- 4 ¼" x 5 ¾" Delightful Dijon cardstock, scored at 5 ½"
- 8 ½" x 4 ¼" Very Vanilla cardstock, scored at 4 ¼"
- 5 ½" x 1" Paisleys & Petals Designer Paper
- 5 ½" x 1" Cajun Craze cardstock
- 2 ½" Circle Paisley & Petals Designer Paper
- 2" x 4" Early Espresso cardstock (for die cutting)
- 2" x 2" Very Vanilla cardstock (for cutting flower)

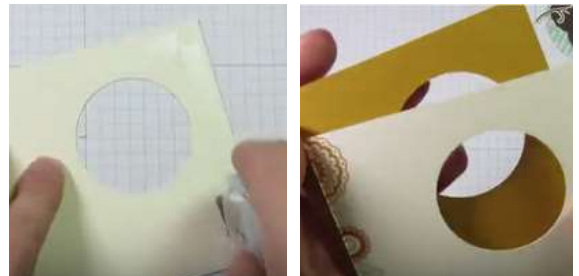

Instructions:

1. Punch a 2" Circle in the upper right corner of the Delightful Dijon card front (4 ¼" x 8 ¼" cardstock). (Cardstock is held upside down in this photo.)
2. Fold the Very Vanilla cardstock in half and line up the open ends with the end of the Delightful Dijon cardstock that has the punched window. (The folds should be facing the same direction.) Trace the window with a pencil on to the Very Vanilla cardstock and use it as a guide to punch a 2" Circle window in both side of the Very Vanilla cardstock. (Punch the cardstock while folded or trace and punch one side at a time.)
3. Stamp the flower design in Delightful Dijon ink between the window and the score line. Adhere the designer paper to the bottom of the card front.

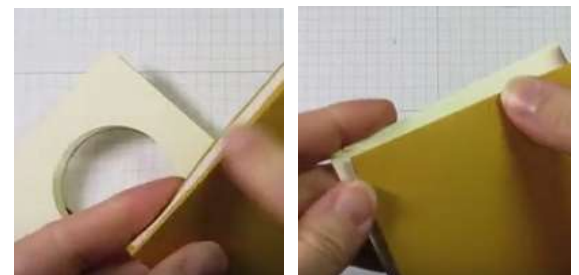

4. Use the Triple Banner Punch or scissors to cut one end of the Cajun Cardstock cardstock. Stamp the sentiment in Early Espresso ink near the banner tip. Adhere to the card front layered over the designer paper.
5. Open the Very Vanilla cardstock and stamp a border across the bottom with Cajun Craze, Delightful Dijon, and Mint Macaron ink. Stamp the sentiment in Early Espresso ink under the right window. This is the inside of the card.
6. On the Very Vanilla cardstock, stamp the flower in Early Espresso ink and color with the Cajun Craze, Delightful Dijon, and Mint Macaron markers. Hand cut or die cut with framelits.
7. Die cut the small wavy circle and the detailed paisley from the Early Espresso cardstock.
8. Time to assemble the card! Close the Very Vanilla cardstock and apply adhesive over the "front". Line up the edges and the windows and adhere to the back of the Delightful Dijon card front.

Note: The back flap the Delightful Dijon cardstock will be free and will not attach to anything else.

9. Apply Tear and Tape Adhesive or Multi Liquid Adhesive to the 1/4" flap of the 5 3/4" x 4 1/4" Delightful Dijon cardstock. Fold the flap over and adhere to the back edge of the Very Vanilla card. (Note: It may be necessary to trim excess cardstock around the edge of the card.)

10. Attach the Designer Paper circle to the inside of the card back. This is what will show through the window when the card is closed.

11. Close the card, with the Delightful Dijon flap tucked inside. When you open the card, the flap will fold flat behind the window. Adhere the inside image to that flap, centered in the window.

12. Finish embellishing the card front with the die cut paisley and pearls.
