

# TRANSFORM TO A CLOUD-CONNECTED ENTERPRISE WITH INFOSYS AND ORACLE

Infosys and Oracle leverage [Infosys Cobalt](#) to maximize the potential of Oracle cloud applications and infrastructure to drive your business value.

## 1

### We transform your business.

Our instantaneous, data-driven insights power intuitive decision-making and help you bring greater value to your organization.

A global technology manufacturer optimized its operations with a **connected, observable, and sentient** inventory visibility platform.

A multinational manufacturing conglomerate reimagined its field service—leading to **greater efficiency** and **reduced downtime**.

An Australian financial services company processed **80% to 90%** of its applications online using an innovative platform for home loans.

## 2

### We transform your infrastructure.

Whether developing new business models or gaining flexibility in cloud services procurement, you get everything you need for a cloud-connected transformation, all in one place.

A large bank modernized its database using Oracle Cloud Infrastructure (OCI), boosting performance by **up to 30%**.

A global conglomerate revamped its infrastructure, resulting in a highly scalable, secure framework that **improved speed to market**.

A global higher education institution migrated to cloud from a legacy enterprise resource planning (ERP) system, which helped realize savings of **45% in infrastructure costs** and **50% in database licenses**, and **improved operational efficiency by 30%**.

## 3

### We transform your experience.

The Infosys-Oracle alliance provides end-to-end support for enterprise experience transformation, with a special focus on change management.

A leading financial services company in India integrated multiple touchpoints across 200 branches, **boosting revenues** from digital channels **by 10%**.

A country's local authority transformed finance, supply chain, and payroll in a single Oracle cloud platform, leading to a **superlative user experience**.

A large bank in Australia developed an integrated customer relationship management (CRM) platform on Oracle Cloud CX to deliver a **hyper-personalized, omnichannel experience**.

Contact us at [Oracle\\_marketing@infosys.com](mailto:Oracle_marketing@infosys.com). now to reimagine your business realities and transform to a cloud-connected enterprise with **Infosys** and **Oracle**.
