

WHERE THEY WERE FOUND

State and local officials have released more information about where Hurricane Katrina victims were found. Orleans Parish, like St. Bernard and Jefferson, is now providing detailed information that pinpoints where bodies were. The official Katrina-related death toll for Louisiana now stands at 1,073.

BODIES RECOVERED:

- 1
- 2-4
- 5-10
- 11-19
- 20 or more

Largest dots include hospitals, nursing homes and body drop-off areas

STORM FACTORS:

- Areas flooded*
- Levees/floodwalls
- Breaches
