1. GENERAL PROVISIONS

- 1.1 Unless expressly agreed otherwise in writing between Buyer and MYLAPS, these General Conditions are applicable to all offers and agreements between MYLAPS and Buyer as well as to any other legal or commercial relationships existing between MYLAPS and Buyer.
- 1.2 The applicability of any terms on Buyer's own purchase order forms that conflict with these General Conditions is expressly excluded and shall be given no force or effect, unless otherwise expressly agreed between the parties in writing.
- 1.3 Any deviations from and supplements to these General Conditions shall be effective only if they have been expressly agreed upon in writing by Buyer and MYLAPS, except for updates to these General Conditions as provided in Article 30 below.
- 1.4 In the event that any provision of these General Conditions is determined to be invalid or is nullified (in whole or in part), the other provisions of these General Conditions shall continue to be in full force and effect.
- 1.5 These General Conditions commence on the date Buyer places an order or enters into an agreement and continues until all services and subscriptions and applicable product warranties (whether hereunder or as stated in the applicable separate agreement) have expired or been terminated. In all cases in which the agreement between MYLAPS and Buyer terminates, these General Conditions shall continue to govern the relationships between parties to the extent that such is required for the conclusion of such relationship.

Article 2 – Offers and Acceptance of Orders and Agreement

- 2.1 MYLAPS's offers to Buyer remain valid for acceptance during the period stated in the written offer, and are fully free of acceptance at all times during such time period. This is also applicable to the prices and other conditions specified therein. The offers shall be viewed as a whole at all times.
- 2.2 Any offer that does not contain a specific acceptance period, including any offers contained on MYLAPS's website, may be revoked by MYLAPS at any time prior to MYLAPS's receipt of written acceptance by Buyer.
- 2.3 An offer shall be accepted in writing (which shall include but not be limited to a digital message such as e-mail). A contract of sale is concluded with Buyer at the time Buyer accepted the offer from MYLAPS in writing and MYLAPS has received a copy of such written acceptance.
- 2.4 Verbal undertakings shall be binding upon MYLAPS only if and to the extent that they have been confirmed expressly in writing by MYLAPS to Buyer. Agreements with MYLAPS's agents shall be binding upon MYLAPS only when they have been confirmed in writing by MYLAPS.
- 2.5 Data contained in catalogues, samples, pictures, drawings, specifications of weights and measures, etc. shall be binding on MYLAPS only to the extent that they have been expressly agreed upon in writing in the quotation or in the order confirmation.
- 2.6 Notwithstanding the previous provisions of this Article 2, MYLAPS is not responsible for pricing, typographical or other errors in any offer, and reserves the right to cancel orders arising from such errors.

Article 3 – Prices

- 3.1 Prices contained in any quotation are exclusive of any taxes, duties, forwarding charges, shipping and handling, unless otherwise specified in such quote.

- 3.3 Any tax increases and increases in other governmental duties after acceptance of an order or entering into the agreement shall be the responsibility of Buyer.
- 3.4 In the event a general price increase goes into effect after acceptance of an order but prior to delivery, MYLAPS shall have the right to change the price offered or agreed upon accordingly by means of a written notice to Buyer, in which case Buyer shall have the right to terminate the agreement by means of a written notice within eight (8) days from receipt of said notice from MYLAPS. After expiration of said eight (8) day term, Buyer shall be deemed to have accepted the price change.
- 3.5 MYLAPS reserves the right to increase the prices for its products and services on an annual basis in accordance with the US Consumer Price Index (CPI-U) without advance notice. Buyer shall have the right to terminate the renewal by means of a written notice within eight (8) days from receipt of said renewal invoice from MYLAPS. After expiration of said eight (8) day term, Buyer shall be deemed to have accepted the price change.

Article 4 – Delivery

- 4.1 Delivery shall be FOB Shipping Point, unless the parties expressly agree otherwise in writing.
- 4.2 All costs of delivery and forwarding shall be the responsibility of Buyer, unless expressly agreed otherwise in writing. Failing any special written instructions concerning delivery, it shall be effected by a carrier selected by MYLAPS; however, it cannot be guaranteed that the cheapest means of transport will be used. Any additional charges caused by Buyer's special instructions shall be paid by Buyer.
- 4.3 All products are shipped at Buyer's risk. Responsibility of MYLAPS ceases upon delivery of products in good order to the carrier. If products are missing or received in damaged condition, the Buyer should require the agent of the carrier to make notation of delivery condition on freight and immediately file a damage claim. Shortage claims can only be considered when made in writing to MYLAPS within ten (10) days from receipt of shipment. MYLAPS will assist in obtaining prompt adjustment on damage claims. Shipped products are insured only at Buyer's express written request and at Buyer's expense.
- 4.4 Pursuant to Article 10 of these General Conditions, the title to the products delivered shall be transferred to Buyer only when the full purchase price of the products has been paid to MYLAPS; provided, that risk of loss shall transfer upon MYLAPS's delivery of products in good order to the applicable carrier.
- 4.5 When the products have not been taken delivery of by Buyer after expiration of the term of delivery or if Buyer fails to provide information required for delivery, the products shall be stored on behalf of Buyer and at Buyer's risk. In that case all additional costs, including but not limited to storage charges and damages suffered by MYLAPS as a result of such delay, shall be payable by Buyer. MYLAPS is not liable for any damage to the products while in storage.
- 4.6 Without prejudice to the provisions elsewhere in these General Conditions in respect of extension of the term of delivery, the term of delivery shall be extended by the duration of the delay arising on the part of MYLAPS as a result of Buyer not fulfilling any obligation arising under an order or separate agreement or failing to provide any cooperation requested of it for performance of such order or separate agreement.
- 4.7 MYLAPS has the right to establish minimum quantities for the products to be supplied by it or to determine that an order will be delivered in batches. If the products are delivered in batches, MYLAPS has the right to invoice each batch separately.
- 4.8 In the event of a Buyer wishing to suspend deliveries, MYLAPS requires thirty (30) days prior notice thereof in writing to this effect. When Buyer cancels a purchase order or partial order a minimum at 30% of the price of the cancelled order will be invoiced. In case of specially made products, MYLAPS will have the right to invoice the entire amount of the cancelled order. Buyer is responsible for all shipping costs related to the products, unless expressly agreed otherwise in writing.
- 4.9 MYLAPS shall package the products for shipment in accordance with the usual standards it applies. If the Buyer desires a specific manner of packaging, it shall bear the related additional costs. The Buyer shall handle the packaging accompanying the products delivered by the MYLAPS in a manner that is consistent with the applicable government regulations regarding disposal. The Buyer shall indemnify, defend and hold harmless the MYLAPS against third-party claims based on non-compliance with such regulations.
- 4.10 Delivery of a part of the quantity ordered shall not affect the other parts of the order.

Article 5 – Term (Timing) of delivery

- 5.1 The term of delivery is based on the working conditions prevailing at the time when the order is accepted or agreement is entered into, and on timely delivery to MYLAPS of the materials required for fulfilling Buyer's order. In case of any delay through no fault of MYLAPS caused by a change in said working conditions or by the materials ordered by MYLAPS to fulfill Buyer's order not being received in a timely manner, the term of delivery shall automatically be extended if required and Buyer shall not have the right to rescind the order or agreement and neither shall MYLAPS become liable for damages.
- 5.2 The term of delivery specified in the order confirmation or otherwise is based on an estimate. Although MYLAPS will attempt to maintain the term of delivery to the greatest possible extent at all times, this term is not a deadline. The term of delivery being exceeded shall not entitle Buyer to cancel or rescind the order or agreement or to terminate the agreement otherwise or to suspend or refuse payment of the purchase price, and shall not entitle Buyer to any compensation.

Article 6 – Inspection and Return

- 6.1 Buyer shall cause the products purchased to be inspected within ten (10) days of the date of delivery. In such inspection Buyer shall verify whether the products delivered are in conformity with the agreement, namely: (a) whether the correct products have been delivered; and (b) whether the quantity of the products delivered is in conformity with the quantity agreed upon; and (c) whether the products delivered comply with the requirements that may be made for normal use.
- 6.2 Claims for products damaged or lost in transit should be made by Buyer to the carrier, as MYLAPS's responsibility ceases upon tender of products to the carrier. Buyer should notify MYLAPS in writing within ten (10) days of acceptance if Buyer believes any part of Buyer's order is missing or incorrect.
- 6.3 MYLAPS' return policy for its products can be found at www.mylaps.com/returnspolicy and Buyer agrees to those terms. Before returning or exchanging a product, Buyer must contact MYLAPS directly to obtain an authorization number to include with the return. Buyer must return products to MYLAPS in their original or equivalent packaging, and Buyer is responsible for risk of loss, as well as shipping and handling fees. Products returned "Not Wanted", "Incorrectly Ordered" or "Duplicated Orders" resulting from a confirmation of an order placed by Buyer, will be subject to a minimum 30% handling charge with a minimum of US \$25.00. Products

returned must be in their original individual packaging. Returns will not be accepted after fourteen (14) days following receipt unless authorized in writing by MYLAPS. Non-stock items, items purchased specifically to a customer's requirements, will not be subject to credit or exchanged under any circumstances whatsoever.

Article 7 – Modifications

- 7.1 MYLAPS' policy is one of ongoing update and revision to its products. MYLAPS may revise or discontinue products, software or services offerings at any time without prior notice to Buyer. A change in a product may occur after Buyer places an order but before MYLAPS ships the product. As a result, products might display minor differences from the products Buyer orders. MYLAPS shall have the right to supply products deviating from those agreed upon if the deviations are required to comply with applicable statutory regulations or if the modifications to the products are not material in nature. Any such revised products will meet or exceed all material specifications of such order.

Article 8 – Payment

- 8.1 Terms of payment are within MYLAPS's sole discretion, and unless the parties have expressly agreed otherwise in writing in the applicable invoice or agreement relating to such products or services, payment shall be made immediately upon the order, but no later than the day of delivery, without any discount or setoff by Buyer.
- 8.2 Payment must be made to MYLAPS by bank payment (ACH or wire transfer), check, credit card or some other prearranged payment method. Payment shall be made in U.S. Dollars, or such other currency identified by MYLAPS in its invoice.
- 8.3 To the extent that a payment obligation results from the extension of an existing agreement between parties as permitted therein, MYLAPS will be authorized to collect the invoice automatically from the account/credit card of Buyer.
- 8.4 Payments shall be deemed received by MYLAPS only when such payments are actually received by MYLAPS or its bank for the account of MYLAPS.
- 8.5 As the occasion arises, MYLAPS shall have the right to demand full or partial payment in advance or to send the products subject to cash on delivery.
- 8.6 In the event that Buyer has not paid the invoice amount on or before the day of delivery, or to the extent that has been agreed otherwise in writing on the agreed date, such failure, Buyer shall be in "default" (within the meaning of Article 14) from the date on which said term has expired by operation of the law without any notice of default being required. Interest shall then be payable by Buyer at the rate of 1.5% a month for each month or a part thereof that has elapsed, up to the date of full payment. In such case, all other amounts payable by Buyer to MYLAPS shall accelerate and become immediately due. In addition, MYLAPS shall have the remedies specified in Article 14.2. MYLAPS further reserves the right to seek collection of all overdue amounts (including by referral to third party collectors), plus all reasonable legal fees (including reasonable attorneys fees) and costs associated with such collection.
- 8.7 Returned checks and all reversals will be subject to a \$30.00 fee, or the maximum amount permitted by applicable law, whichever is less.

Article 9 – Discounts, etc.

Discounts, bonuses, etc. are payable by MYLAPS only if agreed upon in writing and if Buyer has fully met all its obligations for the relevant period.

Article 10 – Retention of title

- 10.1 MYLAPS shall retain title to all products delivered by it to Buyer until the purchase price of all such products has been paid in full. In addition, retention of title shall be applicable to the sums that may become payable to MYLAPS by Buyer on account of Buyer failing to fulfill one or more of its obligations to MYLAPS. Moreover, MYLAPS shall retain title to the products when any amount is payable by Buyer to MYLAPS on account of delivery or operations, including interest and charges, until MYLAPS has been paid in full.
- 10.2 For as long as the title to the products delivered has not been transferred to Buyer, MYLAPS hereby retains and Buyer hereby grants a first priority security interest in favor of MYLAPS as to all products and all proceeds resulting therefrom as a means of securing payment by Buyer to MYLAPS. Buyer hereby agrees to do all things that are reasonably requested by MYLAPS in order to assist MYLAPS in protecting its security interest, including executing any financing statements or security agreements necessary to perfect MYLAPS's security interest under the applicable provisions of the Uniform Commercial Code. During such period, Buyer shall not be permitted to pledge the products or to grant any other right thereto to any third party.
- 10.3 Buyer shall keep the products delivered subject to retention of title carefully in custody and as identifiable property of MYLAPS and insure the products for the duration of the retention of title against damage caused by fire, explosion and water as well as against theft. Buyer shall submit the policy of said insurances to MYLAPS for inspection at its first request.
- 10.4 As soon as MYLAPS notifies Buyer of its wish to that effect, any claims of Buyer on the insurers of the products by virtue of the insurance maintained under Article 10.3 shall be pledged to MYLAPS in the manner set out Uniform Commercial Code as additional security for MYLAPS's claims on Buyer.
- 10.5 If Buyer fails to fulfill its required financial obligations to MYLAPS or MYLAPS has reasonable grounds to fear that Buyer will fail to fulfill said obligations, MYLAPS shall have the right to take back the products delivered subject to retention of title. When the products have been taken back Buyer may be credited for them at their

- market value, which in any case shall not exceed the original price, less the expenses involved in taking back the products.
- 10.6 Buyer shall be permitted to sell and transfer the products delivered subject to retention of title to third parties in the scope of its normal business operations. In case of sale on credit Buyer is obliged to stipulate retention of title to its customers pursuant to the provisions in this Article. The first Buyer is obliged to establish immediately an undisclosed pledge to MYLAPS on its claims on the second Buyer which purchased on credit.
- 10.7 Buyer shall not assign or pledge any claims it has on its customers to third parties without MYLAPS's prior permission in writing. Furthermore, Buyer undertakes to pledge said claims to MYLAPS, as soon as MYLAPS has notified it of its wish to that effect, in the manner set out Uniform Commercial Code as additional security for its claim on Buyer.
- 10.8 Upon the occurrence of an event referred to in Article 10.5, MYLAPS shall be entitled to unimpeded access to the products. Buyer shall lend every co-operation to MYLAPS to give MYLAPS the opportunity to exercise the right to retention of title by accessing Buyer's premises and taking back the products, including any disassembly required.

Buyer represents and warrants that Buyer has obtained all rights, permissions and consents necessary to use and transfer such information in conjunction with MYLAPS' provision of products or services. Buyer will be responsible for protecting the privacy and security of any information that Buyer retrieves from MYLAPS's servers and shall prevent any unauthorized or illegal use or dissemination of such information. All information collected by MYLAPS shall be jointly owned by MYLAPS and Buyer.

Article 20 -- Privacy

For information about MYLAPS' privacy practices, please read MYLAPS' privacy policies at www.mylaps.com/privacypolicy. These policies explain how MYLAPS treats Buyer's personal information and protects Buyer's privacy.

- 21.1 Buyer shall ensure an environment which meets the requirements specified by MYLAPS for the equipment in a particular case (for example, concerning temperature, humidity, technical environment requirements and the like).
- 21.2 If the parties have expressly agreed in writing, MYLAPS shall install the products. In the absence of such agreement, Buyer shall be responsible for installation. Any requirement by MYLAPS to install equipment shall not include the requirement to install software or to convert data.
- 21.3 If MYLAPS has undertaken to perform installation, Buyer shall provide a suitable installation site with all necessary facilities, such as cable work and telecommunications facilities, before delivery of the equipment and follow all instructions of MYLAPS necessary for the installation.
- 21.4 To enable MYLAPS to perform the necessary work, Buyer shall give MYLAPS access to the installation site during MYLAPS's normal working days and hours.

Article 22 – Third Party Equipment

- 22.1 If and insofar as the MYLAPS provides equipment from third parties to the Buyer, those third parties' terms and conditions shall replace any deviating provisions in these General Conditions and shall apply with regard to that equipment, provided that the MYLAPS notifies the Buyer in writing. The Buyer shall accept the

aforementioned third-party terms and conditions. Such terms and conditions shall be available for the Buyer's inspection at the MYLAPS's and the MYLAPS shall send these terms and conditions free of charge to the Buyer at its request. 2. FIRMWARE AND SOFTWARE

Article 23 – Firmware

- 23.1 Should the products delivered by MYLAPS consist, in whole or in part, of software which constitutes firmware, then this Article is applicable, in addition to the rest of these general terms and conditions. Without limiting the foregoing, the general provisions of Article 24 regarding software shall also apply to firmware. Should the firmware-specific stipulations deviate from the “general” stipulations from these general terms and conditions, the firmware-specific stipulations are binding.
- 23.2 Buyer acknowledges that products delivered by MYLAPS may include firmware. MYLAPS reserves all rights concerning this firmware. Subject to payment in full for the applicable products and Buyer's continued compliance with the terms set forth in these General Conditions, MYLAPS shall grant Buyer the non-exclusive, non-transferable, royalty-free license to use such firmware solely as necessary for Buyer to utilize the products provided by MYLAPS and solely in accordance with the function MYLAPS intended for the firmware. With respect to subscription-based products described in Article 25 below, the license granted hereunder shall remain in effect only so long as there is a valid separate agreement or a valid subscription and shall terminate immediately upon the expiration of the separate agreement or subscription period, as the case may be. Unless expressly agreed otherwise in writing, no rights, including rights of intellectual property, are transferred to Buyer. Buyer shall always strictly comply with the use restrictions agreed between the parties.
- 23.3 MYLAPS has the right to terminate the license granted in Article 23.2 in case of misuse of the firmware, in which case no entitlement to compensation whatsoever exists for Buyer.
- 23.4 Buyer may not copy, compile, reverse compile, disassemble, analyze or reverse engineer any aspect of the delivered products, including the firmware.
- 23.5 MYLAPS decoders have Firmware that expires after a year. Firmware updates are free but must be downloaded and installed annually to keep the decoders operational. In addition, decoders need to be synced with MYLAPS' website on occasion to download usage statistics, as further described in the decoder documentation. Failure to perform the required syncing will also cause the decoder to cease to operate. IF BUYER (OR BUYER'S END USERS) FAIL TO DOWNLOAD AND INSTALL ANNUAL FIRMWARE UPDATES AND PERFORM THE REQUIRED SYNCING TO THE MYLAPS WEBSITE, THE DECODER WILL CEASE TO OPERATE. BUYER ACKNOWLEDGES THAT IT IS SOLELY RESPONSIBLE FOR DOWNLOADING AND INSTALLING SUCH ANNUAL FIRMWARE UPDATES AND PERFORMING THE REQUIRED SYNCING TO THE MYLAPS WEBSITE.

Article 24 – Software

- 24.1 Should the products delivered by MYLAPS consist, in whole or in part, of software, then this Article 24 is applicable, in addition to the rest of these general terms and conditions. Should the software-specific stipulations deviate from the “general” stipulations in these General Conditions, the software-specific stipulations are binding.
- 24.2 MYLAPS shall be allowed to take technical measures to protect the software and to effectuate the agreed restrictions in the duration of the right to use the software. The Buyer shall not be allowed to remove or evade such a technical measure. If security measures result in the Buyer being unable to make a back-up copy of software, the MYLAPS shall provide Buyer with a back-up copy upon request.
- 24.3 Unless MYLAPS provides a back-up copy of the software to the Buyer, Buyer may make one back-up copy of the software, which may only be used to protect against involuntary loss of possession or damage to the original copy of the Software. The back-up copy may only be installed after involuntary loss of possession or damage. A back-up copy must have the same labels and copyright designations as are present on the original version.
- 24.4 Subject to payment in full for the applicable products and services and Buyer's continued compliance with the terms set forth in these General Conditions, MYLAPS shall grant Buyer the non-exclusive, non-transferable, royalty-free license to load, access and use such software solely as necessary for Buyer to utilize the products and services provided by MYLAPS. With respect to subscription-based products described in Article 25 below, the license granted hereunder shall remain in effect only so long as there is a valid separate agreement or a valid subscription and shall terminate immediately upon the expiration of the separate agreement or subscription period, as the case may be. Unless expressly agreed otherwise in writing, no rights, including rights of intellectual property, are transferred to Buyer. Buyer shall always strictly comply with the use restrictions agreed between the parties.
- 24.5 Buyer may only use the software in its own company or organization on one processing unit and for a specific number or type of users or terminals for which the right of use has been furnished. Insofar as not otherwise agreed, the Buyer's processing unit on which the software is used for the first time and the number of terminals connected to that processing unit at the time of initial use shall be considered the processing unit and number of terminals for which the right of use has been furnished. In the event there is a malfunction in the aforementioned processing unit, the software can be used on another processing unit for the duration of the malfunction. The right of use may pertain to multiple processing units insofar as this is expressly apparent from the agreement between parties.

- 24.6 The right of use shall not be transferable. Buyer shall not be allowed to sell, lease, sub-license or alienate the software and data carriers on which it has been recorded, grant restricted rights to this software or these data carriers or provide them to a third party in any manner or for any purpose whatsoever, give a third party remote or non-remote access to the software or place the software with a third party for hosting, not even if the third party in question will only use the software for the Buyer's benefit. No modification of, or preparation of derivative works based on the software or documentation is permitted. Buyer shall not compile, reverse compile, disassemble, analyze or reverse engineer any aspect of the software or in any way attempt to discover or reproduce source code for the software, or any portion thereof. Buyer shall not modify the software except in connection with fixing errors. Buyer shall not use the software to process data for third parties ("time-sharing"). The software's source code and the technical documentation generated in developing the software shall not be made available to Buyer, not even if Buyer is prepared to pay financial compensation for making them available. Buyer acknowledges that the source code is confidential in nature and that it includes the MYLAPS's trade secrets.
- 24.7 Buyer is further prohibited from (a) attempting to use or gain unauthorized access to MYLAPS or to any third party's networks or equipment; (b) permitting other individuals or entities to use the software or copy the software; (c) engaging in fraudulent activity of any nature; or (d) restricting, inhibiting, interfering with or otherwise disrupting or causing a performance degradation to any MYLAPS (or MYLAPS supplier) website or other facilities used to deliver the services.
- 24.8 Buyer acknowledges that the products supplied by MYLAPS are technical in nature. To obtain accurate results from the MYLAPS decoder, Buyer must use only MYLAPS timing hardware, software and other products provided by MYLAPS. In order to protect MYLAPS from any third party claims or damage to the MYLAPS' system, Buyer agrees to refrain from (a) using any MYLAPS timing hardware with any non-MYLAPS timing hardware or non MYLAPS approved software or servers, or (b) using any MYLAPS software with any non-MYLAPS approved timing hardware or products. Buyer acknowledges that the software is provided free of charge in connection with the purchase of MYLAPS products, and that MYLAPS will suffer financial loss and potential damage to the MYLAPS' system in the event its software is used with non-MYLAPS hardware and products. Therefore, in the event Buyer violates its obligations set out in this Article 24.8, MYLAPS reserves the right to collect a software usage fee of up to \$1,000 for each individual instance of non-permitted use of the software, as a usage fee and not as a penalty, without prejudice to any other remedies it may have for such violation under these General Conditions.
- 24.9 Buyer shall immediately return all copies of the software in its possession to MYLAPS after the right to use the software ends. If parties have agreed that the Buyer shall destroy the copies concerned when the right of use ends, Buyer shall provide written notice of such destruction to MYLAPS immediately.
- 24.10 MYLAPS shall deliver the software to Buyer on the agreed type and format of data carriers and, if installation by MYLAPS has been agreed in writing, shall install the software at Buyer's. In the absence of express agreements in this regard, Buyer itself shall install, set up, design parameters for and tune the software and, if necessary, adjust the equipment and user environment used in this connection. Unless expressly otherwise agreed in writing, MYLAPS shall not be required to convert data.
- 24.11 Buyer shall accept the software in the condition in which it is at the time of delivery, hence, with all apparent and non-apparent errors and other defects.
- 24.12 MYLAPS shall use its best commercial efforts to fix errors in the software within a reasonable time period, if they have been reported in writing and in detail to MYLAPS within three (3) months after delivery. In these General Conditions, "errors" shall mean a substantial failure to meet the functional or technical specifications stated in writing by MYLAPS and, in the case of custom-made software and websites, the functional or technical specifications expressly agreed between parties in writing. An error shall only exist if Buyer can document it and if it can be reproduced. Buyer shall be obliged to notify MYLAPS in writing of errors immediately. MYLAPS shall not have any obligations concerning fixing errors reported after the expiration of the three (3) month period referred to above unless parties have concluded a maintenance agreement which includes such a duty to fix. Repairs shall be performed free of charge, unless the software has been developed at Buyer's instruction, in which case MYLAPS shall charge the repair costs according to its usual rates. MYLAPS may charge the repair costs according to its usual rates if there have been operating errors or improper use on Buyer's part or other causes not imputable to MYLAPS. The warranty shall not include fixing mutilated or lost data. The warranty obligation shall be extinguished if Buyer makes changes or has made changes to the software without MYLAPS's prior written permission.
- 24.13 MYLAPS DOES NOT WARRANT THAT THE SOFTWARE SHALL OPERATE WITHOUT INTERRUPTION, ERRORS OR OTHER DEFECTS OR THAT ALL ERRORS AND OTHER DEFECTS SHALL BE CORRECTED. MYLAPS DOES NOT MAKE ANY WARRANTY FOR ANY THIRD PARTY SOFTWARE. IN NO CASE WILL MYLAPS BE LIABLE FOR ANY DAMAGES (DIRECT OF INDIRECT) DUE TO THE (MAL)FUNCTIONING OF SOFTWARE, OTHER THAN MENTIONED IN THIS SECTION.
- 24.14 Errors shall be fixed at a location to be determined by MYLAPS. MYLAPS shall be entitled to install temporary solutions, program bypasses or problem-avoiding restrictions in the software.
- 24.15 Buyer hereby grants MYLAPS, or an agent designated by MYLAPS, the right to perform an audit of Buyer's use of the software during normal business hours; Buyer agrees to cooperate with MYLAPS in such audit; and Buyer agrees to provide MYLAPS with all records reasonably related to Buyer's use of the software. The audit will be limited to verification of Buyer's compliance with the terms of these General Conditions.
- 24.16 MYLAPS may suspend, terminate, withdraw or discontinue the software license granted hereunder, all or part of the services and/or the access of one or more users' access to the software, upon the occurrence of an Event of Default described in Article 14. With respect to software provided or otherwise made available to Buyer by MYLAPS in connection with its products or services, it may be necessary for MYLAPS to perform scheduled or unscheduled repairs or maintenance or remotely patch or upgrade the software, which may temporarily degrade the quality of the services or result in partial or complete unavailability of the products or software.

MYLAPS provides no assurance that Buyer will receive advance notification of such activities or that the products, software or services will be uninterrupted or error-free. Unless otherwise agreed to in writing between Buyer and MYLAPS in a separate agreement, any degradation or interruption in the Software or Services shall not give rise to a refund or credit of any fees paid by Buyer.

- 24.17 BUYER AGREES THAT THE OPERATION AND AVAILABILITY OF THE SYSTEMS USED FOR ACCESSING AND INTERACTING WITH THE PRODUCTS AND SOFTWARE, INCLUDING TELEPHONE, COMPUTER NETWORKS AND THE INTERNET, OR TO TRANSMIT INFORMATION, CAN BE UNPREDICTABLE AND MAY, FROM TIME TO TIME, INTERFERE WITH OR PREVENT ACCESS TO OR USE OR OPERATION OF THE PRODUCTS OR SOFTWARE. MYLAPS SHALL NOT BE LIABLE FOR ANY SUCH INTERFERENCE WITH OR PREVENTION OF BUYER'S ACCESS TO OR USE OF THE PRODUCTS OR SOFTWARE.
