### About Flashing Lights

Flashing Lights is a single player and multiplayer emergency services simulator focusing on police, firefighters and emergency medical services. Enrolling with one of three departments, players will take on unique missions and rewards in an open world. Players will engage in desperate car chases, diagnose life-threatening injuries, and put out lethal fires. Each department has its own vehicles, equipment and abilities for players to take control of.

### **About the Developer - Nils Jakrins' Team**

Flashing Lights is Nils' debut game, and is inspired directly by his own passions. Having wanted to play an open world multiplayer emergency simulator with friends, Nils took the idea into his own hands and began working on Flashing Lights in his spare time. Now, having been signed on by Excalibur Games, Nils is working full time to release Flashing Lights in Early Access on 18th May 2018, as part of a team.

### **About Excalibur**

Excalibur Games is the publishing arm of parent company Contact Sales Ltd, which was founded in 1997.

Excalibur Games has moved forward to release its own original products, in addition to widely recognised licensed titles.

European Ship Simulator, World Ship Simulator, Better Late Than DEAD and Counter Terrorism Unit have all been published digitally on Steam, and physically for retailers.

Excalibur has worldwide Microsoft™ Xbox One, Sony™ Playstation 4 and Nintendo™ Switch publisher status.

Excalibur will also continue to license high-end simulation franchises such as Euro Truck Simulator and American Truck Simulator, from highly acclaimed developer SCS Software.
