Proposal 2: Partial amendments to the Articles of Incorporation

1. Reasons for the amendments
 - (1) From the perspective of further enhancing corporate governance by strengthening the supervisory functions of the Board of Directors, necessary amendments are being made to the provisions of the Articles of Incorporation in order to adopt a system of a Company with Audit and Supervisory Committee by making use of the functions of external directors who do not execute the Company’s business with the aim of improving the corporate value in the medium-to-long term.
 - (2) The Company will facilitate the attendance of many shareholders, including those in remote areas, to make a shareholders meeting active, efficient and smooth, while at the same time contributing to measures against the spread of infectious diseases such as COVID-19, which secures interests of shareholders. For these purposes, partial amendments are being made to the provisions of the Articles of Incorporation in order to enable a fully electronic shareholders meeting (a so-called virtual-only shareholders meeting) to be held. (Proposed amendments to Article 11)
