

Application form for sole traders

COUTTS ONLINE

Coutts

1. Client details

Complete the sole trader name that Coutts Online will operate under together with the address, postcode and country details.

2. Accounts to be added

List the account names and numbers of all the accounts that are to be reported on the Coutts Online service. These accounts must belong to the legal entity as named above, although accounts belonging to a different legal entity (third party accounts) can be added by completing a Third Party Application Form. If you wish to add more accounts then a continuation form can be found on our website coutts.com or requested from your Banker.

3. Coutts Online administrator details

The administration role is essential for the smooth running of Coutts Online. Details for at least one administrator must be completed, but we recommend that you complete the details for more. We strongly recommend that dual administration is selected and that you complete the details for at least three administrators.

Select a username for the administrator; this must be between six and ten characters and include at least one number. Complete the administrator's title, name, email address and phone number.

The audit facility allows the user to search the Coutts Online database for their audit records. If the user should have access to this information then select 'Yes', if not then select 'No'.

Dual administration is strongly recommended as it is a security measure which requires the approval of two administrators for all changes made to users' approval limits or increases to their access rights. Dual administration is set individually for each administrator, so please indicate here whether this administrator can act independently (select No), or together with another administrator (select Yes).

If an administrator has a smartphone, they can use this as their personal security device, known as CouttsID, instead of a card and reader.

Please provide their preferred email address and mobile number if you would like to do this.

Please note: CouttsID will automatically provide access to Coutts Mobile Banking.

5. Declaration and signature(s)

To be signed by the sole trader. Copies of the Online Service Terms are available at coutts.com/onlineterms or from your Banker. We would draw your attention to clause 1, paragraph C. (Appointment of User(s) and Administrator(s)), which outlines the responsibilities of the administrator, and in particular, their ability to allocate access to the account(s) to other users.
