What is [Emergency Notification System Powered by Everbridge?

Custer County will use Everbridge to make sure you know about public safety issues and community events

How Does the System Work?

Everbridge sends a message through your primary contact path. If you don't confirm receipt of the message, the system will try to reach your second contact path and continues trying to reach you until you confirm receipt.

Severe Weather Example:

- 1. Severe weather is rapidly approaching.*
- 2. System contacts thousands of residents instantly by phone, fax, email, SMS, push notification and more.*
- 3. Recipients receive instructions for safety precautions and evacuation.*

How Are Alerts Sent?

- *Receive alerts via:*
 - + Home, Cell, or Business Phone
 - + Email
 - + Hearing Impaired Receiving Devices
 - + Push Notifications
