

Google Workspace for Education

Foundational tools for teaching and learning

Education Fundamentals is a suite of easy-to-use tools – available at no charge* – that provides a flexible and secure foundation for learning, collaboration, and communication.

Boost collaboration

Make it easy and seamless for everyone in your school community to collaborate, communicate, and participate in real time.

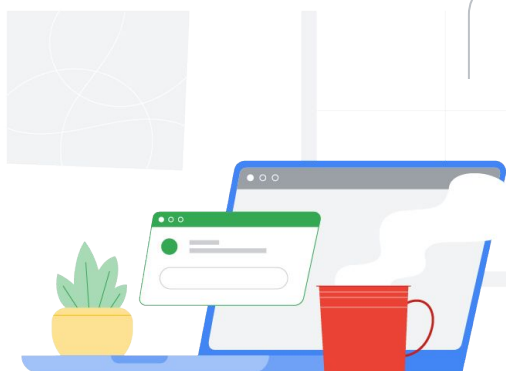

Amplify productivity

Save time by creating, organizing, sharing, and grading coursework all in one place. With a single sign-on, educators and students can access all of their files on any device.

Enable digital learning on a secure platform

Rely on best-in-class, multi-layered security with built-in and automated features that simplify security management.

+170 million

students and educators around the world use Google Workspace for Education.

Google Workspace for Education

Make every minute of learning count

Education Fundamentals is a suite of tools available at no charge that enables collaborative learning opportunities on a secure platform – featuring Google Drive, Docs, Classroom, Forms, Slides, Meet, Gmail, Calendar, and more.

Collaborate

- Collaborate in real time with Google Docs, Sheets, Slides, and Sites
- Communicate with learners, educators, guardians, and administrators from anywhere with Google Meet and Gmail
- Join virtual meetings directly from a Google Calendar event, email invite, Gmail, Docs, Sheets, Slides, or Google Classroom
- Enable an inclusive learning environment with accessibility settings that fit each student's unique learning style
- Provide students with tools that are optimized for low-bandwidth and work offline

Productive

- Help educators save time with Classroom and Assignments by easily creating courses, organizing classwork, distributing tests, and sharing rich feedback
- Keep grading and feedback consistent and transparent with rubrics and a comment bank
- Help educators streamline workloads by posting and scheduling coursework and building to-do lists in Classroom
- Offer more personal learning experiences and simpler setup for admins with integrated apps and extensions that work seamlessly with Google for Education

Secure

- Rely on **robust privacy and security protections** that support global education compliance requirements
- Provide an **ad-free** environment across Google Workspace for Education apps
- **Institutions own their data** and admins have full control and visibility to manage their Google Workspace for Education data
- View potential security threats against your domain in the Alert center
- Monitor and prevent unsafe practices with log events of user and administrator activity

Get the storage you need

Rely on ample storage with 100 TB of pooled cloud storage shared by your organization.

Upgrade for premium capabilities

Choose the edition that's right for your institution:

[Education Standard](#) for advanced security and analytics

[Teaching and Learning Upgrade](#) for tools to personalize learning and improve efficiency

[Education Plus](#) for an all-in-one solution with advanced security and tools to enrich learning.
