

Millstone Valley Scenic Byway

A New Jersey Discovery

Walk in the footsteps of General George Washington and Revolutionary War patriots near the Millstone River, explore the Delaware and Raritan Canal, find architecture from decades past, breathe in the lush landscapes, enjoy the countryside and take your time sightseeing...all in our picturesque surroundings.

View from Blackwell Mills Canal House

Here, you can find all that you never expected.

Find the Unexpected on the **Millstone Valley Scenic Byway**

I came to kayak on the D&R Canal, but I was so excited to learn about everything the byway has to offer.

This isn't what I expected when I came to central New Jersey. What a beautiful surprise.

I didn't realize that there were so many ties to the Revolutionary War in this area and, oh, the architecture is just lovely.

What will you find on **your** byway adventure?
