GROW

DEVELOP

EARLY DEVELOPMENT IS FUNDAMENTAL TO THE GROWTH OF YOUR CHILD.

We provide children with a safe and caring environment that allows them to explore and enhance their social, emotional, & cognitive learning abilities. We equip children with the basic knowledge needed to prepare them for Kindergarten as well as lifelong learning. We will nurture their creative minds and identify each individual child's behavioral profiles.

STRUCTURED CARING

Our stimulating learning centers are established throughout the day care. This includes; creative art, cognitive, dramatic plays, blocks, science and nature, music, cultures, and sensory.

ACTIVE LEARNING

Group and individual activities encourage positive social interaction and essential turn-taking and sharing skills. Language experiences are implemented daily to promote early literacy and language development.

A NURTURING AND CREATIVE WORLD

Our day care is organized to suit for both the tender infants and active toddlers alike.

We have vast amount of Montessori elements, with many indoor activities. Among our activities are singing, exciting challenges, games and crafts. You will be rest assured that we maintain a very high standard of safety and cleanliness at our day care facility.

At BrightEyesKids, our children will enjoy a structured schedule that allows for flexibility. A schedule helps the day flow smoothly and lets the children know what to expect each day.
