axeptio

Axeptio for Google Customers

With over 11 million consents managed per day, Axeptio is the most user-friendly and law-compliant consent management platform in Europe and internationally. Our goal: to provide your visitors with a respectful consent experience, valuing their choice and privacy.
Axeptio provides 2 CMPs to best meet your needs: Axeptio for Brands - the CMP offering the best User Experience and serving brand preference, and Axeptio for Publishers - the CMP dedicated to Revenue Optimization and compliant with TCF v2.2 by IAB.

Value Proposition

Why should customers choose Axeptio

- Conversational UI with full personalization:customizable logo, typography, colors, and buttons
- Compatible with all CMS and no-code website builders
- Easy integration thanks to our numerous plugins: WordPress, Prestashop, Shopify, Adobe commerce, Webflow,...
- Shake: The most powerful vendor and tracker scanner
- Connectors with main analytics solutions and subscription platforms
- Powerful statistics and API with a user-friendly console
- Universal Consent for Logged-in Users and Multi-Domains
- Uses cases : https://www.axept.io/customer-stories
