period**”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;
- (ii) if “**30/360**” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360; and
- (iii) if “**Actual/365 (Fixed)**” is specified in the applicable Final Terms, the actual number of days in the relevant period divided by 365.

In these Terms and Conditions:

“**Determination Period**” means the period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“**sub-unit**” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Fixed Rate Reset Notes*

Each Fixed Rate Reset Note bears interest on its outstanding nominal amount:

- (i) in respect of the period from (and including) the Interest Commencement Date to (but excluding) the Reset Date (or, if there is more than one Reset Period, the first Reset Date occurring after the Interest Commencement Date), at the rate per annum equal to the Initial Rate of Interest; and

- (ii) in respect of the Reset Period (or, if there is more than one Reset Period, each successive Reset Period thereafter), at such rate per annum as is equal to the relevant Subsequent Reset Rate, as determined by the Agent on the relevant Reset Determination Date in accordance with this Condition 4(b),

payable, in each case, in arrear on the Interest Payment Dates(s) (as specified in the Final Terms).

- (1) (where the Mid Swap Benchmark Rate is EURIBOR) the Mid Swap Benchmark Rate for the Floating Leg Swap Duration (as specified in the applicable Final Terms) (calculated on an Actual/360 day count basis or such other day count basis as is then customary for floating rate payments in euro as determined by the Agent);
- (2) (where the Mid Swap Benchmark Rate is SONIA), the Mid Swap Benchmark Rate compounded for the Floating Leg Swap Duration (as specified in the applicable Final Terms) (calculated on an Actual/365 day count basis or such other day count basis as is then customary for floating rate payments in pounds Sterling as determined by the Agent);
- (3) (where the Mid Swap Benchmark Rate is SOFR), the Mid Swap Benchmark Rate compounded for the Floating Leg Swap Duration (as specified in the applicable Final Terms) (calculated on an Actual/360 day count basis or such other day count basis as is then customary for floating rate payments in U.S. dollars as determined by the Agent); or
- (4) (where the Mid Swap Benchmark Rate is any other reference rate), the Mid Swap Benchmark Rate (compounded, if so specified in the applicable Final Terms) for the Floating Leg Swap Duration (as specified in the applicable Final Terms) (calculated on such day count basis as is then customary for floating rate payments in the Specified Currency as determined by the Agent).

“**Mid Swap Reference Banks**” means the principal office in the Relevant Financial Centre of four major banks in the swap, money, securities or other market most closely connected with the Subsequent Reset Reference Rate as selected by the Issuer on the advice of an investment bank of international repute.

“**Reference Government Bond Dealer**” means each of five banks (selected by the Issuer on the advice of an investment bank of international repute), or their affiliates, which are (A) primary government securities dealers, and their respective successors, or (B) market makers in pricing corporate bond issues.

“**Reference Government Bond Dealer Quotations**” means, with respect to each Reference Government Bond Dealer and the relevant Reset Determination Date, the arithmetic mean of the bid and offered yields to maturity or interpolated yields to maturity (on the relevant day count basis) for the relevant Reference Bond (expressed in each case as a percentage) at or around the Subsequent Reset Rate Time on the relevant Reset Determination Date quoted in writing to the Agent by such Reference Government Bond Dealer.

“**Reset Determination Date**” means for each Reset Period the date as specified in the Final Terms relating to such Reset Period on which the rate of interest applying during such Reset Period will be determined.

“**SOFR**” means the Secured Overnight Financing Rate as administered or supervised by the Federal Reserve Bank of New York.

“**Subsequent Reset Rate**” for any Reset Period means the sum of (i) the applicable Subsequent Reset Reference Rate and (ii) the applicable Reset Margin (such sum being converted, if necessary, by the Agent (or other party responsible for determining the Subsequent Reset Rate) in line with market convention to a basis (e.g. annual, semi-annual, quarterly, etc.) which reflects the frequency of scheduled interest payments on the Notes) (rounded to four decimal places, with 0.00005 being rounded down).

“**Subsequent Reset Reference Rate**” means either:

- (A) if “Mid Swaps” is specified in the Final Terms, the Mid Swap Rate displayed on the Subsequent Reset Rate Screen Page (or such replacement page on that service which displays the information) at or around the Subsequent Reset Rate Time on the relevant Reset Determination Date for such Reset Period; or
- (B) if “Reference Bond” is specified in the Final Terms, the annual yield to maturity or interpolated yield to maturity (on the relevant day count basis) of the relevant Reference Bond, expressed as a percentage, as determined by the Agent as follows on the basis of the Reference Government Bond Dealer Quotations provided to the Issuer at or around the Reset Rate Time on the relevant Reset Determination Date. If four or more Reference Government Bond Dealer Quotations are so provided, the Reset Reference Rate shall be the arithmetic average of such Reference Government Bond Dealer Quotations after excluding the highest (or, in the event of equality, one of the highest) and lowest (or, in the event of equality, one of the lowest) such Reference Government Bond Dealer Quotations. If only two or three Reference Government Bond Dealer Quotations are so provided, the Reset Reference Rate shall be the arithmetic average of all such quotations. If only one Reference Government Bond Dealer Quotation is so provided, the Reset Reference Rate shall be the quotation provided. If no Reference Government Bond Dealer Quotations are so provided, the Reset Reference Rate will be (i) in the case of each Reset Period other than the first Reset Period, the Reset Reference Rate in respect of the immediately preceding Reset Period or (ii) in the case of the first Reset Period, the “First Reset Period Fallback Rate” set out in the applicable Final Terms.

Calculation of interest

If the Notes are Bearer Notes in definitive form, then except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Reset Notes Fixed Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, “**Reset Notes Fixed Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Bearer Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, the Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Fixed Rate Reset Notes for the relevant period by applying the Initial Rate of Interest or the applicable Subsequent Reset Rate (as the case may be) to:

- (A) in the case of Fixed Rate Reset Notes which are (i) represented by a Global Note or (ii) Registered Notes in definitive form, the aggregate outstanding nominal amount of (A) the Fixed Rate Reset Notes represented by such Global Note or (B) such Registered Notes (or, in each case, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Fixed Rate Reset Notes which are Bearer Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Fixed Rate Reset Note which is a Bearer Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Reset Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

Fallback for Mid Swap Rate determinations

If, at any relevant time, a Mid Swap Rate is not displayed on the Subsequent Reset Rate Screen Page or such page is otherwise unavailable, then (subject to the provisions of Condition 4(f), if applicable), the Issuer shall request each of the Mid Swap Reference Banks (as defined below) to provide the Issuer (for provision by the Issuer to the Agent or other party responsible for determining the Subsequent Reset Rate) with its offered quotation (expressed as a percentage rate per annum) for the relevant Mid Swap Rate at approximately the Subsequent Reset Rate Time on the Reset Determination Date in question.

If two or more of the Mid Swap Reference Banks provide the Issuer with quotations, the Subsequent Reset Rate for the relevant Reset Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the quotations plus or minus (as appropriate) the applicable Reset Margin (if any) (such sum being converted, if necessary, by the Agent (or other party responsible for determining the Subsequent Reset Rate) in line with market convention to a basis (e.g. annual, semi-annual, quarterly, etc.) which reflects the frequency of scheduled interest payments on the Notes) (rounded to four decimal places, with 0.00005 being rounded down), all as determined by the Agent (or other party responsible for determining the Subsequent Reset Rate).

If on any Reset Determination Date only one of the Mid Swap Reference Banks provides the Issuer with a quotation as provided in the foregoing provisions of this paragraph, the Subsequent Reset Rate shall be such quotation plus or minus (as appropriate) the applicable Reset Margin (if any) (such sum being converted, if necessary, by the Agent (or other party responsible for determining the Subsequent Reset Rate) in line with market convention to a basis (e.g. annual, semi-annual, quarterly, etc.) which reflects the frequency of scheduled interest payments on the Notes) (rounded to four decimal places, with 0.00005 being rounded down), all as determined by the Agent (or other party responsible for determining the Subsequent Reset Rate).

If on any Reset Determination Date none of the Mid Swap Reference Banks provides the Issuer with a quotation as provided in the foregoing provisions of this paragraph, the Subsequent Reset Rate shall be determined as the sum of the applicable Reset Margin (if any) and a Subsequent Reset Reference Rate equal to:

- (A) the then-latest Mid Swap Rate displayed on the Subsequent Reset Rate Screen Page prior to the Subsequent Reset Rate Time on the relevant Reset Determination Date, as determined by the Agent (or other party responsible for determining the Subsequent Reset Rate) in consultation with the Issuer; or
- (B) if this is later (or if the Agent or other party responsible for determining the Subsequent Reset Rate, in consultation with the Issuer, is unable to determine the then-latest Mid Swap Rate under (A)) (i) in the case of any Reset Period other than the first Reset Period, the Subsequent Reset Reference Rate determined in respect of the immediately preceding Reset Period or (ii) in the case of the first Reset Period, the “First Reset Period Fallback Rate” set out in the applicable Final Terms,

such sum, in either case, being converted, if necessary, by the Agent (or other party responsible for determining the Subsequent Reset Rate) in line with market convention to a basis (e.g. annual, semi-annual, quarterly, etc.) which reflects the frequency of scheduled interest payments on the Notes) (rounded to four decimal places, with 0.00005 being rounded down), all as determined by the Agent (or other party responsible for determining the Subsequent Reset Rate).

Notification etc.

The Agent will cause the Subsequent Reset Rate and each Interest Amount for each Reset Period to be notified to the Issuer and the Trustee and any stock exchange or other relevant authority on which the relevant Fixed Rate Reset Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. For the purposes of this paragraph, the expression “**London Business Day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b) shall (in the absence of manifest error) be binding on the Issuer, the Agent, the other Paying Agents, the Trustee and all Noteholders and (in the absence of wilful default and bad faith) no liability to the Issuer or the Noteholders or any other person shall attach to the Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Floating Rate Notes*

(i) **Interest Payment Dates**

Each Floating Rate Note bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each “**Interest Period**” (which expression shall, in these Terms and Conditions, mean (as the context admits):

- (1) the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date; or
- (2) where interest is required to be determined in respect of a period other than a full period under (1) above, such other period in respect of which interest is to be calculated, being the period from (and including) the first day of such period to (but excluding) the day on which the relevant payment of interest falls due (which, if the relevant Series of Notes becomes due and payable in accordance with Condition 9 or Condition 10, as the case may be, shall be the date on which such Notes become due and payable).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(c)(i)(B), the “**Floating Rate Convention**”, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the “**Following Business Day Convention**”, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the “**Modified Following Business Day Convention**”, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the “**Preceding Business Day Convention**”, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, “**Business Day**” means a day which is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre (other than T2 (as defined below)) specified in the applicable Final Terms; and
- (b) if T2 is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer System or any successor or replacement for that system (“**T2**”) is open; and
- (c) either (1) in relation to interest payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) or (2) in relation to interest payable in euro, a day on which T2 is open.

(ii) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified below and in the applicable Final Terms.

(a) *Screen Rate Determination for Floating Rate Notes – Term Rate*

Where ‘Screen Rate Determination’ and ‘Term Rate’ are both specified in the applicable Final Terms to be applicable, the Rate of Interest for each Interest Period will, subject as provided below (and to Condition 4(f), if applicable), be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at 11.00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent (which term shall, unless the context otherwise requires, mean the Calculation Agent specified in the applicable Final Terms or, if no Calculation Agent is so specified, the Agent or other person responsible for determining the Rate of Interest and Interest Amounts in respect of the Notes). If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if sub-paragraph (1) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (2) above applies and fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph of this Condition 4(c)(ii)(a) (the “**Specified Time**”) on the relevant Interest Determination Date, the Issuer shall request the principal London office of each of the Reference Banks (as defined below) to provide the Issuer (for provision by the Issuer to the Calculation Agent) with its offered quotation (expressed as a percentage rate per annum) for the making of a deposit in the Specified Currency for the period specified in the Reference Rate to leading banks in the London inter-bank market as at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Issuer with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only, or none, of the Reference Banks provides the Issuer with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be:

- (A) the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Issuer (for provision by the Issuer to the Calculation Agent) by the Reference Banks or any two or more of them, at which such banks were offered, as at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), plus or minus (as appropriate) the Margin (if any);
- (B) if fewer than two of the Reference Banks provide the Issuer with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, which, as at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the relevant Issuer suitable for such purpose) informs the Issuer it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), plus or minus (as appropriate) the Margin (if any); or

(C) if the Rate of Interest cannot be determined in accordance with the foregoing provisions (A) and (B) of this paragraph, the Rate of Interest shall be:

- (1) determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to the relevant Interest Period, in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to that last preceding Interest Period); or
- (2) if there is no such preceding Interest Determination Date, the initial Rate of Interest applicable to such Notes on the Interest Commencement Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to the relevant Interest Period, in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest relating to that last preceding Interest Period).

The Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms.

“**Reference Banks**” means, in the case of Condition 4(c)(ii)(a)(1), those banks selected by the Issuer whose offered rates were used to determine such quotation when such quotation last appeared on the Relevant Screen Page and, in the case of Condition 4(c)(ii)(a)(2) above, those banks selected by the Issuer whose offered quotations last appeared on the Relevant Screen Page when no fewer than three such offered quotations appeared.

In the case of Exempt Notes, if the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other EURIBOR, the Rate of Interest in respect of the Notes will be determined as provided in the applicable Pricing Supplement.

(b) Screen Rate Determination for Floating Rate Notes – Overnight SONIA Rate

This Condition 4(c)(ii)(b) shall apply where ‘*Screen Rate Determination*’ and ‘*Overnight SONIA Rate*’ are both specified in the applicable Final Terms to be applicable.

(A) Rate of Interest – Non-Index Determination

This Condition 4(c)(ii)(b)(A) shall apply where ‘*Index Determination*’ is specified in the applicable Final Terms to be not applicable (and, for the avoidance of doubt, in the circumstances specified in Condition 4(c)(ii)(b)(C)(2)).

The Rate of Interest for an Interest Period will, subject to Condition 4(f) and as provided below, be Compounded Daily SONIA for such Interest Period plus or minus (as indicated in the applicable Final Terms) the applicable Margin, where:

“**Compounded Daily SONIA**” means, with respect to an Interest Period, the rate of return of a daily compound interest investment during the Observation Period corresponding to such Interest Period (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) as calculated by the Calculation Agent as at the relevant Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded if necessary to the nearest fifth decimal place, with 0.000005 being rounded upwards):

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_i \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“*d*” is the number of calendar days in:

- (i) where “Lag” is specified as the Observation Method in the applicable Final Terms, the relevant Interest Period; or

- (ii) where “Observation Shift” is specified as the Observation Method in the applicable Final Terms, the relevant Observation Period;

“ d_o ” means:

- (i) where “Lag” is specified as the Observation Method in the applicable Final Terms, the number of London Banking Days in the relevant Interest Period; or
- (ii) where “Observation Shift” is specified as the Observation Method in the applicable Final Terms, the number of London Banking Days in the relevant Observation Period;

“ i ” is a series of whole numbers from one to “ d_o ”, each representing a London Banking Day in chronological order from, and including, the first London Banking Day in:

- (i) where “Lag” is specified as the Observation Method in the applicable Final Terms, the relevant Interest Period; or
- (ii) where “Observation Shift” is specified as the Observation Method in the applicable Final Terms, the relevant Observation Period;

“**LBD**” means a “**London Banking Day**”, being any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“ n_i ” for any London Banking Day “ i ”, means the number of calendar days from (and including) such London Banking Day “ i ” up to (but excluding) the following London Banking Day;

“**Observation Period**” means the period from (and including) the date falling “ p ” London Banking Days prior to the first day of the relevant Interest Period to (but excluding) the date falling “ p ” London Banking Days prior to (A) the Interest Payment Date for such Interest Period or (B) the date on which the relevant payment of interest falls due, if different;

“ p ” means:

- (i) where “Lag” is specified as the Observation Method in the applicable Final Terms, the number of London Banking Days specified as the ‘*Lag Look-Back Period*’ in the applicable Final Terms (or, if no such number is so specified, five London Banking Days); or
- (ii) where “Observation Shift” is specified as the Observation Method in the applicable Final Terms, the number of London Banking Days specified as the ‘*Observation Shift Period*’ in the applicable Final Terms (or, if no such number is specified, five London Banking Days);

the “**SONIA reference rate**”, in respect of any London Banking Day (“**LBD_x**”), is a reference rate equal to the daily Sterling Overnight Index Average (“**SONIA**”) rate for such **LBD_x** as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors) on the London Banking Day immediately following **LBD_x**; and

“**SONIA_i**” means the SONIA reference rate for:

- (i) where “Lag” is specified as the Observation Method in the applicable Final Terms, the London Banking Day falling “ p ” London Banking Days prior to the relevant London Banking Day “ i ”; or
- (ii) where “Observation Shift” is specified as the Observation Method in the applicable Final Terms, the relevant London Banking Day “ i ”.

(B) *Fallback provisions where the Rate of Interest is to be calculated pursuant to Condition 4(c)(ii)(b)(A)*

- (1) If, where any Rate of Interest is to be calculated pursuant to Condition 4(c)(ii)(b)(A) above, in respect of any London Banking Day on which an applicable SONIA reference rate is required to be determined, such SONIA reference rate is not available on the Relevant Screen Page (and has not otherwise been published by the relevant authorised distributors), then (unless the Calculation Agent has been notified of any Successor Rate or Alternative Rate (and any related Adjustment Spread and/or Benchmark Amendments)

pursuant to Condition 4(f), if applicable) the SONIA reference rate in respect of such London Banking Day shall be:

- (i) the sum of (1) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at 5.00 p.m. (or, if earlier, close of business) on such London Banking Day and (2) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five London Banking Days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads); or
- (ii) if the Bank Rate under (i)(1) above is not available at the relevant time, either (A) the SONIA reference rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Banking Day on which the SONIA reference rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) or (B) if this is more recent, the latest rate determined under (i) above,

and, in each case, references to “SONIA reference rate” in the foregoing provisions of this Condition 4(c)(ii)(b) shall be construed accordingly.

- (2) In the event that the Rate of Interest cannot be determined in accordance with any of the foregoing provisions, the Rate of Interest shall be:
 - (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to the relevant Interest Period, in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to that last preceding Interest Period); or
 - (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first scheduled Interest Period had the Notes been in issue for a period equal in duration to the first scheduled Interest Period but ending on (and excluding) the Interest Commencement Date (applying the Margin and, if applicable, any Maximum Rate of Interest and/or Minimum Rate of Interest, applicable to the first scheduled Interest Period).

(C) *Rate of Interest – Index Determination*

This Condition 4(c)(ii)(b)(C) shall apply where ‘*Index Determination*’ is specified in the applicable Final Terms to be applicable.

- (1) The Rate of Interest for an Interest Period will, subject to Condition 4(f) and as provided below, be the Compounded Daily SONIA Rate for such Interest Period plus or minus (as indicated in the applicable Final Terms) the applicable Margin, where:

“**Compounded Daily SONIA Rate**” means the rate (expressed as a percentage and rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) determined by the Agent or the Calculation Agent (as applicable) by reference to the screen rate or index for compounded daily SONIA rates administered by the administrator of the SONIA reference rate that is published or displayed by such administrator or other information service from time to time at the relevant time on the relevant Interest Determination Date, as further specified in the applicable Final Terms (the “**SONIA Compounded Index**”) and in accordance with the following formula:

$$\text{Compounded Daily SONIA Rate} = \left(\frac{\text{SONIA Compounded Index}_y}{\text{SONIA Compounded Index}_x} - 1 \right) \times \frac{365}{d}$$

where:

- “x” denotes that the relevant SONIA Compounded Index is the SONIA Compounded Index determined in relation to the day falling the Relevant Number of London Banking Days prior to the first day of the relevant Interest Period;
- “y” denotes that the relevant SONIA Compounded Index is the SONIA Compounded Index determined in relation to the day falling the Relevant Number of London Banking Days prior to (A) the Interest Payment Date for such Interest Period, or (B) such other date on which the relevant payment of interest falls due (but which by its definition or the operation of the relevant provisions is excluded from such Interest Period);

“d” is the number of calendar days from (and including) the day in relation to which ‘x’ is determined to (but excluding) the day in relation to which ‘y’ is determined (being the number of calendar days in the applicable reference period); and

“**Relevant Number**” is as specified in the applicable Final Terms.

- (2) If the relevant SONIA Compounded Index is not published or displayed by the administrator of the SONIA reference rate or other information service by 5.00 p.m. (London time) (or, if later, by the time falling one hour after the customary or scheduled time for publication thereof in accordance with the then-prevailing operational procedures of the administrator of the SONIA reference rate or of such other information service, as the case may be) on the relevant Interest Determination Date as specified in the applicable Final Terms, the Compounded Daily SONIA Rate for the applicable Interest Period for which the SONIA Compounded Index is not available shall be “Compounded Daily SONIA” determined in accordance with Condition 4(c)(ii)(b)(A) above as if ‘*Index Determination*’ were specified in the applicable Final Terms as being ‘not applicable’, and for these purposes: (i) the “*Observation Method*” shall be deemed to be ‘*Observation Shift*’ and (ii) the ‘*Observation Shift Period*’ shall be deemed to be equal to the Relevant Number of London Banking Days, as if those alternative elections had been made in the applicable Final Terms.

(D) *Determination of interest following acceleration pursuant to Condition 9 or Condition 10*

If the relevant Series of Notes becomes due and payable in accordance with Condition 9 or Condition 10 (as the case may be), the final Rate of Interest shall be calculated for the Interest Period to (but excluding) the date on which the Notes become so due and payable, and such Rate of Interest shall continue to apply to the Notes for so long as interest continues to accrue thereon as provided in Condition 4(e) and the Trust Deed.

For the avoidance of doubt, this Condition 4(c)(ii)(b)(D) shall apply only where ‘*Screen Rate Determination*’ and ‘*Overnight SONIA Rate*’ are both specified in the applicable Final Terms to be applicable.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Calculation Agent will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Calculation Agent, in the case of Floating Rate Notes, will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are (i) represented by a Global Note or (ii) Registered Notes in definitive form, the aggregate outstanding nominal amount of (1) the Notes represented by such Global Note or (2) such Registered Notes (or, in each case, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes which are Bearer Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Floating Rate Note which is a Bearer Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest for any period of time (whether or not constituting an Interest Period) (the “**Calculation Period**”):

- (i) if “**Actual/Actual (ISDA)**” or “**Actual/Actual**” is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (ii) if “**Actual/365 (Fixed)**” is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365;
- (iii) if “**Actual/365 (Sterling)**” is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “**Actual/360**” is specified in the applicable Final Terms, the actual number of days in the Calculation Period divided by 360;
- (v) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless such number is 31, in which case **D₁** will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and **D₁** is greater than 29, in which case **D₂** will be 30;

- (vi) if “**30E/360**” or “**Eurobond Basis**” is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case **D₁** will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case **D₂** will be 30; and

- (vii) if “**30E/360 (ISDA)**” is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(v) ***Linear Interpolation***

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period, provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Issuer shall use its reasonable endeavours to appoint an Independent Adviser as soon as reasonably practicable, with a view to such Independent Adviser determining such rate, at such time and by reference to such sources as it determines appropriate for the purposes of the calculation of the Rate of Interest. The Independent Adviser shall instruct the Agent or the Calculation Agent, as applicable, as to such rate. The Independent Adviser will consult with the Issuer with respect to such determination.

If, notwithstanding the use of reasonable endeavours, the Issuer is unable to appoint an Independent Adviser, or if an Independent Adviser is appointed by the Issuer but fails to make any relevant determination specified to be made by it under this Condition 4(c)(v) prior to the relevant Interest Determination Date, the Issuer itself (acting in good faith and in a commercially reasonable manner) shall be entitled to determine the Rate of Interest.

An Independent Adviser appointed pursuant to this Condition 4(c)(v) shall act in good faith and (in the absence of bad faith or fraud) neither the Issuer nor any Independent Adviser shall have any liability whatsoever to the Trustee, the Agents or the holders of any Notes, Receipts or Coupons for any determination made by it pursuant to this Condition 4(c)(v).

“**Designated Maturity**” means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(vi) ***Notification of Rate of Interest and Interest Amounts***

Except where the applicable Final Terms specify “*Screen Rate Determination*” and “*Overnight SONIA Rate*” to be applicable, the Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee and any stock exchange on which the relevant Floating Rate Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment (or alternative arrangements) will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14.

Where the applicable Final Terms specifies both “*Screen Rate Determination*” and “*Overnight SONIA Rate*” to be applicable, the Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as

soon as reasonably practicable after their determination but in no event later than the second London Business Day thereafter. Each Rate of Interest, Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the relevant Interest Period. Any such amendment or alternative arrangements will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14.

For the purposes of this paragraph (vi), the expression “**London Business Day**” means a day (other than a Saturday or a Sunday) on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London.

(vii) *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(c), whether by the Calculation Agent or, if applicable, any other Agent, shall (in the absence of manifest error) be binding on the Issuer, the Trustee, the Calculation Agent, the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence of wilful default and bad faith) no liability to the Issuer, the Trustee, the Noteholders, Receiptholders or the Couponholders shall attach to the Calculation Agent or any other Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(d) *Interest on Exempt Notes*

In the case of Exempt Notes which are also Floating Rate Notes where the applicable Pricing Supplement identifies that Screen Rate Determination applies to the calculation of interest, if the Reference Rate from time to time is specified in the applicable Pricing Supplement as being other than EURIBOR or SONIA, the Rate of Interest in respect of such Exempt Notes will be determined as provided in the applicable Pricing Supplement.

The rate or amount of interest payable in respect of Exempt Notes which are not also Fixed Rate Notes or Floating Rate shall be determined in the manner specified in the applicable Pricing Supplement, provided that where such Notes are Index Linked Interest Notes the provisions of Condition 4(c) shall, save to the extent amended in the applicable Pricing Supplement, apply as if the references therein to Floating Rate Notes and to the Calculation Agent were references to Index Linked Interest Notes and the Calculation Agent, respectively, and provided further that the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

(e) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the due date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

(f) *Benchmark discontinuation*

Notwithstanding the provisions above in Conditions 4(b) or 4(c), if a Benchmark Event occurs in relation to an Original Reference Rate at any time when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions of this Condition 4(f) shall apply.

(i) *Independent Adviser*

The Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, with a view to such Independent Adviser determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(f)(ii)) and, in either case, the applicable Adjustment Spread (in accordance with Condition 4(f)(iii)) and any Benchmark Amendments (in accordance with Condition 4(f)(iv)).

The Independent Adviser will consult with the Issuer with respect to all determinations to be made by it pursuant to this Condition 4(f).

If, notwithstanding the use of reasonable endeavours, the Issuer is unable to appoint an Independent Adviser, or if an Independent Adviser is appointed by the Issuer but fails to make any relevant determination specified to be made by it under this Condition 4(f) prior to the relevant Interest Determination Date, the Issuer itself (acting in good faith and in a commercially reasonable manner) shall be entitled to make the relevant determination(s) (which may, for the

avoidance of doubt, including determination of a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(f)(ii)) and, in either case, the applicable Adjustment Spread (in accordance with Condition 4(f)(iii)) and any Benchmark Amendments (in accordance with Condition 4(f)(iv)). In such case, remaining references in this Condition 4(f) to determinations made, or to be made, by the Independent Adviser shall be construed accordingly.

An Independent Adviser appointed pursuant to this Condition 4(f) shall act in good faith and (in the absence of bad faith or fraud) neither the Issuer nor any Independent Adviser shall have any liability whatsoever to the Trustee, the Agents or the holders of any Notes, Receipts or Coupons for any determination made by it pursuant to this Condition 4(f).

(ii) ***Successor Rate or Alternative Rate***

If the Independent Adviser determines that:

- (A) there is a Successor Rate, then such Successor Rate, as adjusted by the applicable Adjustment Spread determined pursuant to Condition 4(f)(iii), shall subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(f)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate, as adjusted by the applicable Adjustment Spread determined pursuant to Condition 4(f)(iii), shall subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(f)).

(iii) ***Adjustment Spread***

If a Successor Rate or Alternative Rate is determined in accordance with the foregoing provisions, the Independent Adviser shall determine an Adjustment Spread (which may be expressed as a specified quantum of, or a formula or methodology for determining, such Adjustment Spread (and, for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)), which shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(iv) ***Benchmark Amendments***

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(f) and the Independent Adviser determines (A) that amendments to these Terms and Conditions, the Agency Agreement and/or the Trust Deed (including, without limitation, amendments to the definitions of Day Count Fraction, Business Days, Interest Determination Date, or Relevant Screen Page) are necessary to ensure the proper operation (having regard to prevailing market practice, if any) of such Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (B) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(f)(vi), without any requirement for the consent or approval of Noteholders, Couponholders or Receiptholders, vary these Terms and Conditions, the Agency Agreement and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer pursuant to Condition 4(f)(vi), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, Couponholders or Receiptholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed and/or the Agency Agreement) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend rights and/or the protective provisions afforded to the Trustee in these Terms and Conditions, the Agency Agreement or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

Noteholders, Couponholders and Receiptholders shall, by virtue of holding any Note, Coupon or Receipt or any beneficial interest therein, be deemed to accept the variation of the terms of such Notes and to grant the Issuer and the Trustee full power and authority to take any action and/or execute and deliver any document which is necessary or convenient to give effect to the variation of the terms of the Notes, Coupons and Receipts (as applicable).

In connection with any such variation in accordance with this Condition 4(f)(iv), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(v) ***Application to Dated Subordinated Notes and Loss Absorption Notes***

Notwithstanding any other provision of this Condition 4(f), no Successor Rate, Alternative Rate or Adjustment Spread will be adopted, nor will any other amendment to the terms and conditions of any Series of Notes be made to effect the Benchmark Amendments, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected (i) to prejudice the qualification of the relevant Series of Dated Subordinated Notes as Tier 2 Capital and/or the relevant Series of Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations or (ii) (in the case of Loss Absorption Notes only) to result in the relevant Competent Authority treating the Interest Payment Date or the Reset Date, as the case may be, as the effective maturity date of the Notes, rather than the Maturity Date.

(vi) ***Notices, etc.***

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(f) will be notified promptly by the Issuer to the Trustee, the Agent, the Paying Agents, the Calculation Agent (if applicable) and, in accordance with Condition 14, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer:

- (A) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 4(f);
- (B) certifying that the Benchmark Amendments are necessary to ensure the proper operation, having regard to prevailing market practice (if any), of such Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread; and
- (C) certifying that (i) each of the matters above has been determined by the Independent Adviser or, if that is not the case, (ii) explaining, in reasonable detail, why such determinations have not been made by the Independent Adviser.

The Trustee shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and any Benchmark Amendments, and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Agent, the Paying Agents, the Calculation Agent (if applicable) and the Noteholders.

In no event shall the Calculation Agent be responsible for determining any Successor Rate, Alternative Rate, Adjustment Spread, Benchmark Event or Benchmark Amendment. The Calculation Agent will be entitled to conclusively rely on any determinations made by the Issuer or the Independent Adviser and will have no liability for such actions taken at the direction of the Issuer or the Independent Adviser.

(vii) ***Survival of Original Reference Rate***

Without prejudice to the obligations of the Issuer under Condition 4(f)(i) to 4(f)(iv), the Original Reference Rate and the fallback provisions provided for in Condition 4(b), 4(c)(ii)(a) or 4(c)(ii)(b), as applicable, will continue to apply unless and until the Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and (in either case) of the applicable Adjustment Spread and Benchmark Amendments (if any), in accordance with Condition 4(f)(vi).

(viii) ***Fallbacks***

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest on the immediately following Interest Determination Date, no Successor Rate or Alternative Rate (as applicable) and (in either case) Adjustment Spread has been determined pursuant to this Condition 4(f), the Original Reference Rate in respect of which such Benchmark Event has occurred will continue to apply for the purposes of determining such Rate of Interest on such Interest Determination Date, with the effect that the fallback provisions provided in Condition 4(b), 4(c)(ii)(a) or 4(c)(ii)(b) (if and to the extent applicable) will continue to apply to such determination.

In such circumstances, the Issuer will be entitled (but not obliged), at any time thereafter, to elect to re-apply the provisions of this Condition 4(f), *mutatis mutandis*, on one or more occasions until a Successor Rate or Alternative Rate (and, in either case, the applicable Adjustment Spread and any Benchmark Amendments) has been determined and notified in accordance with this Condition 4(f) (and, until such determination and notification (if any), the fallback provisions provided elsewhere in these Conditions will continue to apply).

(ix) ***Preparations in anticipation of a Benchmark Event***

If the Issuer anticipates that a Benchmark Event will or may occur, nothing in these Conditions shall prevent the Issuer (in its sole discretion) from taking, prior to the occurrence of such Benchmark Event, such actions which it considers expedient in order to prepare for applying the provisions of this Condition 4(f) (including, without limitation, appointing and consulting with an Independent Adviser to identify any Successor Rate, Alternative Rate, Adjustment Spread and/or Benchmark Amendments), provided that no Successor Rate, Alternative Rate, Adjustment Spread and/or Benchmark Amendments will take effect until the relevant Benchmark Event has occurred.

(x) ***Definitions***

In these Conditions:

“**Adjustment Spread**” means either (a) a spread (which may be positive, negative or zero), or (b) the formula or methodology for calculating a spread, in either case, which the Independent Adviser determines is required to be applied to the Successor Rate or the Alternative Rate, being the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended, or formally provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) in the case of an Alternative Rate (or in the case of a Successor Rate where (A) above does not apply), the Independent Adviser determines is in customary market usage (or reflects an industry-accepted rate, formula or methodology) in the international debt capital market for transactions which reference the Original Reference Rate, where such rate has been replaced by the Alternative Rate (or, as the case may be, the Successor Rate); or
- (C) if no such recommendation or option has been made (or made available) under (A) above and the Independent Adviser determines there is no such spread, formula or methodology in customary market usage or which is industry-accepted under (B) above, the Independent Adviser determines to be appropriate, having regard to the objective, so far as is reasonably practicable in the circumstances, of reducing or eliminating any economic prejudice or benefit (as the case may be) to the Noteholders.

“**Alternative Rate**” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 4(f)(ii) has replaced the Original Reference Rate in customary market usage, or is an industry-accepted rate, in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for a commensurate interest period and in the same Specified Currency as the Notes.

“**Benchmark Event**” means, with respect to an Original Reference Rate, any one or more of the following:

- (A) the Original Reference Rate ceasing to exist or to be published or administered on a permanent or indefinite basis;
- (B) the making of a public statement by the administrator of the Original Reference Rate that it has ceased or will cease to publish the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate);
- (C) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been or will be permanently or indefinitely discontinued;
- (D) the making of a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used, is no longer representative or its use will be subject to restrictions or adverse consequences, in each case in circumstances where the same shall be applicable to the Notes; or
- (E) it has or will prior to the next Interest Determination Date or Reset Determination Date, as applicable, become unlawful for the Agent, any Paying Agent, the Calculation Agent (if applicable) or the Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011 or under that Regulation as it forms part of United Kingdom (“UK”) domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended, in each case, if applicable),

provided that in the case of paragraphs (B) to (D) above, the Benchmark Event shall occur on:

- (i) in the case of (B) above, the date of the cessation of the publication of the Original Reference Rate;
- (ii) in the case of (C) above, the discontinuation of the Original Reference Rate; or

- (iii) in the case of (D) above, the date on which the Original Reference Rate is prohibited from use, is deemed no longer to be representative or becomes subject to restrictions or adverse consequences (as applicable),

and not (in any such case) the date of the relevant public statement (unless the date of the relevant public statement coincides with the relevant date in (i), (ii) or (iii) above, as applicable).

“**Independent Adviser**” means an independent financial institution of international repute or an independent adviser of recognised standing with appropriate expertise appointed by the Issuer at its own expense under Condition 4(f)(i) or Condition 4(c)(v).

“**Original Reference Rate**” means the benchmark or screen rate (as applicable) originally specified for the purpose of determining the relevant Rate of Interest (or any relevant component part(s) thereof) on the Notes (provided that if, following one or more Benchmark Events, such originally specified Reference Rate (or any Successor Rate or Alternative Rate which has replaced it) has been replaced by a (or a further) Successor Rate or Alternative Rate and a Benchmark Event subsequently occurs in respect of such Successor Rate or Alternative Rate, the term “Original Reference Rate” shall be deemed to include any such Successor Rate or Alternative Rate).

“**Relevant Nominating Body**” means, in respect of a benchmark or screen rate (as applicable):

- (A) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (ii) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (iii) a group of the aforementioned central banks or other supervisory authorities or (iv) the Financial Stability Board or any part thereof.

“**Successor Rate**” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

5. Payments

(a) Method of Payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

(b) Payments Subject to Fiscal and Other Laws

Payments will be subject in all cases, to (i) any fiscal or other laws and regulations applicable thereto, but without prejudice to the provisions of Condition 7, in the place of payment, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or any official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof or any law implementing such an intergovernmental agreement. Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid on the Notes, Coupons or Receipts with respect to any such withholding or deduction.

(c) Presentation of definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of definitive Bearer Notes will be made in the manner provided in Condition 5(a) above only against surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will be made as aforesaid only against surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia) and its possessions (including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and the Northern Mariana Islands)).

Fixed Rate Notes in definitive bearer form (other than Long Maturity Notes (as defined below)) and save as provided in Condition 5(f) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Fixed Rate Reset Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A “**Long Maturity Note**” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not a fixed interest date or an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding fixed interest date or Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Bearer Note.

(d) Payments in respect of Bearer Global Notes

Payments of principal and interest in respect of Notes represented by any Global Note in bearer form will be made in the manner specified above in relation to definitive Bearer Notes or otherwise in the manner specified in the relevant Global Note, where applicable, against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by such Paying Agent or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

(e) General provisions applicable to payments

The holder of a Global Note (or as provided in the Trust Deed, the Trustee) shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note or the Trustee, as the case may be, in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note or the Trustee, as the case may be. No person other than the holder of such Global Note or the Trustee, as the case may be, shall have any claim against the Issuer in respect of any payments due on that Global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and interest in respect of Bearer Notes denominated and payable in U.S. dollars will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(f) Specific provisions in relation to payments in respect of certain types of Exempt Notes

Payments of instalments of principal (if any) in respect of definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 5(a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 5(a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Bearer Note to which it appertains. Receipts presented without the definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmaturing Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Upon the date on which any Dual Currency Note or Index Linked Note in definitive bearer form becomes due and repayable, unmaturing Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

(g) Payments in respect of Registered Notes

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar outside the UK (the “**Register**”):

- (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date; and
- (ii) where in definitive form, at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date.

For these purposes, “**Designated Account**” means the account (which, in the case of a payment in Japanese yen to a non resident of Japan, shall be a non resident account) maintained by a holder with a Designated Bank and identified as such in the Register and “**Designated Bank**” means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by transfer on the due date to the Designated Account of the holder (or the first named of joint holders) of the Registered Note appearing in the Register:

- (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date; and
- (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date,

(the “**Record Date**”). Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

No commissions or expenses shall be charged to the holders by the Registrar in respect of any payments of principal or interest in respect of Registered Notes.

None of the Issuer, the Trustee and the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(h) Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, (unless otherwise specified in the applicable Final Terms) “**Payment Day**” means any day which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in the case of Notes in definitive form only, in the relevant place of presentation; and
 - (B) in any Additional Financial Centre (other than T2) specified in the applicable Final Terms;
- (ii) if T2 is specified as an Additional Financial Centre in the applicable Final Terms, a day on which T2 is open; and
- (iii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which T2 is open.

(i) *Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to “**principal**” in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) the Clean-up Call Redemption Amount (if applicable) of the Notes;
- (vi) in relation to Exempt Notes redeemable in instalments, the Instalment Amounts; and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to “**interest**” in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

6. Redemption, Purchase, Substitution and Variation

(a) *Redemption at Maturity*

Unless previously redeemed or purchased and cancelled as provided below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) *Redemption following a Tax Event*

This Condition 6(b) shall apply if “*Redemption following a Tax Event*” is specified to be applicable in the applicable Final Terms.

The Notes may be redeemed at the option of the Issuer (in its sole discretion and subject, if this Note is a Dated Subordinated Note, to the provisions of Condition 6(m)(A) and, if this Note is a Loss Absorption Note (as defined in Condition 6(g)), to the provisions of Condition 6(m)(B)) in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than 15 nor more than 45 days’ notice in accordance with Condition 14 (which notice shall be irrevocable), if the Issuer satisfies the Trustee immediately prior to the giving of such notice that, as a result of a Tax Law Change:

- (i) (if this Note is a Senior Preferred Note, a Senior Non-Preferred Note or a Dated Subordinated Note) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7; or
- (ii) (if this Note is a Dated Subordinated Note only) the Issuer is or will no longer be entitled to claim a deduction in computing its taxable profits and losses in respect of interest payable on the Notes, or such a deduction is or would be reduced or deferred,

(each a “**Tax Event**”) and, in either case, such consequence cannot be avoided by the Issuer taking reasonable measures available to it (such measures not involving any material additional payments by, or expense for, the Issuer), provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which:

- (A) in respect of (i) above, the Issuer would be obliged to pay such additional amounts; or
- (B) in respect of (ii) above, the payment of interest would no longer be so deductible or such deduction would be reduced or deferred,

in each case were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition 6(b), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating that (i) a Tax Event has occurred and that the relevant consequence cannot be avoided by the Issuer taking reasonable measures available to it and (ii) in the case of a Dated Subordinated Note or a Loss Absorption Note only, the applicable conditions set out in Condition 6(m) have been satisfied, and the Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders, the Receipholders and the Couponholders.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in Condition 6(h) below together (if applicable) with unpaid interest accrued to (but excluding) the date of redemption.

In these Terms and Conditions, “**Tax Law Change**” means any change in, or amendment to, the laws or regulations of Ireland or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the latest Tranche of the Notes.

(c) Redemption at the Option of the Issuer (Issuer Call)

This Condition 6(c) shall apply if “*Issuer Call*” is specified to be applicable in the applicable Final Terms.

The Issuer may (in its sole discretion and subject, if this Note is a Dated Subordinated Note, to the provisions of Condition 6(m)(A) and, if this Note is a Loss Absorption Note, to the provisions of Condition 6(m)(B)), having (unless otherwise specified in the applicable Final Terms) given:

- (i) not less than 15 nor more than 45 days’ notice to the Noteholders in accordance with Condition 14; and
- (ii) prior notice to the Trustee before the giving of the notice referred to in (i);

(which notices shall be irrevocable), redeem all or some only (as specified in the applicable Final Terms) of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms (the “**Optional Redemption Date**” and “**Optional Redemption Amount**”, respectively) together (if applicable) with unpaid interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount specified in the applicable Final Terms (if any).

In the case of a partial redemption of Notes, the Notes to be redeemed (“**Redeemed Notes**”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this Condition 6(c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 15 days prior to the Selection Date.

(d) Clean-up Call

This Condition 6(d) shall apply if “*Clean-up Call*” is specified to be applicable in the applicable Final Terms.

If, at any time (other than as a direct result of a redemption of some, but not all, of the Notes pursuant to Condition 6(c) at a price greater than the Clean-up Call Redemption Amount), a Clean-up Call Event (as defined below) occurs with respect to the Notes, the Issuer may (in its sole discretion and subject, if this Note is a Dated Subordinated Note, to the provisions of Condition 6(m)(A) or, if this Note is a Loss Absorption Note, to the provisions of Condition 6(m)(B)), having given:

- (i) not less than 15 nor more than 45 days' notice to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) in accordance with Condition 14; and
- (ii) prior notice to the Trustee before the giving of the notice referred to in (i);

(which notice under (i) above shall be irrevocable and shall specify the date for redemption or purchase, as the case may be), redeem (or, at its option, purchase or procure the purchase of) all (but not some only) of the remaining Notes then outstanding at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) at their Clean-up Call Redemption Amount (as specified in the applicable Final Terms) together (if applicable) with unpaid interest (or an amount equal thereto) accrued to (but excluding) the date of redemption or purchase (as applicable). Upon the expiry of such notice, the Issuer shall redeem or, as the case may be, purchase or procure the purchase of the Notes on the date specified in the relevant notice.

Prior to the publication of any notice of redemption pursuant to this Condition 6(d), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating (i) that a Clean-up Call Event has occurred as at the date of the certificate and (ii) that the applicable conditions set out in Condition 6(m)(A) or, as the case may be, Condition 6(m)(B) have been satisfied, and the Trustee shall be entitled to accept the certificate as sufficient evidence of such occurrence, in which event it shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

For the purpose of these Terms and Conditions, a “**Clean-up Call Event**” shall be deemed to occur in respect of the Notes if the Issuer has redeemed or purchased (or otherwise acquired) and cancelled Notes in an aggregate principal amount equal to or in excess of the Clean-up Call Threshold percentage specified in the applicable Final Terms (or, if no such threshold is so specified, 75 per cent.) of the principal amount of the Notes originally issued (and, for this purpose, any further Notes issued pursuant to Condition 16 and consolidated and forming a single Series with the Notes shall be deemed to have been originally issued).

(e) Redemption following the occurrence of a Capital Event

This Condition 6(e) shall apply if this Note is a Dated Subordinated Note and if “*Redemption following a Capital Event*” is specified to be applicable in the applicable Final Terms.

Upon the occurrence of a Capital Event, the Issuer may (in its sole discretion and subject to the provisions of Condition 6(m)(A)), having given:

- (i) not less than 15 nor more than 45 days' notice to the Noteholders in accordance with Condition 14; and
- (ii) prior notice to the Trustee before the giving of the notice referred to in (i);

(which notices shall be irrevocable), redeem all (but not some only) of the Notes then outstanding at any time at their Early Redemption Amount referred to in Condition 6(h) below together (if applicable) with unpaid interest accrued to (but excluding) the date of redemption.

For the purpose of these Terms and Conditions:

a “**Capital Event**” is deemed to occur if the Issuer, after consultation with the Competent Authority, determines that there has been a change (which has occurred or which the Competent Authority considers to be sufficiently certain) in the regulatory classification of the relevant Series of Dated Subordinated Notes, in any such case becoming effective on or after the Issue Date of the latest Tranche of such Series of Dated Subordinated Notes, that results, or would be likely to result, in the entire principal amount of such Series of Dated Subordinated Notes (or, if “*Capital Event for partial exclusion*” is specified to be applicable in the applicable Final Terms, the entire principal amount of such Series of Dated Subordinated Notes or any part thereof) being excluded from the Tier 2 Capital of the Issuer or any Regulatory Group of which the Issuer forms part, whether on a solo, individual consolidated, consolidated or sub-consolidated basis, as applicable (other than as a result of any applicable limitation on the amount of such capital); and

“**Tier 2 Capital**” has the meaning given to it by the Regulatory Capital Requirements from time to time.

Prior to the publication of any notice of redemption pursuant to this Condition 6(e), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating (i) that a Capital Event has occurred as at the date of the certificate and (ii) that the applicable conditions set out in Condition 6(m)(A) have been satisfied, and the Trustee shall be entitled to accept the certificate as sufficient evidence of such occurrence, in which event it shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

(f) Redemption at the Option of the Noteholders other than holders of Dated Subordinated Notes (Investor Put)

This Condition 6(f) shall apply if this Note is a Senior Preferred Note or a Senior Non-Preferred Note and “*Investor Put*” is specified to be applicable in the applicable Final Terms. It shall not apply in respect of any Dated Subordinated Notes.

Upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 45 days' notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in the applicable Final Terms together (if applicable) with unpaid interest accrued to (but excluding) the Optional Redemption Date and any interest due but unpaid. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar, falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2(b). If this Note is in definitive bearer form, the Put Notice must be accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control.

If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this Condition 6(f) shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and the Trustee has declared the Notes to be due and payable pursuant to Condition 9, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6(f).

(g) Redemption due to Loss Absorption Disqualification Event

This Condition 6(g) shall apply if this Note is a Dated Subordinated Note or a Loss Absorption Note and if "*Redemption following a Loss Absorption Disqualification Event*" is specified to be applicable in the applicable Final Terms.

The Notes may be redeemed at the option of the Issuer (subject, if this Note is a Dated Subordinated Note, to the provisions of Condition 6(m)(A) or, if this Note is a Loss Absorption Note, to the provisions of Condition 6(m)(B)) in whole, but not in part:

- (i) if this Note is a Dated Subordinated Note, at any time on or after the Loss Absorption Disqualification Event Effective Date (if this Note is not a Floating Rate Note) or on any Interest Payment Date on or after the Loss Absorption Disqualification Event Effective Date (if this Note is a Floating Rate Note); or
- (ii) if this Note is a Loss Absorption Note, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note),

at their Early Redemption Amount referred to in Condition 6(h) below together (if applicable) with unpaid interest accrued to (but excluding) the date of redemption, on giving not less than 15 nor more than 45 days' notice in accordance with Condition 14 (which notice shall be irrevocable), if the Issuer determines that a Loss Absorption Disqualification Event has occurred.

As used in these Terms and Conditions:

a "**Loss Absorption Disqualification Event**" shall be deemed to have occurred in respect of a Series of Notes if, as a result of any amendment to, or change in, any Loss Absorption Regulations, or any change in the application or official interpretation of any Loss Absorption Regulations, in any such case becoming effective on or after the Issue Date of the latest Tranche of such Series of Notes, the Notes of such Series are or (in the opinion of the Issuer or the Competent Authority) are likely to become fully (or, if "*Loss Absorption Disqualification Event for partial exclusion*" is specified to be applicable in the applicable Final Terms, fully or partially) excluded from counting towards meeting the minimum requirements of the Issuer and/or any Regulatory Group of which the Issuer forms part (whether on a solo,

individual consolidated, consolidated or sub-consolidated basis, as applicable) for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments, in each case as such minimum requirements are applicable to the Issuer and/or any Regulatory Group of which Issuer forms part and determined in accordance with, and pursuant to, the relevant Loss Absorption Regulations; *provided that* a Loss Absorption Disqualification Event shall not occur where the exclusion of the Notes (or the relevant part thereof) from the relevant minimum requirement(s) is due to the remaining maturity of the Notes being less than any period prescribed by any applicable eligibility criteria for such minimum requirements under the relevant Loss Absorption Regulations effective with respect to the Issuer and/or any Regulatory Group of which the Issuer forms part on the Issue Date of the latest Tranche of the relevant Series of Notes;

“**Loss Absorption Disqualification Event Effective Date**” means, unless otherwise specified in the applicable Final Terms, the fifth anniversary of the Issue Date of the latest Tranche of the Notes (or, in either case, such earlier date as may be permitted under the Loss Absorption Regulations);

“**Loss Absorption Note**” means any Senior Preferred Note or Senior Non-Preferred Note where “*Loss Absorption Notes*” is specified to be applicable in the applicable Final Terms; and

“**Loss Absorption Regulations**” means, at any time, the laws, regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments of Ireland, the Competent Authority and/or of the European Parliament or of the Council of the European Union then in effect in Ireland and applicable to the Issuer and/or any Regulatory Group of which the Issuer forms part including, without limitation to the generality of the foregoing, any delegated or implementing acts (such as regulatory technical standards) adopted by the European Commission and any regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments adopted by the Competent Authority from time to time (whether such regulations, requirements, guidelines, rules, standards or policies are applied generally or specifically to the Issuer or to any Regulatory Group of which the Issuer forms part); and the Loss Absorption Regulations shall, if the Notes are Senior Non-Preferred Notes, be deemed to include any provision of any Ranking Legislation which relates to the requisite features of Secondary Unsecured Debts.

Prior to the publication of any notice of redemption pursuant to this Condition 6(g), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories of the Issuer stating (i) that a Loss Absorption Disqualification Event has occurred as at the date of the certificate and (ii) that the applicable conditions set out in Condition 6(m)(A) (if this Note is a Dated Subordinated Note) or Condition 6(m)(B) (if this Note is a Loss Absorption Note) have been satisfied, and the Trustee shall be entitled to accept the certificate as sufficient evidence of such occurrence, in which event it shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

(h) Early Redemption Amounts

For the purpose of Conditions 6(b), 6(e) and 6(g) above and, as the case may be, Condition 9 or Condition 10, the Notes will be redeemed at the Early Redemption Amount (together, if applicable, with accrued and unpaid interest) where “**Early Redemption Amount**” means the amount calculated by the Agent or, where a Calculation Agent is appointed in relation to a Series of Notes, the Calculation Agent as follows:

- (i) in the case of a Note (other than a Zero Coupon Note), the amount specified, or determined in the manner specified, in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, the nominal amount of such Note; or
- (ii) in the case of Zero Coupon Notes, an amount calculated as the sum of (i) the Reference Price specified in the applicable Final Terms and (ii) the product of the Accrual Yield (compounded annually) and the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable,

or such other amount as is provided in the applicable Final Terms, provided that in the case of any Notes in respect of which “*Market Value less Associated Costs*” is specified as the Early Redemption Amount in the applicable Final Terms, the Early Redemption Amount in respect of each nominal amount of such Notes equal to the Calculation Amount shall be an amount determined by the Calculation Agent (or where no Calculation Agent is appointed, the Issuer), which on:

- (1) in the case of redemption other than pursuant to Condition 9 or Condition 10, the second Business Day immediately preceding the due date for the early redemption of the Notes; or
 - (2) in the case of redemption pursuant to Condition 9, the due date for the early redemption of such Notes;
- or

- (3) in the case of redemption pursuant to Condition 10, the last day immediately preceding the date of commencement of the winding-up of the Issuer,

represents the fair market value of such Notes (taking into account all factors which the Calculation Agent (or where no Calculation Agent is appointed, the Issuer) determines relevant) less Associated Costs, and provided that no account shall be taken of the financial condition of the Issuer which shall be presumed to be able to perform fully its obligations in respect of the Notes; and

- (iii) in the case of paragraph (ii) above, where such calculation is to be made for a period which is not a whole number of years, it shall be made (I) in the case of a Zero Coupon Note other than a Zero Coupon Note payable in euro, on the basis of a 360-day year consisting of 12 months of 30 days each or (II) in the case of a Zero Coupon Note payable in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non-leap year divided by 365) or (in either case) such other calculation basis as may be specified in the applicable Final Terms.

If for any reason at any time the Agent, the Calculation Agent or, as the case may be, the Issuer defaults in its obligation to determine the Early Redemption Amount, the Trustee (or an agent appointed by the Trustee at the expense of the Issuer) shall determine the Early Redemption Amount in accordance with the above provisions and in such manner as it shall deem fair and reasonable in all the circumstances.

For the purpose of the Conditions:

“**Affiliate**” means, in relation to any entity (the “**First Entity**”), any entity controlled, directly or indirectly, by the First Entity, any entity that controls, directly or indirectly, the First Entity or any entity directly or indirectly under common control with the First Entity. (i) Specific redemption provisions applicable to certain types of Exempt Notes

The Final Redemption Amount, any Optional Redemption Amount, the Clean-up Call Redemption Amount (if applicable) and the Early Redemption Amount in respect of Index Linked Redemption Notes and Dual Currency Redemption Notes may be specified in, or determined in the manner specified in, the applicable Pricing Supplement. Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Pricing Supplement. In the case of early redemption, the Early Redemption Amount of Instalment Notes will be determined in the manner specified in the applicable Pricing Supplement.

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

(j) Purchases

The Issuer or any subsidiary of the Issuer may (in its sole discretion and subject, if this Note is a Dated Subordinated Note, to the provisions of Condition 6(m)(A) and, if this Note is a Loss Absorption Note, to the provisions of Condition 6(m)(B)) purchase or otherwise acquire Notes (provided that, in the case of definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) in the open market or otherwise and in any manner and at any price. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent and/or the Registrar for cancellation.

(k) Cancellation

All Notes which are redeemed or purchased as aforesaid and surrendered to a Paying Agent and/or the Registrar for cancellation will forthwith be cancelled (together with, in the case of definitive Notes, all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption) and cannot be reissued or resold.

(l) Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6(a), 6(b), 6(c), 6(d), 6(e), 6(f) or 6(g) above or upon its becoming due and repayable as provided in Condition 9 or Condition 10 (as applicable) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6(h)(ii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable has been received by the Agent or the Registrar and notice to that effect has been given to the Noteholders either in accordance with Condition 14 or individually.

(m) Conditions to Redemption, Purchase, Modification and Substitution of Issuer

(A) Any redemption, purchase, modification or substitution of the Issuer in respect of Dated Subordinated Notes in accordance with Conditions 6(b), 6(c), 6(d), 6(e), 6(g), 6(j) or 15, as the case may be, is subject to:

- (1) in respect of any redemption, purchase, modification or substitution of the Issuer, the Issuer giving notice to the Competent Authority and the Competent Authority granting permission to redeem, purchase or modify the relevant Dated Subordinated Notes or, as the case may be, to substitute the Issuer (in each case to the extent, and in the manner, required by the Competent Authority or the Regulatory Capital Requirements, including Articles 77(1)(c) and 78 of the Capital Requirements Regulation);
- (2) in respect of any redemption or purchase, if and to the extent then required (and, for the avoidance of doubt, as at the Issue Date it would be required) under the Regulatory Capital Requirements, the Issuer having demonstrated to the satisfaction of the Competent Authority that either (a) on or before the relevant redemption or purchase date, the Issuer has (or will have) replaced the Dated Subordinated Notes with instruments qualifying as own funds of equal or higher quality on terms that are sustainable for the income capacity of the Issuer or (b) the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed the requirements laid down in the Capital Requirements Regulation and in Directives 2013/36/EU and 2014/59/EU (each such Directive or Regulation as amended or replaced from time to time) by a margin that the Competent Authority considers necessary at such time; and
- (3) in respect of any redemption or purchase of the relevant Dated Subordinated Notes proposed to be made prior to the fifth anniversary of the Issue Date of the latest Tranche of the Notes, if and to the extent then required (and, for the avoidance of doubt, as at the Issue Date it would be required) under the Regulatory Capital Requirements:

 - (b) in the case of redemption following a Capital Event pursuant to Condition 6(e), the Issuer having demonstrated to the satisfaction of the Competent Authority that the relevant change is sufficiently certain and was not reasonably foreseeable as at the Issue Date of the latest Tranche of the Notes;
 - (c) the Issuer having, before or at the same time as such redemption or purchase, replaced the relevant Dated Subordinated Notes with instruments qualifying as own funds of equal or higher quality on terms that are sustainable for the income capacity of the Issuer, and the Competent Authority having permitted such action on the basis of the determination that it would be beneficial from a prudential point of view and justified by exceptional circumstances; or
 - (d) in the case of a purchase, the relevant Dated Subordinated Notes being purchased for market-making purposes in accordance with applicable Regulatory Capital Requirements,

provided that if, at the time of any such redemption, purchase, modification or substitution of the Issuer, the Competent Authority or the Regulatory Capital Requirements permit a redemption, purchase,

modification or, as the case may be, substitution of the Issuer only after compliance with one or more additional or alternative preconditions to those set out above in this Condition 6(m)(A), the Issuer shall comply (in addition or in the alternative, as the case may be) with such additional and/or alternative precondition(s).

As at the Issue Date the granting of permission by the Competent Authority for any redemption or purchase by the Issuer of the relevant Dated Subordinated Notes prior to the fifth anniversary of the Issue Date is subject to the Issuer complying with the provisions of Article 78(4) of the Capital Requirements Regulation.

By its acquisition of any Dated Subordinated Note or any interest therein, each Noteholder acknowledges and accepts that, if the Issuer or a subsidiary of the Issuer purchases any Dated Subordinated Note from a Noteholder without having obtained the prior permission of the Competent Authority as required under the Regulatory Capital Requirements in effect at the relevant time, the Noteholder shall be obliged to repay in full to the Issuer or its subsidiary, as the case may be, any amounts received by it in consideration of such purchase.

- (B) Any redemption, purchase, modification or substitution of the Issuer in respect of any Loss Absorption Note in accordance with Condition 6(b), 6(c), 6(d), 6(g), 6(j) or 15, as the case may be, is subject to:
- (1) the Issuer giving notice to the Competent Authority and the Competent Authority granting permission to redeem, purchase or modify the relevant Loss Absorption Notes or, as the case may be, to substitute the Issuer (in each case to the extent, and in the manner, required by the Competent Authority or the Regulatory Capital Requirements or Loss Absorption Regulations, including Articles 77(2) and 78a of the Capital Requirements Regulation);
 - (2) in respect of any redemption of the relevant Loss Absorption Notes proposed to be made prior to the fifth anniversary of the Issue Date of the latest Tranche of the Notes as a result of the occurrence of a Tax Event or a Loss Absorption Disqualification Event, if and to the extent then required by the Competent Authority or the Regulatory Capital Requirements or Loss Absorption Regulations:
 - (a) in the case of redemption following a Tax Event pursuant to Condition 6(b), the Issuer having demonstrated to the satisfaction of the Competent Authority that the relevant change or event is material and was not reasonably foreseeable as at the Issue Date of the latest Tranche of the Notes; or
 - (b) in the case of redemption following a Loss Absorption Disqualification Event pursuant to Condition 6(g), the Issuer having demonstrated to the satisfaction of the Competent Authority that the relevant change is sufficiently certain and was not reasonably foreseeable as at the Issue Date of the latest Tranche of the Notes; and
 - (3) compliance with any other pre-conditions to such redemption, purchase, modification or substitution of the Issuer as may be required by the Competent Authority or the Regulatory Capital Requirements or Loss Absorption Regulations at such time (including, in the case of a redemption or purchase and to the extent then so required (and, for the avoidance of doubt, as at the Issue Date it would be required), the Issuer having demonstrated to the satisfaction of the Competent Authority that:
 - (a) it has (or before or at the same time as the relevant redemption or purchase will have) replaced the Loss Absorption Notes with own funds or eligible liabilities instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or
 - (b) the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed the requirements laid down in Regulation (EU) No 575/2013 and in Directives 2013/36/EU and 2014/59/EU (each such Directive or Regulation as amended or replaced from time to time) by a margin that the Competent Authority considers necessary at such time; or
 - (c) the partial or full replacement of the Loss Absorption Notes with own funds instruments is necessary to ensure compliance with the own funds requirements laid down in the prevailing Regulatory Capital Requirements or Directive 2013/36/EU for continuing authorisation).

By its acquisition of any Loss Absorption Note or any interest therein, each Noteholder acknowledges and accepts that, if the Issuer or a subsidiary of the Issuer purchases any Loss Absorption Note from a Noteholder without having obtained the prior permission of the Competent Authority where such

permission was required under the Regulatory Capital Requirements or Loss Absorption Regulations in effect at the relevant time, the Noteholder shall be obliged to repay in full to the Issuer or its subsidiary, as the case may be, any amounts received by it in consideration of such purchase.

- (C) Neither an objection of the Competent Authority, nor any refusal by the Competent Authority to give its permission as contemplated in this Condition 6(m) shall constitute a default for any purpose.

(n) *Substitution and Variation*

This Condition 6(n) applies only if (1) this Note is a Dated Subordinated Note or a Loss Absorption Note and (2) “*Substitution and Variation*” is specified to be applicable in the applicable Final Terms.

(i) *Substitution and Variation in respect of Dated Subordinated Notes*

In respect of any Series of Dated Subordinated Notes, upon the occurrence of a Tax Event or a Capital Event, or in order to ensure the effectiveness and enforceability of Condition 18(c), the Issuer (in its sole discretion but subject to the provisions of Condition 6(n)(iii)), having given:

- (A) not less than 15 nor more than 45 days’ notice to the Noteholders in accordance with Condition 14; and
(B) prior notice to the Trustee before the giving of the notice referred to in (A) and having delivered to the Trustee the certificate referred to in the definition of Tier 2 Compliant Notes;

Upon the expiry of the notice referred to above, the Issuer shall either vary the terms of or, as the case may be, substitute the Dated Subordinated Notes in accordance with this Condition 6(n)(i) and, subject as set out in Conditions 6(n)(iii) and (iv), the Trustee shall agree to such substitution or variation.

- (d) (without prejudice to (c) above) (1) contain terms such that they comply with the then Regulatory Capital Requirements in relation to Tier 2 Capital; (2) bear the same rate of interest from time to time applying to the relevant Dated Subordinated Notes and preserve the same Interest Payment Dates; (3) do not contain terms providing for mandatory deferral of payments of interest and/or principal; (4) preserve the obligations (including the obligations arising from the exercise of any right) of the Issuer as to redemption of the relevant Dated Subordinated Notes, including (without limitation) as to timing of, and amounts payable upon, such redemption; (5) do not contain terms providing for loss absorption through principal write-down or conversion to ordinary shares (but without prejudice to any acknowledgement of statutory resolution powers substantially similar to Condition 18(c)); and (6) preserve any existing rights to any accrued and unpaid interest and any other amounts payable under the relevant Dated Subordinated Notes which has accrued to Noteholders and not been paid;
- (e) (if the relevant Dated Subordinated Notes are listed on any stock exchange or market) are listed on the same stock exchange or market as the relevant Dated Subordinated Notes or the London Stock Exchange or another EEA regulated market selected by the Issuer and approved in writing by the Trustee; and

(ii) *Substitution and Variation in respect of Loss Absorption Notes*

In respect of any Series of Loss Absorption Notes, upon the occurrence of a Tax Event or a Loss Absorption Disqualification Event, or in order to ensure the effectiveness and enforceability of Condition 18(c), the Issuer (in its sole discretion but subject to the provisions of Condition 6(n)(iii)), having given:

- (A) not less than 15 nor more than 45 days' notice to the Noteholders in accordance with Condition 14; and
- (B) prior notice to the Trustee before the giving of the notice referred to in (A) and having delivered to the Trustee the certificate referred to in the definition of Loss Absorption Compliant Notes;

(which notices shall be irrevocable), may, without any requirement for the consent or approval of the Noteholders or Couponholders, either substitute all (but not some only) of the Loss Absorption Notes of such Series for, or vary the terms of all (but not some only) of the Loss Absorption Notes of such Series so that they remain or, as appropriate, become, Loss Absorption Compliant Notes (and in either case may, in the case of English Law Notes, change the governing law of Condition 18(c) from Irish law to English law). Upon the expiry of the notice referred to above, the Issuer shall either vary the terms of or, as the case may be, substitute the Loss Absorption Notes in accordance with this Condition 6(n)(ii) and, subject as set out in Conditions 6(n)(iii) and (iv), the Trustee shall agree to such substitution or variation.

In these Terms and Conditions, "**Loss Absorption Compliant Notes**" means securities that comply with the following (which compliance has been certified to the Trustee in a certificate signed by two Authorised Signatories of the Issuer and delivered to the Trustee prior to the issue of the relevant securities):

- (a) are issued by the Issuer of the relevant Loss Absorption Notes;
- (b) rank equally with the ranking of the relevant Loss Absorption Notes (or, if the relevant Loss Absorption Notes were Senior Non-Preferred Notes upon issue, rank as part of the class of Secondary Unsecured Debt);
- (c) subject to (b) above and other than in respect of the effectiveness and enforceability of Condition 18(c), have terms not materially less favourable to Noteholders than the terms of the relevant Loss Absorption Notes (as reasonably determined by the Issuer in consultation with an independent adviser of recognised standing);
- (d) (without prejudice to (c) above) (1) contain terms such that they comply with the then applicable Loss Absorption Regulations in order to be eligible to qualify in full towards the minimum requirements of the Issuer and/or any Regulatory Group of which the Issuer forms part (whether on a solo, individual consolidated, consolidated or sub-consolidated basis, as applicable) for own funds and eligible liabilities and/or loss absorbing capacity instruments; (2) bear the same rate of interest from time to time applying to the relevant Loss Absorption Notes and preserve the same Interest Payment Dates; (3) do not contain terms providing for mandatory deferral of payments of interest and/or principal; (4) preserve the obligations (including the obligations arising from the exercise of any right) of the Issuer as to redemption of the relevant Loss Absorption Notes, including (without limitation) as to timing of, and amounts payable upon, such redemption; (5) do not contain terms providing for loss absorption through principal write-down or conversion to ordinary shares (but without prejudice to any acknowledgement of statutory resolution powers substantially similar to Condition 18(c)); and (6) preserve any existing rights to any accrued and unpaid interest and any other amounts payable under the relevant Loss Absorption Notes which has accrued to Noteholders and not been paid;
- (e) (if the relevant Loss Absorption Notes are listed on any stock exchange or market) are listed on the same stock exchange or market as the relevant Loss Absorption Notes or the London Stock Exchange or another EEA regulated market selected by the Issuer and approved in writing by the Trustee; and
- (f) where the relevant Loss Absorption Notes which have been substituted or varied had a published rating solicited by the Issuer from one or more Rating Agencies immediately prior to their substitution or variation, benefit from (or will, as announced by each such Rating Agency, benefit from) an equal or higher published rating from each such Rating Agency as that which applied to the relevant Loss Absorption

Notes, unless any downgrade is solely attributable to the effectiveness and enforceability of Condition 18(c) or the ranking of the securities under (b) above.

(iii) *Conditions to Substitution and Variation*

In connection with any substitution or variation in accordance with this Condition 6(n), the relevant Issuer shall comply with the rules of any stock exchange on which such Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with this Condition 6(n) is also subject to the following conditions:

- (A) the relevant Issuer shall have obtained the permission from the Competent Authority (if then required (and, for the avoidance of doubt, as at the Issue Date it would be required) by the Competent Authority or by the Regulatory Capital Requirements or, as the case may be, Loss Absorption Regulations at such time);
- (B) such substitution or variation must be permitted by, and conducted in accordance with, any other applicable requirement of the Competent Authority or under the Regulatory Capital Requirements or, as the case may be, Loss Absorption Regulations at such time;
- (C) such substitution or variation shall not result in any event or circumstance which at or around that time gives the relevant Issuer a redemption right in respect of the Notes; and
- (D) prior to the publication of any notice of substitution or variation pursuant to this Condition 6(n), the relevant Issuer shall have delivered to the Trustee a certificate signed by two Authorised Signatories of the relevant Issuer stating that the Tax Event, Capital Event or, as the case may be, Loss Absorption Disqualification Event giving rise to the right to substitute or vary the Notes has occurred (and, in the case of a Tax Event, that the consequence thereof cannot be avoided by the Issuer taking reasonable measures available to it) or, as the case may be, that the relevant substitution or variation is being effected in order to ensure the effectiveness and enforceability of Condition 18(c), in each case as at the date of the certificate and that all conditions set out in (A), (B) and (C) above have been satisfied and the Trustee shall be entitled to accept such certificate without any further inquiry as sufficient evidence thereof, in which event it shall be conclusive and binding on the Trustee, the Receiptholders, the Couponholders and the Noteholders.

(iv) *Role of the Trustee in Substitution and Variation*

- (A) The Trustee shall, subject to the relevant Issuer's compliance with Condition 6(n)(iii) (including the delivery of the certificate referred to at Condition 6(n)(iii)(D)) and the provision of the certificates signed by two Authorised Signatories of the Issuer in the definition of Tier 2 Compliant Notes and/or Loss Absorption Compliant Notes, and at the expense and cost of the Issuer, use reasonable endeavours to assist the Issuer in any substitution or variation of Notes pursuant to this Condition 6(n), except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Tier 2 Compliant Notes or, as the case may be, Loss Absorption Compliant Notes would impose, in the Trustee's opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its satisfaction.
- (B) In connection with any substitution or variation of Notes pursuant to this Condition 6(n), the Trustee may rely without liability to Noteholders, Receiptholders or Couponholders on a report, confirmation, certificate or any advice of any accountants, financial advisers, financial institutions or any other experts, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation, certificate or advice and such report, confirmation, certificate or advice shall be binding on the relevant Issuer, the Trustee, the Noteholders, the Receiptholders and the Couponholders.

7. Taxation

All payments of principal and/or interest in respect of the Notes, Receipts and Coupons shall be made without withholding and/or deduction for or on account of any present or future tax, duty or charge of whatsoever nature imposed or levied by or on behalf of Ireland, or any political subdivision or any authority thereof or therein having power to tax, unless such withholding and/or deduction is required by law. In that event, the Issuer will account to the relevant authorities for the amount required to be withheld or deducted and will:

(a) in the case of Senior Preferred Notes where the applicable Final Terms specifies “*Senior Preferred Notes: Restricted Events of Default*” to be “*Not Applicable*”, in respect of payments of interest (if any) or principal; or

(b) in the case of (1) Senior Preferred Notes where the applicable Final Terms specifies “*Senior Preferred Notes: Restricted Events of Default*” to be “*Applicable*”, (2) Senior Non-Preferred Notes and (3) Dated Subordinated Notes, in respect of payments of interest (if any) only,

pay such additional amounts as will result (after such withholding and/or deduction) in the receipt by the holders of the Notes, Receipts or Coupons of such sums which would have been receivable (in the absence of such withholding and/or deduction) from it in respect of their Notes and/or, as the case may be, Receipts or Coupons, except that no such additional amounts shall be payable in respect of any Note, Receipt or Coupon:

- (i) to, or to a third party on behalf of, a Noteholder, Receiptholder or Couponholder who is liable to any such tax, duty or charge in respect of such Note, Receipt or Coupon by reason of having some connection with Ireland other than the mere holding or ownership of such Note, Receipt or Coupon; and/or
- (ii) presented for payment (where presentation is required under these Terms and Conditions) at any specified office in Ireland of a Paying Agent by or on behalf of a holder who, at the time of such presentation, is eligible to receive the relevant payment without withholding or deduction for or on account of any such tax, duty or charge (under then current Irish law and practice) but fails to fulfil any legal requirement necessary to establish such eligibility; and/or
- (iii) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days (assuming, whether or not such is in fact the case, such last day to be a Payment Day).

In no event will additional amounts be payable under this Condition 7 or otherwise in respect of any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or any official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof or any law implementing such an intergovernmental agreement.

For the avoidance of doubt, if this Note is (1) a Senior Preferred Note where the applicable Final Terms specifies “*Senior Preferred Notes: Restricted Events of Default*” to be “*Applicable*”, (2) a Senior Non-Preferred Note or (3) a Dated Subordinated Note, the Issuer will not pay any additional amounts under this Condition 7 in respect of principal of this Note.

As used herein, the “**Relevant Date**” in respect of any payment means the date on which such payment first becomes due, or, if the full amount of the moneys payable has not been duly received by the Agent or the Registrar, as the case may be, or the Trustee on or prior to such due date, the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

8. Prescription

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon, any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

9. Events of Default for, and Enforcement of, Senior Preferred Notes

This Condition 9 shall apply only in respect of Senior Preferred Notes.

(a) Non-restricted Events of Default

This Condition 9(a) shall apply unless “*Senior Preferred Notes: Restricted Events of Default*” is specified to be applicable in the applicable Final Terms (in which case Condition 9(b) shall apply instead).

If this Condition 9(a) applies, then the Trustee at its discretion may, and if so requested in writing by the holders of at least one-fifth in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction),

give notice to the Issuer that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at their Early Redemption Amount as defined in Condition 6(h), together with accrued and unpaid interest (if any) as provided in the Trust Deed, if any of the following events (“**Events of Default**”) shall have occurred and be continuing:

- (i) default is made for more than 15 days (in the case of the payment of interest) or more than seven days (in the case of the payment of principal or in respect of any delivery) in the payment of any amount in respect of any of the Notes (in each case whether at maturity or upon redemption or otherwise) when and as the same falls due to be paid in accordance with these Terms and Conditions; or
- (ii) default is made by the Issuer in the performance or observance of any obligation, condition or provision under the Notes or the Trust Deed (other than any obligation for the payment of any amount due in respect of any of the Notes) and (except in any case where the Trustee considers the failure to be incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) such default continues for a period of 60 days (or such longer period as the Trustee may permit) after written notification requiring such default to be remedied has been given to the Issuer by the Trustee; or
- (iii) an order is made or an effective resolution is passed for the winding-up or dissolution of the Issuer except for the purposes of or pursuant to a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of Noteholders; or
- (iv) the Issuer (a) stops payment (within the meaning of any applicable bankruptcy law) or (b) (otherwise than for the purposes of such a reconstruction or amalgamation as is referred to in Condition 9(a)(iii)) ceases or through an official action of the Court of Directors, the Board of Directors or other governing entity of the Issuer threatens to cease to carry on all or substantially all of its business or is unable to pay its debts as and when they fall due (within the meaning of sections 509(3) or 570 of the Companies Act 2014 of Ireland (as amended)); or
- (v) the Issuer or any third party files an application under any applicable bankruptcy, reorganisation, composition or insolvency law against the Issuer and, in the case of an application by a third party the application is not dismissed within 30 days or the Issuer makes a conveyance or assignment for the benefit of, or enters into any composition with, its creditors in general; or
- (vi) a receiver, examiner or other similar official is appointed in relation to the Issuer or in relation to the whole or a material part of the assets of the Issuer, or the protection of the court is granted to the Issuer, or an encumbrancer takes possession of the whole or a material part of the assets of the Issuer, or a distress or execution or other process is levied or enforced upon or sued out against the whole or a material part of the assets of the Issuer in respect of a debt of more than €10,000,000 (or its equivalent in another currency) and, in any of the foregoing cases, is not discharged within 30 days,

provided that, in the case of any Event of Default other than those described in Conditions 9(a)(i) and 9(a)(iii) above, the Trustee shall have certified to the Issuer that the Event of Default is, in its opinion, materially prejudicial to the interests of the Noteholders.

The Trustee may at its discretion and without further notice take such proceedings against the Issuer as it may think fit to enforce the obligations of the Issuer under the Trust Deed and the Notes, Receipts and Coupons, but it shall not be bound to take any such proceedings or any other action unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by holders of at least one-fifth in nominal amount of the Notes outstanding and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to do, (i) fails to do so within a reasonable period, or (ii) is unable for any reason so to do, and such failure or inability is continuing.

(b) Restricted Events of Default

This Condition 9(b) shall apply only if “*Senior Preferred Notes: Restricted Events of Default*” is specified to be applicable in the applicable Final Terms.

If this Condition 9(b) applies, then:

- (A) If default is made in the payment of any principal or interest due in respect of the Notes and such default continues for a period of 15 days after the due date for the same or, as the case may be, after any other date upon which the payment of interest is compulsory, the Trustee may, subject as provided below, at its discretion and without further notice, institute proceedings for the winding up of the Issuer in Ireland (but not elsewhere), but (save as provided in Condition 9(b)(B) below) may take no further action in respect of such default.

- (B) If, otherwise than for the purposes of a reconstruction or amalgamation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders, an order is made or an effective resolution is passed for the winding up of the Issuer, the Trustee may, subject as provided below, at its discretion, give notice to the Issuer that the Notes are, and they shall accordingly thereby forthwith become, immediately due and repayable at their Early Redemption Amount as defined in Condition 6(h), plus accrued and unpaid interest (if any) as provided in the Trust Deed and together with any damages awarded in respect thereof.
- (C) Without prejudice to Conditions 9(b)(A) and 9(b)(B) above, the Trustee may, subject as provided below, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes, the Coupons or the Trust Deed (other than any obligation for the payment of any principal or interest in respect of the Notes or any damages awarded in respect thereof), provided that the Issuer shall not as a consequence of such proceedings be obliged to pay any sum or sums representing or measured by reference to principal or interest in respect of the Notes sooner than the same would otherwise have been payable by it, or any damages awarded in respect of the Notes.
- (D) The Trustee shall be bound to take action as referred to in Conditions 9(b)(A), 9(b)(B) and 9(b)(C) if (i) it shall have been so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.
- (E) No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer pursuant to this Condition 9(b) unless the Trustee, having become bound so to proceed, (i) fails to do so within a reasonable period, or (ii) is unable for any reason so to do, and such failure or inability is continuing (and in such case the Noteholder or Couponholder may only take such steps as are available to the Trustee). No Noteholder or Couponholder shall be entitled either to institute proceedings in Ireland (or elsewhere) for the winding up of the Issuer or to submit a claim in such winding-up, except that if the Trustee, having become bound to institute such proceedings as aforesaid, (i) fails to do so, or (ii) is unable for any reason so to do, or, being able and bound to submit a claim in such winding-up, fails to do so, in each case within a reasonable period and such failure or inability is continuing, then any such holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise), itself institute proceedings for the winding up of the Issuer in Ireland (but not elsewhere) and/or submit a claim in such winding-up to the same extent (but not further or otherwise) that the Trustee would have been entitled to do so.
- (F) No remedy against the Issuer, other than as provided above in this Condition 9(b), shall be available to the Trustee, the Noteholders or the Couponholders for the recovery of amounts owing in respect of such Notes or the relative Coupons or under the Trust Deed in so far as it relates to the Notes or the relative Coupons.

10. Events of Default for, and Enforcement of, Senior Non-Preferred Notes and Dated Subordinated Notes

This Condition 10 shall apply in respect of all Senior Non-Preferred Notes and all Dated Subordinated Notes.

- (A) If default is made in the payment of any principal or interest due in respect of the Notes and such default continues for a period of 15 days after the due date for the same or, as the case may be, after any other date upon which the payment of interest is compulsory, the Trustee may, subject as provided below, at its discretion and without further notice, institute proceedings for the winding up of the Issuer in Ireland (but not elsewhere), but (save as provided in Condition 10(B) below) may take no further action in respect of such default.
- (B) If, otherwise than for the purposes of a reconstruction or amalgamation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders, an order is made or an effective resolution is passed for the winding up of the Issuer, the Trustee may, subject as provided below, at its discretion, give notice to the Issuer that the Notes are, and they shall accordingly thereby forthwith become, immediately due and repayable at their Early Redemption Amount as defined in Condition 6(h), plus accrued and unpaid interest (if any) as provided in the Trust Deed and together with any damages awarded in respect thereof.
- (C) Without prejudice to Conditions 10(A) and 10(B) above, the Trustee may, subject as provided below, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes, the Coupons or the Trust Deed (other than any obligation for the payment of any principal or interest in respect of the Notes or any damages awarded in respect thereof), provided that the Issuer shall not as a consequence of such

proceedings be obliged to pay any sum or sums representing or measured by reference to principal or interest in respect of the Notes sooner than the same would otherwise have been payable by it, or any damages awarded in respect of the Notes.

- (D) The Trustee shall be bound to take action as referred to in Conditions 10(A), 10(B) and 10(C) above if (i) it shall have been so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.
- (E) No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer pursuant to this Condition 10 unless the Trustee, having become bound so to proceed, (i) fails to do so within a reasonable period, or (ii) is unable for any reason so to do, and such failure or inability is continuing (and in such case the Noteholder or Couponholder may only take such steps as are available to the Trustee). No Noteholder or Couponholder shall be entitled either to institute proceedings in Ireland (or elsewhere) for the winding up of the Issuer or to submit a claim in such winding-up, except that if the Trustee, having become bound to institute such proceedings as aforesaid, (i) fails to do so, or (ii) is unable for any reason so to do, or, being able and bound to submit a claim in such winding-up, fails to do so, in each case within a reasonable period and such failure or inability is continuing, then any such holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise), itself institute proceedings for the winding up of the Issuer in Ireland (but not elsewhere) and/or submit a claim in such winding-up to the same extent (but not further or otherwise) that the Trustee would have been entitled to do so.
- (F) No remedy against the Issuer, other than as provided above in this Condition 10, shall be available to the Trustee, the Noteholders or the Couponholders for the recovery of amounts owing in respect of such Notes or the relative Coupons or under the Trust Deed in so far as it relates to the Notes or the relative Coupons.

11. Replacement of Notes, Receipts, Coupons and Talons

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may, subject to all applicable laws and stock exchange requirements, be replaced at the specified office of the Agent (in the case of Bearer Notes, Receipts or Coupons) or the Registrar (in the case of Registered Notes), or any other place approved by the Trustee of which notice shall have been published in accordance with Condition 14, upon payment by the claimant of such costs, expenses, taxes and duties as may be incurred in connection therewith and on such terms as to evidence, security and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Agent and Paying Agents

(a) Paying Agents

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (i) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Notes) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority or authorities);
- (ii) there will at all times be an Agent and a Registrar; and
- (iii) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the final paragraph of Condition 5(e). Notice of any variation, termination, appointment or change in the Paying Agents will be given to the Noteholders promptly by the Issuer in accordance with Condition 14.

(b) Calculation Agent

In relation to each issue of Notes, the Calculation Agent acts solely as agent of the Issuer and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Noteholders, the Receiptholders or Couponholders. All calculations and determinations made in respect of the Notes by the Calculation Agent shall be in its sole and absolute discretion, in good faith, and shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Agents and the Noteholders, the Receiptholders or Couponholders. The Calculation Agent shall promptly notify the Issuer and the Agent upon any such calculations and determinations, and (in the absence of wilful default, bad faith or manifest error) no liability to the Issuer, the Agents, the Noteholders, the Receiptholders or the Couponholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party as it deems appropriate.

13. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent outside the United States in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

14. Notices

All notices regarding the Bearer Notes will be valid if an announcement is released by the Issuer through the companies announcement office of The Irish Stock Exchange plc trading as Euronext Dublin (“**Euronext Dublin**”) or any successor or replacement service. Any such notice will be deemed to have been given on the date of release by Euronext Dublin. Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the Noteholders in accordance with this Condition.

The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange (or any other relevant authority) on which the Bearer Notes are for the time being listed or by which they have been admitted to listing.

All notices regarding Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules.

Notwithstanding the foregoing provisions of this Condition 14, until such time as any definitive Notes are issued (and provided that, in the case of Notes listed on a stock exchange, the rules of that stock exchange or other relevant authority so permit), so long as the Global Note(s) is or are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, the Issuer may, in lieu of notice as aforesaid, give notice by the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the holders of the Notes. Any such notice shall be deemed to have been given to the holders of the Notes on the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent or the Registrar via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, the Registrar and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. Meetings of Noteholders, Extraordinary Resolutions, Modification, Waiver and Issuer Substitution

Any modification, waiver, authorisation or substitution pursuant to this Condition 15 shall be binding on the Noteholders, Receiptholders and Couponholders and, unless, in the case of a modification, the Trustee agrees otherwise,

any such modification or substitution shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 14.

(a) Meetings of Noteholders and Extraordinary Resolutions

The Trust Deed contains provisions for convening meetings (which may be held at a physical location, or via an electronic platform (such as a conference call or videoconference) or by a combination of such methods) of the Noteholders to consider any matter affecting their interests, including modification by an Extraordinary Resolution of the Notes, the Receipts, the Coupons or the Trust Deed, provided that the modification of certain provisions of the Notes, Receipts or Coupons (concerning *inter alia* the date of maturity of the Notes or any date for payment of interest thereof, the amount of principal or the rate of interest payable in respect of the Notes, the currency of payment of the Notes, Receipts or Coupons or the status and, if applicable, subordination of the Notes or certain provisions of the Trust Deed) may only be made at a meeting at which the necessary quorum will be one or more persons holding or representing not less than a clear majority in nominal amount of the Notes for the time being outstanding. At any adjourned meeting, one or more persons present whatever the nominal amount of the Notes held or represented by him or them will form a quorum, except that at any adjourned meeting for the transaction of business comprising any of the aforementioned modification of provisions, the necessary quorum will be one or more persons present holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding.

An Extraordinary Resolution may also be passed by the Noteholders by way of:

- (i) a resolution in writing signed by or on behalf of the holders of not less than three-quarters in nominal amount of the Notes for the time being outstanding; or
- (ii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than three-quarters in nominal amount of the Notes for the time being outstanding.

An Extraordinary Resolution (whether passed at any meeting of the Noteholders or by way of written resolution or electronic consents) shall be binding on all the Noteholders, whether present or not at the relevant meeting and/or whether or not voting on (or voting in favour of) the relevant Extraordinary Resolution, and on all Receiptholders and Couponholders.

(b) Modification

- (i) The Trust Deed provides that the Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to any modification (subject to certain exceptions), or to any waiver or authorisation of any breach or proposed breach, of any of these Terms and Conditions or any provision of the Trust Deed or the Notes, Receipts or Coupons which, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders. In addition, the Trustee shall be obliged to concur with the Issuer in effecting (i) any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4(f) and (ii) any substitution or variation in the circumstances and as otherwise set out in Conditions 6(n)(i) and 6(n)(ii), in each case without the consent of the Noteholders or Couponholders.
- (ii) The Trustee may also agree without such consent to any modification of any of these Terms and Conditions or any provision of the Trust Deed or the Notes, Receipts or Coupons which is made to correct a manifest error or which is of a formal, minor or technical nature.

(c) Substitution

The Trustee may also agree without the consent of Noteholders, Receiptholders or Couponholders to the substitution at any time or times of a successor company (as defined in the Trust Deed), or any other company which controls, or is under the control of, the Issuer or such successor company, as the principal debtor under the Trust Deed, the Notes, the Receipts and the Coupons. Such agreement shall also be subject to the relevant provisions of the Trust Deed, including (in the case of the substitution of any company other than such a successor company), unless the Trustee shall agree otherwise, the irrevocable and unconditional guarantee, in a form satisfactory to the Trustee (in respect of the Dated Subordinated Notes only, on a subordinated basis equivalent to that mentioned in Condition 3(c) and, in respect of the Senior Non-Preferred Notes only, ranking on an equivalent basis to that set out in Condition 3(b)), of the Notes, the Receipts and the Coupons by the Issuer or such successor company.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, but without limitation, any modification, waiver, authorisation or substitution), the Trustee shall have regard to the interests of the Noteholders as a class and, in particular, but without limitation, shall not have regard to the consequences of such exercise for individual Noteholders, Receiptholders and Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the

Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholder or Couponholder be entitled to claim, from the Issuer or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, Receiptholders or Couponholders except to the extent already provided for in Condition 7 and/or any undertaking given in addition to, or in substitution for, Condition 7 pursuant to the Trust Deed.

(d) Regulatory consent

If this Note is a Dated Subordinated Note or a Loss Absorption Note, any modification or substitution pursuant to this Condition 15 is subject to Condition 6(m)(A) or 6(m)(B), as applicable.

16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders, Receiptholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the Issue Date, nominal amount, Interest Commencement Date, date of the first payment of interest thereon and/or Issue Price and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.

17. Indemnification etc.

The Trust Deed contains provisions governing the responsibility of the Trustee and providing for its indemnification in certain circumstances including provisions relieving it, unless indemnified and/or secured and/or prefunded to its satisfaction, from taking proceedings to enforce repayment. The Trustee shall be entitled to enter into business transactions with the Issuer and/or any subsidiary of the Issuer without accounting for any profit resulting therefrom.

The Trustee shall not be liable for any consequences of any application of Irish Statutory Loss Absorption Powers (as provided in Condition 18(c) below) in respect of the Issuer or any of its affiliates or any Notes and shall not be required to take any action in connection therewith that would, in the Trustee's opinion, expose the Trustee to any liability or expense unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction; provided that nothing in this paragraph shall prevent any application of Irish Statutory Loss Absorption Powers in respect of the Issuer or any of its affiliates or any Notes from taking effect, and each Noteholder, Couponholder or Receiptholder, by its acquisition of any Note, Coupon or Receipt, authorises and instructs the Trustee to take such steps as may be necessary or expedient in order to give effect to any such application of Irish Statutory Loss Absorption Powers.

18. Governing Law, Submission to Jurisdiction and Acknowledgement of Irish Statutory Loss Absorption Powers

(a) Governing Law

The applicable Final Terms will specify '*Governing Law*' as either '*English Law Notes*' (such Notes, "**English Law Notes**") or '*Irish Law Notes*' (such Notes, "**Irish Law Notes**").

- (i) In the case of English Law Notes, the Trust Deed, the Notes, any Coupons and Receipts relating to the Notes, and any non-contractual obligations arising out of or in connection with the Trust Deed, the Notes and any Coupons and Receipts relating to the Notes, are governed by, and shall be construed in accordance with, English law, except that Condition 3, Condition 18(c), Clause 31 of the Trust Deed (with respect to the acknowledgement of Bail-in Powers, as defined therein) and the provisions of the Trust Deed relating to the ranking of claims in respect of the Notes, Receipts and Coupons on a winding-up of the Issuer, and (in each case) any non-contractual obligations arising out of or in connection therewith, shall be governed by and construed in accordance with the laws of Ireland.
- (ii) In the case of Irish Law Notes, the Trust Deed, the Notes, any Coupons and Receipts relating to the Notes, and any non-contractual obligations arising out of or in connection with the Trust Deed, the Notes and any Coupons and Receipts relating to the Notes, are governed by, and shall be construed in accordance with, the laws of Ireland.

(b) Submission to Jurisdiction

- (i) In the case of English Law Notes:
 - (A) the Issuer has in the Trust Deed irrevocably agreed for the benefit of the Trustee, the Noteholders, the Receiptholders and the Couponholders that (subject as provided below) the courts of England are to have jurisdiction to settle any disputes (including a dispute relating to

any non-contractual obligations arising out of or in connection with the Trust Deed, the Notes, the Receipts and/or the Coupons) which may arise out of or in connection with the Trust Deed, the Notes, the Receipts and/or the Coupons and that accordingly any suit, action or proceedings arising out of or in connection therewith (together referred to as “**Proceedings**”) may be brought in such courts; and

(B) the Issuer has in the Trust Deed irrevocably and unconditionally waived and agreed not to raise any objection which it may have now or hereafter to the laying of the venue of any Proceedings in the courts of England and any claim that any such Proceedings have been brought in an inconvenient forum and has further irrevocably and unconditionally agreed that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon the Issuer and may be enforced in the courts of any other jurisdiction. Nothing contained in this Condition shall limit any right (to the extent allowed by law) to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(ii) In the case of Irish Law Notes:

(A) the Issuer has in the Trust Deed irrevocably agreed for the benefit of the Trustee, the Noteholders, the Receiptholders and the Couponholders that (subject as provided below) the courts of Ireland are to have jurisdiction to settle any disputes (including a dispute relating to any non-contractual obligations arising out of or in connection with the Trust Deed, the Notes, the Receipts and/or the Coupons) which may arise out of or in connection with the Trust Deed, the Notes, the Receipts and/or the Coupons and that accordingly Proceedings may be brought in such courts; and

(B) the Issuer has in the Trust Deed irrevocably and unconditionally waived and agreed not to raise any objection which it may have now or hereafter to the laying of the venue of any Proceedings in the courts of Ireland and any claim that any such Proceedings have been brought in an inconvenient forum and has further irrevocably and unconditionally agreed that a judgment in any such Proceedings brought in the Irish courts shall be conclusive and binding upon the Issuer and may be enforced in the courts of any other jurisdiction. Nothing contained in this Condition shall limit any right (to the extent allowed by law) to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(c) *Acknowledgement of Irish Statutory Loss Absorption Powers*

Notwithstanding and to the exclusion of any other term of the Notes or any other agreements, arrangements or understanding between the Issuer and the Trustee or any Noteholder, Couponholder or Receiptholder, the Trustee and, by its acquisition of any Note, Coupon or Receipt or any interest therein, each Noteholder, Couponholder and Receiptholder and each holder of a beneficial interest in any Note, Coupon or Receipt acknowledges and accepts that any liability arising under the Notes, Coupons or Receipts may be subject to the exercise of Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority and acknowledges, accepts, consents to and agrees to be bound by:

(i) the effect of the exercise of any Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority, which exercise (without limitation) may include and result in any of the following, or a combination thereof:

(A) the reduction of all, or a portion, of the Relevant Amounts in respect of the Notes, Coupons and/or Receipts;

(B) the conversion of all, or a portion, of the Relevant Amounts in respect of the Notes, Coupons and/or Receipts into shares, other securities or other obligations of the Issuer or another person, and the issue to or conferral on the Noteholder, Couponholder or Receiptholder of such shares, securities or obligations, including by means of an amendment, modification or variation of the terms of the Notes, Coupons and/or Receipts;

(C) the cancellation of the Notes, Coupons and/or Receipts or the Relevant Amounts in respect thereof; and

- (D) the amendment or alteration of the Maturity Date of the Notes or amendment of the amount of interest payable on the Notes, or the date on which interest becomes payable, including by suspending payment for a temporary period; and
- (ii) the variation of the terms of the Notes, Coupons and/or Receipts as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of any Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority.

The Trustee and, by its acquisition of any Note, Coupon or Receipt or any interest therein, each Noteholder, Couponholder and Receiptholder further acknowledges and accepts that the taking by the Relevant Resolution Authority of a crisis prevention measure or a resolution action in respect of the Issuer pursuant to the Irish Statutory Loss Absorption Powers shall not constitute an Event of Default and shall not constitute grounds for the Trustee or the Noteholders, Couponholders or Receiptholders to institute proceedings for the winding up of the Issuer or for the giving of notice to the Issuer that the Notes, Coupons or Receipts are immediately due and repayable.

In these Terms and Conditions:

“Irish Statutory Loss Absorption Powers” means any write-down, conversion, transfer, modification, suspension or similar or related power existing from time to time under, and exercised in compliance with, any laws, regulations, rules or requirements in effect in Ireland, relating to (i) the transposition into Irish law of Directive 2014/59/EU (including, without limitation, Article 48 thereof) as amended or replaced from time to time and (ii) the instruments, rules and standards created thereunder, pursuant to which any obligation of the Issuer (or any affiliate of the Issuer) can be reduced, cancelled, modified, or converted into shares, other securities or other obligations of the Issuer or any other person (or suspended for a temporary period);

“Relevant Amounts” means the outstanding principal amount of the Notes, together with any accrued but unpaid interest and additional amounts and any other amounts due on or in respect of the Notes. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of any Irish Statutory Loss Absorption Powers by the Relevant Resolution Authority; and

“Relevant Resolution Authority” means the resolution authority with the ability to exercise any Irish Statutory Loss Absorption Powers in relation to the Issuer and/or the Notes, Coupons and/or Receipts (being, as at the Issue Date, the Single Resolution Board).

See the risk factor entitled “The European Union adopted a bank recovery and resolution directive which is intended to enable a range of actions to be taken in relation to credit institutions, investment firms, certain financial institutions and certain holding companies (each a “relevant entity”) considered to be at risk of failing” for further information.

(d) *Process agent*

This Condition 18(d) shall apply only in respect of English Law Notes.

The Issuer has in the Trust Deed appointed General Counsel, Bank of Ireland (UK) plc, 6th floor, 45 Gresham Street, London, EC2V 7EH as its agent to accept on its behalf service of process in England in connection with any Proceedings, and has undertaken that, in the event of such person ceasing so to act, it will appoint such other person as the Trustee may approve as its agent for that purpose. The Issuer has also agreed in the Trust Deed to procure that, so long as any of the Notes remains outstanding, there shall be in force an appointment of such a person approved by the Trustee with an office in London with authority to accept service as aforesaid. Nothing herein shall affect the right to serve process in any other manner permitted by law.

19. Third Party Rights

This Condition 19 shall apply only in respect of English Law Notes.

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

TEMPORARY BEARER GLOBAL NOTE

This Global Note is a Temporary Bearer Global Note in respect of a duly authorised issue of Notes (the **Notes**) of the Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms or Pricing Supplement, as the case may be, applicable to the Notes (the **Final Terms**), a copy of which is annexed hereto, of the Issuer. References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Trust Deed (as defined below) as completed by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail. Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Note. This Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated as at the Issue Date of the first Tranche of the Notes, and as may be further amended and/or supplemented and/or restated with respect to the Notes from time to time, the **Trust Deed**)

¹ Delete where the original maturity of the Notes is 365 days or less.

² To be included in Notes issued by BOIG with a maturity of less than one year

³ Delete as applicable

originally dated 28 July 1995 and presently made between The Governor and Company of the Bank of Ireland, Bank of Ireland Group plc and The Law Debenture Trust Corporation p.l.c. (the **Trustee**) as trustee for the holders of the Notes.

The Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to pay to the bearer hereof on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date and/or on such date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Notes on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided herein.

If the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV and Clearstream Banking S.A. (together, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled or the amount of such instalment from time to time of this Global Note. The nominal amount from time to time of this Global Note and of the Notes represented by this Global Note following any such redemption, payment of an instalment, purchase and cancellation as aforesaid or any exchange as referred to below shall be the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One hereto or in Schedule Two hereto.

If the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One or in Schedule Two.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and

represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or the amount of such instalment; or

- (b) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled or delivered or the amount of such instalment.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate of non-US beneficial ownership in the form required by it. The bearer of this Global Note will not be entitled to receive any payment of interest or principal due on or after the Exchange Date unless upon due certification exchange of this Global Note is improperly withheld or refused.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date, this Global Note may be exchanged (free of charge) in whole or in part for, as specified in the Final Terms, either (a) security printed Definitive Bearer Notes and (if applicable) Receipts, Coupons and/or Talons in or substantially in the forms set out in Part 3, Part 4, Part 5 and Part 6 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Receipts, Coupons and/or Talons and the relevant information completing the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Bearer Notes) or (b) either, if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Bearer Global Note or, if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, a Permanent Bearer Global Note, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 2 to the Trust Deed (together with the Final Terms attached thereto) in each case upon notice being given by a relevant Clearing System acting on the instructions of any holder of an interest in this Global Note and subject, in the case of Definitive Bearer Notes, to such notice period as is specified in the Final Terms.

If Definitive Bearer Notes and (if applicable) Receipts, Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Bearer Global Note, then this Global Note may only thereafter be exchanged for Definitive Bearer Notes and (if applicable) Receipts, Coupons and/or Talons pursuant to the terms hereof. This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London.

The Issuer shall procure that the Definitive Bearer Notes or (as the case may be) the interests in the Permanent Bearer Global Note shall be issued and delivered and (in the case of the Permanent Bearer Global Note where the applicable Final Terms indicates that this Global Note is intended to be a New Global Note) recorded in the records of the relevant Clearing System in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate, to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes represented by this Global Note (as shown by its records) a certificate of non-US beneficial ownership in the form required by it.

The aggregate nominal amount of Definitive Bearer Notes issued upon an exchange of this Global Note will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Note submitted by the

bearer for exchange (to the extent that such nominal amount does not exceed the aggregate nominal amount of this Global Note).

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. The Issuer shall procure that:

- (a) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, on an exchange of the whole or part only of this Global Note, details of such exchange shall be entered *pro rata* in the records of the relevant Clearing Systems; or
- (b) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, on an exchange of part only of this Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount so exchanged. On any exchange of this Global Note for a Permanent Bearer Global Note, details of such exchange shall also be entered by or on behalf of the Issuer in Schedule Two to the Permanent Bearer Global Note and the relevant space in Schedule Two to the Permanent Bearer Global Note recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if he were the bearer of Definitive Bearer Notes and the relative Receipts, Coupons and/or Talons (if any) in the form(s) set out in Part 3, Part 4, Part 5 and Part 6 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such nominal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed.

In respect of English Law Notes, this Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law. In respect of Irish Law Notes, this Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with the laws of Ireland.

In the case of English Law Notes, no rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Global Note shall not be valid unless authenticated by the Agent and, if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, effectuated by the entity appointed as common safekeeper by the Relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be signed manually or in facsimile by a person duly authorised on its behalf.

If the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One or in Schedule Two.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or the amount of such instalment; or
- (b) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be

signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled or the amount of such instalment.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Where the Notes have initially been represented by one or more Temporary Bearer Global Notes, on any exchange of any such Temporary Bearer Global Note for this Global Note or any part of it, the Issuer shall procure that:

- (a) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (b) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording any such exchange shall be signed by or on behalf of the Issuer. Upon any such exchange, the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of the Notes so exchanged.

In certain circumstances further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances the Issuer shall procure that:

- (a) if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note, details of such further notes may be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note may be increased by the amount of such further notes so issued; or
- (b) if the applicable Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such Temporary Bearer Global Note so exchanged.

Unless otherwise specified in the applicable Final Terms, this Global Note may be exchanged (free of charge) in whole, but not in part, for Definitive Bearer Notes and (if applicable) Receipts, Coupons and/or Talons in or substantially in the forms set out in Part 3, Part 4, Part 5 and Part 6 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Receipts, Coupons and/or Talons and the relevant information completing the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Bearer Notes) either:

- (a) at the option of the Issuer who may give notice to the Agent requesting exchange; or
- (b) upon the occurrence of an Exchange Event.

An **Exchange Event** means that:

- (i) an Event of Default as defined in Condition 9(a) or, as the case may be, an event described in Conditions 9(b)(A) or 9(b)(B) or (as applicable) Conditions 10(A) or 10(B), has occurred and is continuing; or

- (ii) the Issuer has been notified that the relevant Clearing System has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no alternative clearing system satisfactory to the Trustee is available; or
- (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by this Global Note in definitive form (and a certificate to such effect signed by two Authorised Signatories of the Issuer is given to the Trustee).

If this Global Note is only exchangeable following the occurrence of an Exchange Event:

- (a) the Issuer will promptly give notice to Noteholders in accordance with Condition 14 upon the occurrence of an Exchange Event; and
- (b) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems (acting on the instructions of any holder of an interest in this Global Note) or the Trustee may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur no later than 60 days after the date of receipt of the first relevant notice by the Agent.

Any such exchange will be made on any day (other than a Saturday or Sunday) on which banks are open for general business in London by the bearer of this Global Note. On an exchange of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. The aggregate nominal amount of Definitive Bearer Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note at the time of such exchange. Until the exchange of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note and in the Conditions) be entitled to the same benefits as if he were the bearer of Definitive Bearer Notes and the relative Receipts, Coupons and/or Talons (if any) in the form(s) set out in Part 3, Part 4, Part 5 and Part 6 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Paying Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such nominal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed.

In respect of English Law Notes, this Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law. In respect of Irish Law Notes, this Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with the laws of Ireland.

This Global Note shall not be valid unless authenticated by the Agent and, if the applicable Final Terms indicates that this Global Note is intended to be a New Global Note effectuated by the entity appointed as common safekeeper by the Relevant Clearing Systems.

In the case of English Law Notes, no rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

IN WITNESS whereof the Issuer has caused this Global Note to be signed manually or in facsimile by a person duly authorised on its behalf.

Conditions of the Notes as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented, replaced and modified by the relevant information appearing in the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail. Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Note. This Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated as at the Issue Date of the first Tranche of the Notes, and as may be further amended and/or supplemented and/or restated with respect to the Notes from time to time, the **Trust Deed**) originally dated 28 July 1995 and presently made between The Governor and Company of the Bank of Ireland, Bank of Ireland Group plc and The Law Debenture Trust Corporation p.l.c. (the **Trustee**) as trustee for the holders of the Notes.

The Issuer, subject to and in accordance with the Conditions and the Trust Deed, agrees to pay to such registered holder on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Notes on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Note at the specified office of the Registrar at 1 North Wall Quay, Dublin 1, Ireland or such other specified office as may be specified for this purpose in accordance with the Conditions.

On any redemption in whole or in part or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in the Register. Upon any such redemption, payment of an instalment or purchase and cancellation the nominal amount of this Global Note and the Notes held by the registered holder hereof shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled. The nominal amount of this Global Note and of the Notes held by the registered holder hereof following any such redemption or purchase and cancellation as aforesaid or any transfer or exchange as referred to below shall be the nominal amount most recently entered in the Register.

This Global Note may be exchanged in whole, but not in part, for Definitive Registered Notes without Receipt, Coupons or Talons attached only upon the occurrence of an Exchange Event.

An **Exchange Event** means that:

- (i) an Event of Default as defined in Condition 9(a) or, as the case may be, an event described in Conditions 9(b)(A) or 9(b)(B) or (as applicable) Conditions 10(A) or 10(B), has occurred and is continuing; or
- (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system satisfactory to the Trustee is available; or
- (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by this Global Note in definitive form (and a certificate to such effect signed by two Authorised Signatories of the Issuer is given to the Trustee).

If this Global Note is only exchangeable following the occurrence of an Exchange Event:

- (a) the Issuer will promptly give notice to Noteholders in accordance with Condition 14 upon the occurrence of an Exchange Event; and
- (b) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems or any person acting on their behalf (acting on the instructions of any holder of an interest in this Global Note) or the Trustee may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than ten days after the date of receipt of the first relevant notice by the Registrar.

Notes represented by this Global Note are transferable only in accordance with, and subject to, the provisions hereof and of the amended and restated Agency Agreement dated 7 August 2018 (as amended and/or supplemented and/or restated from time to time) and the rules and operating procedures of Euroclear and Clearstream, Luxembourg.

On any exchange or transfer as aforesaid pursuant to which either (i) Notes represented by this Global Note are no longer to be so represented or (ii) Notes not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Note and the Notes held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Subject as provided in the following two paragraphs, until the exchange of the whole of this Global Note as aforesaid, the registered holder hereof shall in all respects be entitled to the same benefits as if he were the registered holder of Definitive Registered Notes in the form set out in Part 8 of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Paying Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal, interest and any other amounts payable on or in respect of such nominal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the registered holder of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed.

In the case of English Law Notes, no rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

In respect of English Law Notes, this Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law. In respect of Irish Law Notes, this Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with the laws of Ireland.

This Global Note shall not be valid unless authenticated by the Registrar and, if the applicable Final Terms indicates that this Global Note is intended to be held under the New Safekeeping Structure, effectuated by the entity appointed as common safekeeper by Euroclear or Clearstream, Luxembourg.

EVIDENCE OF ENTITLEMENT TO ATTEND AND VOTE

2. A holder of a Bearer Note (whether in definitive form or represented by a Bearer Global Note) or Registered Note represented by a Registered Global Note or Registered Note in definitive form which is held in an account with any Clearing System (except DTC) may require the issue by a Paying Agent of Voting Certificates and Block Voting Instructions in accordance with the terms of paragraph 3

For the purposes of paragraph 3, the Paying Agent, the Registrar and each Paying Agent shall be entitled to rely, without further enquiry, on any information or instructions received from a Clearing System and shall have no liability to any Noteholder or other person for any loss, damage, cost, claim or other liability occasioned by its acting in reliance thereon, nor for any failure by a Clearing System to deliver information or instructions to the Paying Agent, Registrar or any Paying Agent.

The holder of any Voting Certificate or the proxies named in any Block Voting Instruction shall for all purposes in connection with the relevant meeting be deemed to be the holder of the Notes to which such Voting Certificate or Block Voting Instruction relates and the Paying Agent with which such Bearer Notes have been deposited or the person holding Notes to the order or under the control of such Paying Agent or the Clearing System in which such Bearer Notes have been blocked shall be deemed for such purposes not to be the Holder of those Notes.

PROCEDURE FOR ISSUE OF VOTING CERTIFICATES, BLOCK VOTING INSTRUCTIONS AND PROXIES

3. (a) *Definitive Bearer Notes not held in a Clearing System - Voting Certificates*

A holder of a Bearer Note in definitive form which is not held in an account with any Clearing System (not being a Bearer Note in respect of which a Block Voting Instruction has been issued and is outstanding in respect of the meeting specified in such Voting Certificate) may obtain a Voting Certificate in respect of such Bearer Note from a Paying Agent subject to such Holder having procured that such Bearer Note is deposited with such Paying Agent or (to the satisfaction of such Paying Agent) is held to its order or under its control upon terms that no such Bearer Note will cease to be so deposited or held until the first to occur of:

- (i) the conclusion of the meeting specified in such Voting Certificate; and
 - (ii) the surrender of the Voting Certificate to the Paying Agent who issued the same.
- (b) *Global Notes and definitive Bearer and Registered Notes held in a Clearing System (except those held in DTC) - Voting Certificate*

A holder of a Note (not being a Note in respect of which instructions have been given to the Paying Agent in accordance with paragraph 3(e)) represented by a Global Note or which is in definitive form and is held in an account with any Clearing System (except DTC) may procure the delivery of a Voting Certificate in respect of such Note by giving notice to the Clearing System (except DTC) through which such holder's interest in the Note is held specifying by name a person (an **Identified Person**) (which need not be the Noteholder himself) to collect the Voting Certificate and attend and vote at the meeting. The relevant Voting Certificate will be made available at or shortly prior to the commencement of the meeting by the Paying Agent against presentation by such Identified Person of the form of identification previously notified by such holder to the Clearing System (except DTC). The Clearing System (except DTC) may prescribe forms of identification (including, without limitation, a passport or driving licence) which it deems appropriate for these purposes. Subject to receipt by the Paying Agent from the Clearing System (except DTC), no later than 24 Hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes to be represented by any such Voting Certificate and the form of identification against presentation of which such Voting Certificate should be released, the Paying Agent shall, without any obligation to make further enquiry, make available Voting Certificates against presentation of the form of identification corresponding to that notified.

- (c) *Registered Global Notes held in DTC – Form of Proxy*

For so long as any of the Registered Notes is represented by a Global Note registered in the name of DTC or its nominee, DTC may mail an Omnibus Proxy to the relevant Issuer in accordance with and in the form used by DTC as part of its usual procedures from time to time in relation to meetings of Noteholders. Such Omnibus Proxy shall assign the voting rights in respect of the relevant meeting to DTC's direct participants as of the record date specified therein. Any such assignee participant may, by an instrument in writing in the English language signed by such assignee participant, or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the specified office of the Registrar or any Transfer Agent before the time fixed for the relevant meeting, appoint any person (a **sub-proxy**) to act on his or its behalf in connection with any meeting of Noteholders and any adjourned such meeting. All references to **proxy** or **proxies** in this Schedule other than in this paragraph shall be read so as to include references to **sub-proxy** or sub-proxies.

- (d) *Definitive Bearer Notes not held in a Clearing System - Block Voting Instruction*

A holder of a Bearer Note in definitive form which is not held in an account with any Clearing System (not being a Bearer Note in respect of which a Voting Certificate has been issued and is outstanding in respect of the meeting specified in such Block Voting Instruction) may require a Paying Agent to issue a Block Voting Instruction in respect of such Bearer Note by depositing such Bearer Note with such Paying Agent or (to the satisfaction of such Paying Agent) by procuring that, not less than 48 Hours before the time fixed for the relevant meeting, such Bearer Note is held to the Paying Agent's order or under its control, in each case on terms that no such Bearer Note will cease to be so deposited or held until the first to occur of:

- (i) the conclusion of the meeting specified in such Block Voting Instruction; and
- (ii) the surrender to the Paying Agent, not less than 48 Hours before the time for which such meeting is convened, of the receipt issued by such Paying Agent in respect of each such deposited or held Bearer Note which is to be released or (as the case may require) the Bearer Note or Bearer Notes ceasing with the agreement of the Paying Agent to be held to its order or under its control and the giving of notice by the Paying Agent to the Issuer in accordance with paragraph 3(h) hereof of the necessary amendment to the Block Voting Instruction,

and instructing the Paying Agent that the vote(s) attributable to the Bearer Note or Bearer Notes so deposited or held should be cast in a particular way in relation to the resolution or resolutions to be put to such meeting and that all such instructions are, during the period commencing 48 Hours prior to the time for which such meeting is convened and ending at the conclusion or adjournment thereof, neither revocable nor capable of amendment.

(e) *Global Notes and definitive Bearer and Registered Notes held in a Clearing System - Block Voting Instruction*

A holder of a Note (not being a Note in respect of which a Voting Certificate has been issued) represented by a Global Note or which is in definitive form and is held in an account with any Clearing System (except DTC) may require the Paying Agent to issue a Block Voting Instruction in respect of such Note by first instructing the Clearing System through which such holder's interest in the Note is held to procure that the votes attributable to such Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. Any such instruction shall be given in accordance with the rules of the Clearing System then in effect. Subject to receipt by the Paying Agent of instructions from the Clearing System (except DTC), no later than 24 Hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes in respect of which instructions have been given and the manner in which the votes attributable to such Notes should be cast, the Paying Agent shall, without any obligation to make further enquiry, appoint a proxy to attend the meeting and cast votes in accordance with such instructions.

(f) *Registered Notes in definitive form but not held in a Clearing System - appointment of proxy;*

- (i) A holder of Registered Notes in definitive form and not held in an account with any Clearing System may, by an instrument in writing in the English language (a **form of proxy**) signed by the holder or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the specified office of the Registrar or any Transfer Agent not less than 48 Hours before the time fixed for the relevant meeting, appoint any person (a **proxy**) to act on his or its behalf in connection with any meeting.

- (ii) Any proxy appointed pursuant to subparagraph (i) above shall so long as such appointment remains in force be deemed, for all purposes in connection with the relevant meeting, to be the holder of the Registered Notes to which such appointment relates and the holders of the Registered Notes shall be deemed for such purposes not to be the holder.
- (g) Each Block Voting Instruction, together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the relevant Paying Agent, and each form of proxy shall be deposited by the relevant Paying Agent or (as the case may be) by the Registrar or the relevant Transfer Agent at such place as the Trustee shall approve not less than 24 Hours before the time appointed for holding the meeting at which the proxy or proxies named in the Block Voting Instruction or form of proxy proposes to vote, and in default the Block Voting Instruction or form of proxy shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting proceeds to business. A copy of each Block Voting Instruction or form of proxy shall be deposited with the Trustee before the commencement of the meeting but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxy or proxies named in any such Block Voting Instruction or form of proxy.
- (h) Any vote given in accordance with the terms of a Block Voting Instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the Block Voting Instruction or form of proxy or of any of the instructions of the relevant holder or the relevant Clearing System (as the case may be) pursuant to which it was executed provided that no intimation in writing of such revocation or amendment has been received from the relevant Paying Agent (in the case of a Block Voting Instruction) or from the relevant Noteholder (in the case of a proxy appointed pursuant to paragraph 3(c) or 3(e)) by the Issuer at its registered office (or such other place as may have been required or approved by the Trustee for the purpose) by the time being 24 Hours (in the case of a Block Voting Instruction or form of proxy) or 48 Hours (in the case of a proxy) before the time appointed for holding the meeting at which the Block Voting Instruction or form of proxy is to be used.

CONVENING OF MEETINGS, QUORUM AND ADJOURNED MEETINGS

- 4. The relevant Issuer or the Trustee may at any time, and the relevant Issuer shall upon a requisition in writing in the English language signed by the holders of not less than 10 per cent. in nominal amount of the Notes of any Series for the time being outstanding, convene a meeting and if the Issuer makes default for a period of seven days in convening such a meeting the same may be convened by the Trustee or the requisitionists. Whenever the relevant Issuer is about to convene any such meeting the relevant Issuer shall forthwith give notice in writing to the Trustee of the day, time and place thereof and of the nature of the business to be transacted thereat. Every such meeting shall be held at such time and place (which may be held at a physical location, or via an electronic platform (such as a conference call or videoconference) or by a combination of such methods) as the Trustee may appoint or approve in writing.
- 5. At least 21 Clear Days' notice specifying the place (which may be held at a physical location, or via an electronic platform (such as a conference call or videoconference) or by a combination of such methods), day and hour of meeting shall be given to the Noteholders prior to any meeting in the manner provided by Condition 14. Such notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the meeting thereby convened and, in the case of an Extraordinary Resolution, shall either specify in such notice the terms of such resolution or state fully the effect on the Noteholders of such resolution, if passed. Such notice shall include statements as to the manner in which Noteholders may arrange for Voting Certificates or Block Voting Instructions to be issued and, if applicable, appoint proxies. A copy of the notice shall be sent

by post to the Trustee (unless the meeting is convened by the Trustee) and to the relevant Issuer (unless the meeting is convened by the Issuer).

6. A person (who may but need not be a Noteholder) nominated in writing by the Trustee shall be entitled to take the chair at the relevant meeting, but if no such nomination is made or if at any meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the meeting the Noteholders present shall choose one of their number to be Chairman, failing which the relevant Issuer may appoint a Chairman. The Chairman of an adjourned meeting need not be the same person as was Chairman of the meeting from which the adjournment took place.
7. At any such meeting one or more Eligible Persons present and holding or representing in the aggregate not less than one-twentieth of the nominal amount of the Notes for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business (including the passing of an Ordinary Resolution) and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of the relevant business. The quorum at any such meeting for passing an Extraordinary Resolution shall be one or more Eligible Persons present and holding or representing not less than a clear majority in nominal amount of the Notes for the time being outstanding.
8. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Noteholders be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 Clear Days nor more than 42 Clear Days, and to such place (which may be held at a physical location, or via an electronic platform (such as a conference call or videoconference) or by a combination of such methods) as may be appointed by the Chairman either at or subsequent to such meeting and approved by the Trustee). If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either (with the approval of the Trustee) dissolve such meeting or adjourn the same for such period, being not less than 13 Clear Days (but without any maximum number of Clear Days), and to such place (which may be held at a physical location, or via an electronic platform (such as a conference call or videoconference) or by a combination of such methods) as may be appointed by the Chairman either at or subsequent to such adjourned meeting and approved by the Trustee, and the provisions of this sentence shall apply to all further adjourned such meetings.
9. At any adjourned meeting one or more Eligible Persons present (whatever the nominal amount of the Notes so held or represented by them) shall (subject as provided below) form a quorum and shall have power to pass any resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present PROVIDED THAT at any adjourned meeting the quorum for the transaction of business comprising any of the following matters (each of which shall only be capable of being effected after having been approved by Extraordinary Resolution) namely:
 - (a) modification of the date (if any) fixed for final maturity of the Notes or reduction of the amount of principal payable on any such date;

- (b) reduction or cancellation of the principal payable on the Notes or the exchange or conversion thereof as contemplated by paragraph 19(i) hereof or the minimum rate of interest payable thereon;
- (c) reduction of the amount payable or modification of the method of calculating the amount payable or modification of the date of payment in respect of any interest;
- (d) alteration of the currency in which payments under the Notes or Coupons are to be made;
- (e) alteration in any manner of the provisions of Clauses 6 or 8 or Conditions 3, 9 or 10;
- (f) alteration of the majority required to pass an Extraordinary Resolution; and
- (g) alteration of this proviso;

the quorum shall be one or more Eligible Persons present and holding or representing in the aggregate not less than one-third of the nominal amount of the Notes for the time being outstanding.

10. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 5 and such notice shall state the required quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

CONDUCT OF BUSINESS AT MEETINGS

11. Every question submitted to a meeting shall be decided in the first instance by a show of hands. A poll may be demanded (before or on the declaration of the result of the show of hands) by the Chairman, the relevant Issuer, the Trustee or any Eligible Person (whatever the amount of the Notes so held or represented by him).
12. At any meeting, unless a poll is duly demanded, a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
13. Subject to paragraph 15, if at any such meeting a poll is so demanded it shall be taken in such manner and, subject as hereinafter provided, either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
14. The Chairman may, with the consent of (and shall if directed by) any such meeting, adjourn the same from time to time and from place to place; but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.
15. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
16. Any director or officer of the Trustee, its lawyers and financial advisors, any director or officer of the relevant Issuer, its lawyers and financial advisors, any director or officer of any of the Paying Agents and any other person authorised so to do by the Trustee may attend and speak at any meeting. Save as aforesaid, no person shall be entitled to attend and speak nor shall any person be entitled to

vote at any meeting unless he is an Eligible Person. No person shall be entitled to vote at any meeting in respect of Notes which are deemed to be not outstanding by virtue of the proviso to the definition of "outstanding" in Clause 1.

17. At any meeting:
- (a) on a show of hands every Eligible Person present shall have one vote; and
 - (b) on a poll every Eligible Person present shall have one vote in respect of each £1 or such other amount as the Trustee may in its absolute discretion stipulate (or, in the case of meetings of holders of Notes denominated in another currency, such amount in such other currency as the Trustee in its absolute discretion may stipulate), in nominal amount of the Notes held or represented by such Eligible Person.

Without prejudice to the obligations of the proxies named in any Block Voting Instruction or form of proxy, any Eligible Person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

18. The proxies named in any Block Voting Instruction or form of proxy need not be Noteholders. Nothing herein shall prevent any of the proxies named in any Block Voting Instruction or form of proxy from being a director, officer or representative of or otherwise connected with the relevant Issuer.
19. A meeting shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 7 and 9) namely:
- (a) Power to sanction any compromise or arrangement proposed to be made between the relevant Issuer and the Noteholders, Receipholders, Couponholders and Talonholders or any of them.
 - (b) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Noteholders, Receipholders, Couponholders and Talonholders against the relevant Issuer or against any of its property whether such rights shall arise under these presents or otherwise.
 - (c) Power to assent to any modification of the provisions contained in these presents which shall be proposed by the relevant Issuer or the Trustee.
 - (d) Power to give any authority or sanction which under the provisions of these presents is required to be given by Extraordinary Resolution.
 - (e) Power to appoint any persons (whether Noteholders or not) as a committee or committees to represent the interests of the Noteholders and to confer upon such committee or committees any powers or discretions which the Noteholders could themselves exercise by Extraordinary Resolution.
 - (f) Power to approve of a person to be appointed a trustee and power to remove any trustee or trustees for the time being of these presents.
 - (g) Power to discharge or exonerate the Trustee from all liability in respect of any act or omission for which the Trustee may have become responsible under these presents.

- (h) Power to authorise the Trustee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution.
 - (i) Power to sanction the exchange of the Notes for or the conversion of the Notes into shares, stock, bonds, notes, debentures, debenture stock or other obligations or securities of the relevant Issuer or any other body corporate formed or to be formed or any other person or entity.
20. Any resolution passed at (i) a meeting of the Noteholders duly convened and held in accordance with these presents, (ii) passed as a resolution in writing in accordance with these presents or (iii) passed by way of electronic consents given by holders through the relevant Clearing System(s) shall be binding upon all the Noteholders whether or not present or whether or not represented at such meeting and whether or not voting and upon all Receiptholders and Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Noteholders shall be published in accordance with Condition 14 by the relevant Issuer within 14 days of such result being known, PROVIDED THAT the non-publication of such notice shall not invalidate such result.
21. Minutes of all resolutions and proceedings at every meeting shall be made and entered in books to be from time to time provided for that purpose by the relevant Issuer and any such minutes as aforesaid, if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings transacted, shall be conclusive evidence of the matters therein contained and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed or transacted.
22. (a) If and whenever the relevant Issuer has issued and has outstanding Notes of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:
- (i) a resolution which in the opinion of the Trustee affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;
 - (ii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;
 - (iii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the Holders of the Notes of Series or group of Series so affected and the Holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the Holders of the Notes of each Series or group of Series so affected; and
 - (iv) to all such meetings all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes and Holders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.

- (b) If the relevant Issuer has issued and has outstanding Notes which are not denominated in pounds sterling, or in the case of any meeting of Notes of more than one currency, the principal amount of such Notes shall
- (i) for the purposes of paragraph 4, be the equivalent in pounds sterling at the spot rate of a bank nominated by the Trustee for the conversion of the relevant currency or currencies into pounds sterling on the seventh dealing day prior to the day on which the requisition in writing is received by the relevant Issuer; and
 - (ii) for the purposes of paragraphs 7, 9 and 17 (whether in respect of the meeting or any adjourned such meeting or any poll resulting therefrom), be the equivalent at such spot rate on the seventh dealing day prior to the day of such meeting.

In such circumstances, on any poll each person present shall have one vote for each £1 (or such other pound sterling amount as the Trustee may in its absolute discretion stipulate) in principal amount of the Notes (converted as above) which he holds or represents.

23. Subject to all other provisions of these presents the Trustee may (after consultation with the relevant Issuer where the Trustee considers such consultation to be practicable but without the consent of the relevant Issuer, the Noteholders, the Receiptholders or the Couponholders) prescribe such further or alternative regulations regarding the requisitioning and/or the holding of meetings (including, without limitation, the requisition and/or holding of meetings by audio or video conference call), and attendance and voting thereat as the Trustee may in its sole discretion think fit (including, without limitation, the substitution for periods of 24 Hours and 48 Hours referred to in this Schedule of shorter periods). Such regulations may, without prejudice to the generality of the foregoing, reflect the practices and facilities of any relevant Clearing System. Notice of any such further or alternative regulations may, at the sole discretion of the Trustee, be given to Noteholders in accordance with Condition 14 at the time of service of any notice convening a meeting or at such other time as the Trustee may decide.
