Mr. Dudley® by GESSNER™

Wooden peppermills feature carbon steel grinding mechanisms for the best grind

Since its introduction over 65 years ago, the iconic Mr. Dudley® brand has become a foodservice industry standard. Mr. Dudley wood, acrylic, and stainless steel peppermills, salt grinders, and salt shakers are built for heavy duty, long term use by chefs, servers, and guests alike. The Mr. Dudley line includes styles, colors, and price points to meet every restaurateur's needs.

- All peppermills are fully adjustable from fine to course grinds.
- Easy filling and assembly.
- Heavy duty grinding mechanisms – built to last!
- Peppermills are packaged in bubble bags and corrugated boxes that are individually shippable.

Fresh ground pepper & salt are increasingly popular
