

FENDER®
GENUINE REPLACEMENT NECK AND BODY
1-YEAR LIMITED WARRANTY

Fender Musical Instruments Corporation ("FMIC") warrants this Fender replacement neck/body to be free from defects in materials and workmanship for one (1) year from the date of purchase to the original retail purchaser, subject to the limitations set forth herein. This warranty is applicable only when the replacement neck/body is purchased from an authorized Fender dealer and requires the purchaser to supply a copy of the original proof of purchase (original sales receipt with his/her name indicated as the purchaser, thereon) at the time service is requested.

Repair service of defects covered by this warranty can be performed only at an Authorized FMIC Service Center, as designated by FMIC. Remedies beyond normal service repair of any Fender replacement neck/body require both an evaluation of the defect and a direct recommendation from an Authorized FMIC Service Center for alternative considerations. A network of authorized service centers has been established for warranty service. Your Authorized Fender Dealer may also be authorized for warranty service and should be the first point of contact when service of any kind is required for your Fender replacement neck/body.

All transportation, insurance and freight charges associated with warranty service and repairs on Fender guitars are the responsibility of the purchaser, as is any service initiated for the purpose of customizing adjustments beyond factory specifications. All setup and adjustment after installation is the responsibility of the consumer.

This replacement neck/body should be installed only on the matching model counterpart. FMIC cannot guarantee the fit of the neck/body, if it is not installed on such matching model counterpart. Some modifications to neck/body may be necessary, to ensure proper fit. Installation and modifications should be performed only by an experienced, qualified luthier. Improper installation or modification will void this warranty.
