

Logging into Partner Advantage portal for the first time

Quick Reference Guide

This overview of Google Cloud Partner Advantage is for informational purposes and does not amend or supplement any written agreements between you and Google. If you have questions about Google Cloud Partner Advantage terms, please see the [Program Overview page](#) for more information. Google Cloud Partner Advantage benefits are subject to change.

Logging into Partner Advantage portal for the first time

The process of logging in to Partner Advantage portal will be slightly different depending on whether your work email is associated with a Google Account. When you have a Google Account, you can access the portal using a more secure single sign-on (SSO). If you do not have a Google Account you will not be able to access the portal.

Follow the instructions that match your case:

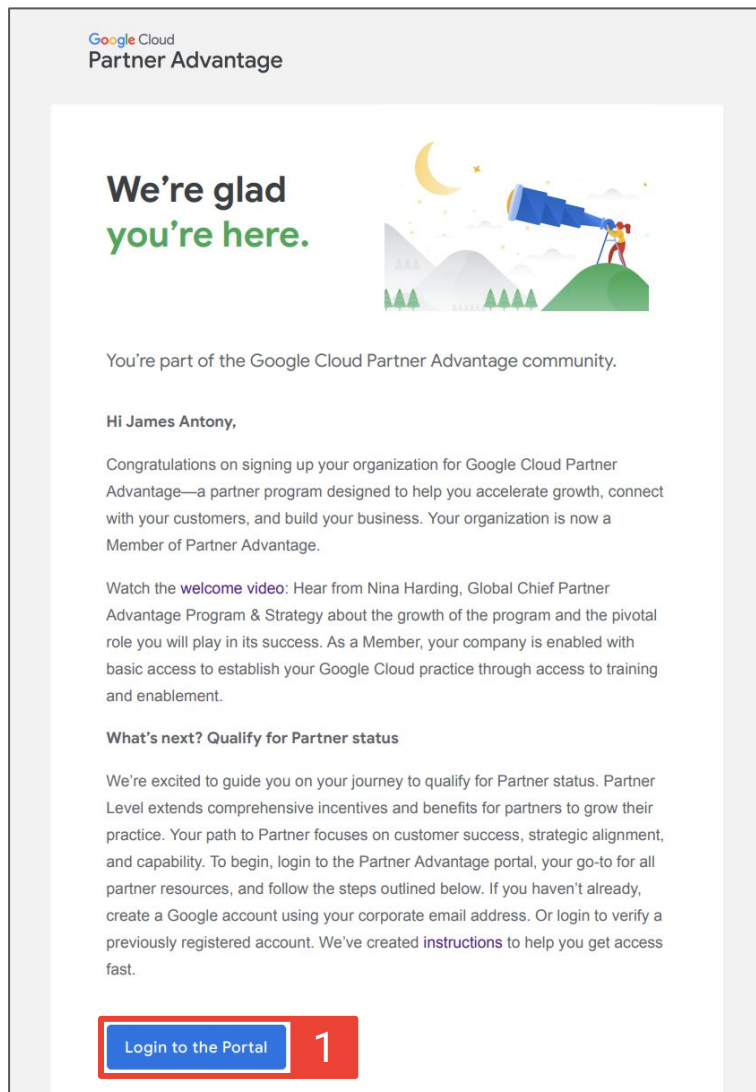

- [Work email is NOT associated with a Google Account](#)
- [Work email is associated with a Google Account](#)

Your work email is email address tied to the domain that is associated with your Partner Advantage account. This was set up as part of the Enrollment process.

Don't know if you have a Google Account? No problem. Follow the steps on [slide 4](#). The system will perform an automatic check on your email address and let you know if it is currently associated to a Google Account.

If work email is NOT associated with a Google Account

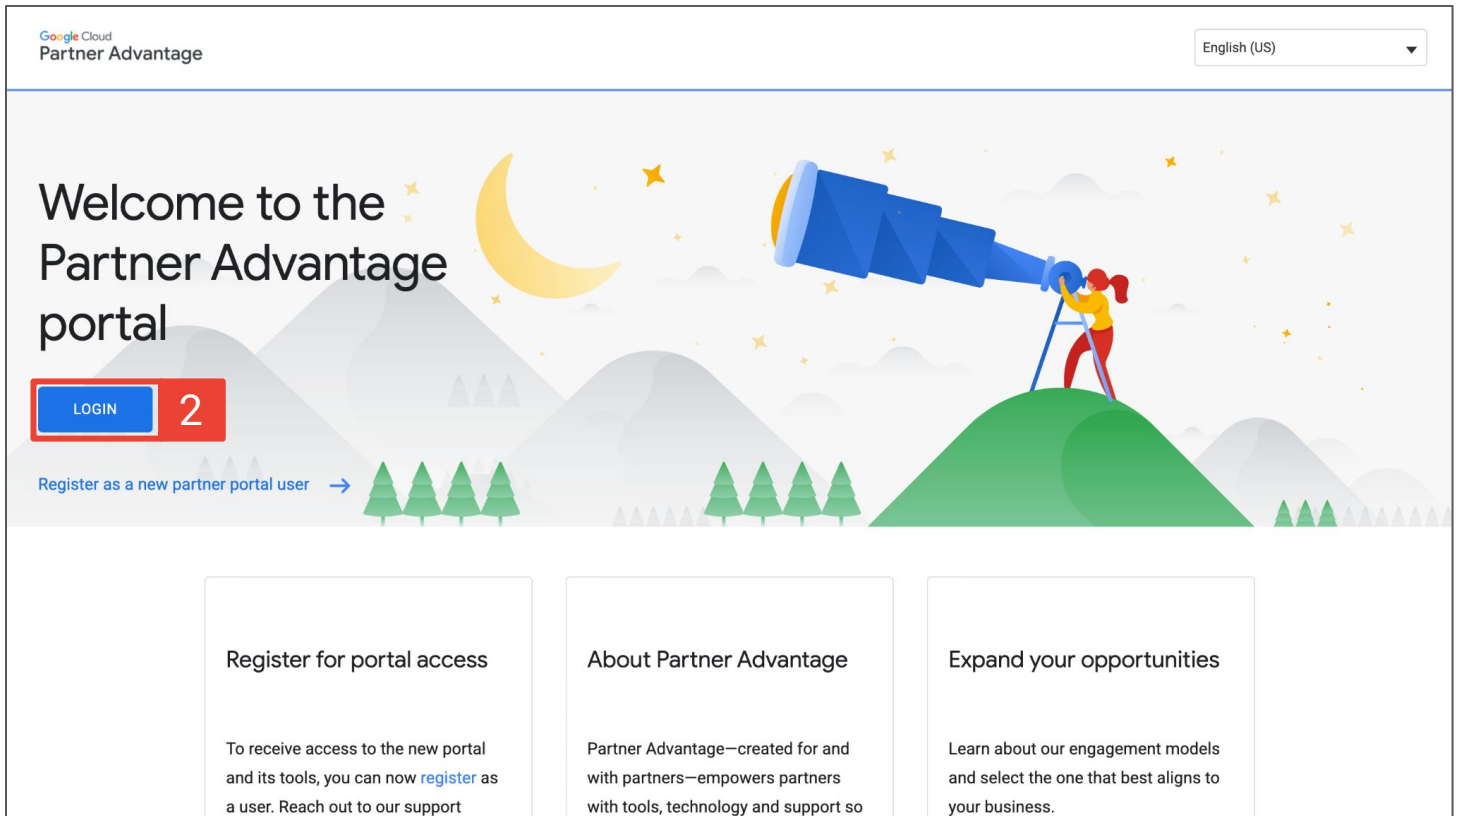

1. Open welcome email and click the **Login to the Portal** button.
NOTE: Your welcome email may look different. Regardless, click on the link that takes you to the Partner Advantage portal.

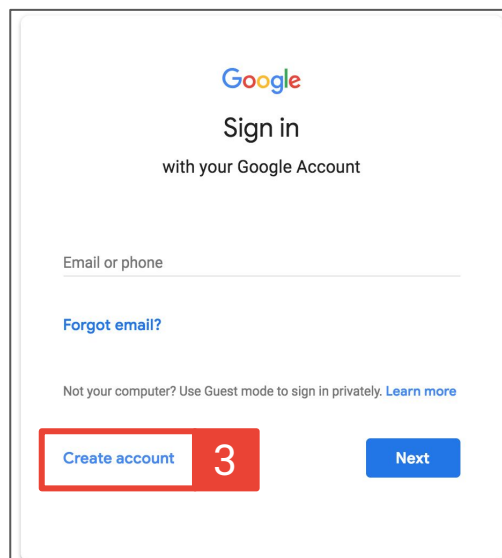

Note: If you don't see your welcome email, check your spam folder and be sure to mark as "not spam".

If work email is NOT associated with a Google Account

2. Click on the **Login** button.
3. Google single sign-on will appear. Click **Create account**.

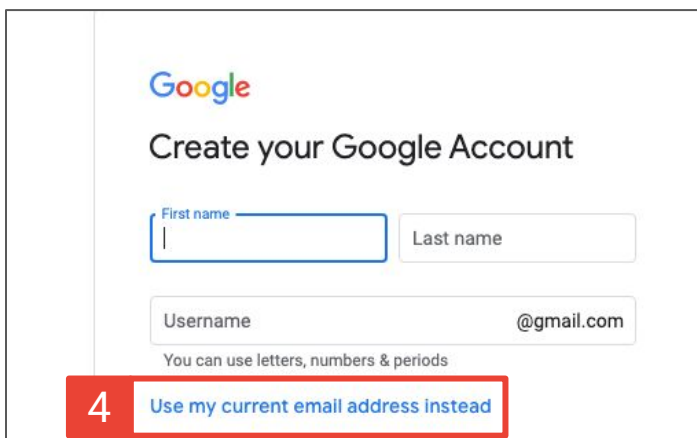

The screenshot shows the Google Cloud Partner Advantage portal. At the top left is the Google Cloud logo and 'Partner Advantage'. At the top right is a language dropdown menu set to 'English (US)'. The main header features the text 'Welcome to the Partner Advantage portal' and a 'LOGIN' button with a red '2' next to it. Below the header is a navigation bar with the text 'Register as a new partner portal user' and a right-pointing arrow. The main content area contains three columns: 'Register for portal access' (with subtext about receiving access and registering), 'About Partner Advantage' (with subtext about partner empowerment), and 'Expand your opportunities' (with subtext about engagement models).

The screenshot shows the Google single sign-on page. At the top is the Google logo, followed by 'Sign in with your Google Account'. Below this is an input field for 'Email or phone'. There is a link for 'Forgot email?'. A note says 'Not your computer? Use Guest mode to sign in privately. Learn more'. At the bottom, there is a 'Create account' button with a red '3' next to it, and a 'Next' button.

If work email is NOT associated with a Google Account

4. Rather than entering a Gmail address, click **Use my current email address instead**. Then fill out any other required fields.
5. **Agree** to Privacy and Terms to access the [Partner Advantage portal](#).
6. Once you have created your account, follow the steps on [slide 6](#).

Combining data
We also combine this data among our services and across your devices for these purposes. For example, depending on your account settings, we show you ads based on information about your interests, which we can derive from your use of Search and YouTube, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

You're in control
Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data now by clicking "More Options" below. You can always adjust your controls later or withdraw your consent for the future by visiting My Account (myaccount.google.com).

If you already have a Google Account

1. Open welcome email and click the **Login to the Portal** button. NOTE: Your welcome email may look different. Regardless, click on the link that takes you to the Partner Advantage portal.
2. Click on **your name** in the Google Account single sign-on to access the [Partner Advantage portal](#).

Note: If you don't remember your password you can click **Forget password?** to trigger a reset password email for your account.

The diagram illustrates the login process. It starts with a welcome email from Google Cloud Partner Advantage. A red box highlights the "Login to the Portal" button, with a red arrow pointing to the "Choose an account" sign-in screen. In the sign-in screen, a red box highlights the user's name "Annette Tester" and email "annette@renegadepublichealth.com", with a red arrow pointing to the Partner Advantage portal homepage. The portal homepage features a search bar, navigation menu, and a "Google Cloud Accelerate22" banner.

Still having issues accessing the Partner Advantage portal?
