[Thank you for visiting!](#)

From the Aran Sweater to the Zig Zag Stitch, the love of needlework is this alphabet's theme. Each letter block represents a unique stitching pleasure possessed by the hearts and hands of stitchers everywhere.

Letter Blocks are 31 x 36 stitches each.

They can be stitched, beaded, and embellished as individual motifs or stitched together on your fabric of choice to create a Stitcher's Sampler.

The model pictured here was stitched over two threads on 28 count Tea-Dyed Monaco by Charles Craft.

Finished dimensions will vary depending on fabric count and placement of the blocks in the composition.

Cross Stitch & Bead: If stitching on 14 to 18 count fabric, use 2 strands of floss to cross stitch and also bead the motif. If you have trouble threading a beading needle with 2 strands of floss, put 1 strand of floss through the eye and pull the end down so there are 2 working strands.

Back Stitch: Using 3 strands of DMC White floss and 2 strands of DMC 3032, back stitch the sweater as charted.

You will also need DMC 3032 to back stitch the sweater.
