GG GIFT CARD GRANNY

Consumer Solutions

As the grandmother of all gift cards, our goal is to help you make the best decision when it comes to shopping for gift cards. Whether buying custom Visa gift cards with your photo, personalizing your gift with a handwritten greeting card, or shopping at our favorite brands, our team is dedicated to helping you find the perfect personalized gift for your recipients.

Fulfillment

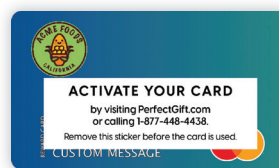

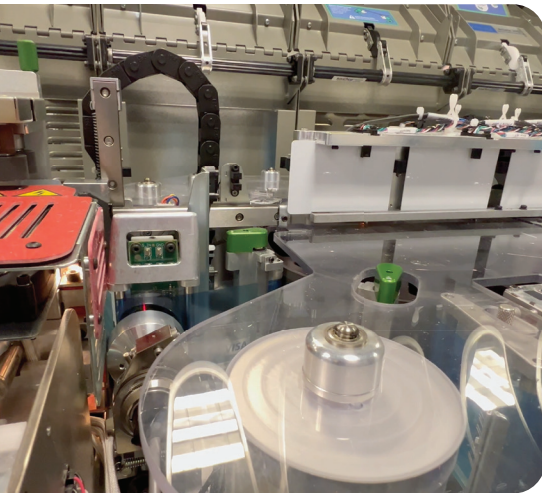

See it in action

All of our Visa/Mastercards, and many of our other brands of cards are produced in house. This means that unlike most vendors who outsource printing, we control our supply lines and can ship right away.

Getting your cards to you as quickly as you need them is a cornerstone of our business, and we're very proud to be #1 in speed.

Additionally, we are the **only** gift card company equipped with state-of-the-art handwriting robots that allow you to give your greeting card messages even greater personalization.

Carriers

Carriers are included in the price of any Visa/Mastercard. You can also customize the carrier and add a personal message to the recipient.

Greeting Cards

Take personalization to the next level with hand-written messages, upload a custom design or choose one of our predesigned greeting card options for any occasion.

Activation Stickers

If your card recipients are going to activate cards themselves, the activation sticker is the best way, providing easy to follow instructions.

Bulk Packaging

Bulk packaging separates activation stickers from cards, allowing your card design to be uninterrupted. Perfect for when you want to showcase your brand.

Closed-Loop Cards

Take advantage of our bulk pricing on closed-loop gift cards to maximize your reward dollars.

Custom Carriers

Add your logo to an existing carrier or upload a custom design.

This 8.5x11" Z-Fold carrier is the perfect way to deliver your reward cards with care and provide helpful tips and details to all recipients.

Stock Greeting Cards

PerfectGift offers a delightful selection of pre-designed greeting cards, perfect for every occasion. From birthdays to holidays, our cards add a personal touch to your thoughtful gifts. Choose from our wide range and make your gift-giving moments even more special!

Custom Greeting Cards

Customer Testimonials

“The entire team at PerfectGift are amazing and 5 STAR. Their service level and products they offer, and produce are second to none. I am so pleased with them. Each week they produce large quantities of personal gift cards and mailings. 99% of the orders go out the same day. Not sure how they do it but, very impressed with them!!”

- **Greg D. Balan**, *Allied Printing Company, Inc.*

“We were looking for a new idea to incentivize our customers to buy our candy deals. The website was easy to use, Rebecca called me and walked me through all options, which was a huge help. We picked the best option for us, ordered the product, and it was shipped; all done with a very short lead time. PerfectGift kept me informed on every step throughout the process. Customer service, quality product, timely delivery, and ease of system use is what we needed. It was exactly what we received! Bottom line, the program was a huge success for us and our customers. HIGHLY recommend PerfectGift!”

- **Mark E. Parlin**, *Perfetti Van Melle USA Inc*

“Pam Molinaro, our PerfectGift relationship manager, has helped our company by increasing the employee engagement of our remote workforce through use of digital gift cards. Pam is responsive to my questions, helps me think of creative solutions, troubleshoots technical issues, and has been an invaluable partner. It’s so refreshing to work with someone who is totally dedicated to customer service and goes above and beyond to help.”
