

The Baltic Ports Organization is an active regional ports organization inspiring and supporting its members while cooperating pro-actively with relevant partners.

Currently, included in BPO are 45 of the most significant ports in the nine countries surrounding the Baltic Sea as well as seven friendship members.

BPO is well-recognized within the BSR, in EU bodies and other European regions. The organization's mission is to contribute to economic, social and environmental sustainable development of maritime transport and the port industry in the Baltic Sea region, thereby strengthening its global competitiveness.

Currently, the most significant subject for BPO is LNG and sewage from passenger ships.

BPO is registered in Estonia (Port of Tallinn headquarter) and operates according to the Estonian Law on Non-profit Associations.
