Terms and Conditions

Terms explained

- Throughout this document, the words ‘**you**’ or ‘**your**’, mean the person in whose name the account is held
- By ‘**our**’, ‘**us**’ and ‘**we**’ mean Family Equity Plan Limited trading as ‘OneFamily’
- OneFamily is a trading name used by all the companies within the Family Assurance Friendly Society group, including Family Equity Plan Limited

Account

A stocks and shares ISA opened and held in your name.

Originating provider

The originating provider of an ISA or Matured CTF, the proceeds of which you have chosen to transfer to your ISA Account.

Contributions

Monies paid into an account either as a lump-sum or as regular payments, but which are not transfers from another ISA or Matured CTF.

FCA

The Financial Conduct Authority.

Fund

Investment funds are a way to invest in individual holdings such as different shares, bonds or cash. When you invest in the ISA, your money is pooled with that of other investors and the sum total is divided across all of the individual holdings that the fund invests in. This allows you to invest in many more individual holdings than you could alone. Funds are designed with specific objectives in mind and so each one will invest in different ways. It's important

to remember that the performance of investment funds is not guaranteed. This means that the value of your investment can fall as well as rise.

Fund manager

All investment funds are managed by an investment company. Often a fund manager will pick the individual holdings (such as shares, bonds or cash) in response to the fund's stated objective. Then, as time goes by and the market changes, the fund manager may alter the mix of holdings in an attempt to maximise its performance at any given time. Alternatively, the fund can be designed to track, as closely as possible, the performance of a particular index.

Matured CTF

A Child Trust Fund where the Beneficial Owner has reached 18 years old and the plan proceeds have become available for withdrawal or transfer to an ISA or Lifetime ISA.

HMRC

His Majesty's Revenue & Customs.

ISA

An Individual Savings Account operated in accordance with the rules and regulations.

ISA subscription limit

The total amount that an individual can pay into ISAs each tax year. Limits for the current tax year can be located here on the HMRC website [gov.uk/individual-savings-accounts](https://www.gov.uk/individual-savings-accounts).

Nominated bank account

A specified UK personal bank or building society current account to which withdrawals are made.

Payments

Any monies paid into the account including regular and lump-sum contributions and transfers from other ISAs or Matured CTFs.

Regulations

The Individual Savings Account Regulations 1998 as amended from time to time.

Rules

The FCA Handbook of Rules and Guidance as amended from time to time.

Tax Year

The period from 6 April of one year to 5 April the following year.

Transfer

A transfer is the process which allows you to move your ISA or Matured CTF money to another provider's ISA without the loss of tax benefits and avoiding the need to use any more of your ISA allowance for that tax year. This is distinct from a withdrawal where you take money from your ISA (or Matured CTF) and at the same time remove the future tax benefits.

Units

Any payment into an account is invested in shares of an Investment Company with Variable Capital (ICVC). These shares are referred to in this document as Units. The price of units can fall as well as rise. Unit prices are published each working day on our website, onefamily.com/dailyprices/.

Valuation point

The time of day that funds are valued and then priced.

Withdrawal

When you take money out of your account this is called a withdrawal. A withdrawal removes your money from the ISA tax benefits so (depending on where you invest this money afterwards), future growth may be taxable. This is distinct from a transfer which is where your money is moved to a different provider's ISA account therefore retaining its tax benefits.

Working day

Business hours on any day which is not a Saturday, Sunday or English public (Bank) holiday.

- In relation to the above, if your circumstances change, you must inform us

4.2 Joint accounts are not permitted.

5.0 Opening your account

5.1 We will accept your application on the working day it is received unless we need to ask you for proof of identity or are awaiting a Transfer Form from you. Your ISA will be opened when both an application and a payment have been accepted by us. In the case of transfers from another ISA or Matured CTF, your account will be opened when we receive your funds from the Originating Provider.

6.0 Making payments

- 6.1 Payments (which must be made with your own money) may be made into the account in any tax year up to subscription limits set by Government. You will find the current ISA subscription limit by visiting **[gov.uk/individual-savings-accounts](https://www.gov.uk/individual-savings-accounts)**
- 6.2 We will accept payments into your account subject to the ISA subscription limit
- 6.3 Contributions into the account may be made by:
- Regular Direct Debit from a UK bank or building society account or;
 - Debit card (made online)

6.4 At our discretion, in accordance with section 10.0, 'Transfers into your ISA', and subject to the ISA subscription limit and the Rules, you may also be able to transfer in:

- The full or partial value of another type of ISA held in your name
- The full or partial value of a Matured CTF held in your name

In accordance with section 1.2, please refer to our website for details of the types of transfers we will accept at the point you apply.

6.5 The minimum transfer value we will accept from another ISA or Matured CTF is shown on our website.

6.6 If you are starting your account with a single or regular monthly contribution, the initial investment amounts are also shown on our website.

7.0 Returning payments

- 7.1 We may have to return a payment in full or in part in any of the following circumstances:
- When the account number and/or other details are quoted incorrectly when the payment is made
 - Where the ISA subscription limit has been reached. In such circumstances, we will return the entire payment rather than only the excess
 - When we have been advised by HMRC to void a payment or the account
 - Where a payment is for less than the minimum amount
 - Where the account is cancelled

- 7.2 Where a payment is to be returned but has not yet been invested in a fund, it will be returned without growth or interest added.
- 7.3 Where a payment is to be returned that has been invested in a fund, it will be returned based on the investment value at the time which is subject to market movements. Where the investment value has increased, this may be subject to tax.
- 7.4 Any payments will be returned in accordance to the terms outlined in section 14.0, 'Withdrawals and closing your account' and, where any payment has been invested, in accordance with section 9.3.
- 7.5 Where we have to return a transfer payment, this will be returned to the Originating Provider. If the original provider is not able to accept the payment back, we will contact you to discuss your options. All other payments will be returned to the payee unless HMRC tell us otherwise.

8.0 Investments

- 8.1 All payments into your account will be used to buy units in one of the available investment funds.
- 8.2 We will tell you when you apply what investment options are available.
- 8.3 We will provide full details of the available investment options on our website.
- 8.4 You are responsible for deciding whether the available investment options are suitable for you and your circumstances and to ensure their continued suitability. We will not provide investment advice and do not assess the products appropriateness for you.

- 8.5 When you apply, you must tell us which fund you wish your money to be invested in.
- 8.6 Your initial and subsequent payments will be invested in the fund you select on your application. The exception to this is described in 8.7.
- 8.7 You can elect to move the entire value of your investment between the available investment funds. In such circumstances, and in line with the terms outlined in section 9.0, 'Buying and selling units', we will sell all the units you hold in the fund you are currently invested in and use the proceeds to purchase units in the fund you wish to move to. Any future payments (including any transfer from another ISA or Matured CTF) will be invested in the fund you have moved to. We reserve the right to limit the number of times you may switch between investment funds in any calendar year.

In accordance with section 1.2, please refer to our website which will outline the funds available to you when you apply.

- 8.8 Should we make further investment options available after you have opened your account, we will let you know.
- 8.9 The value of units in any available investment fund is not guaranteed. This means that the value of your account could fall.

9.0 Buying and selling units

9.1 We will buy and sell units in line with the best execution policy detailed in the prospectus of the fund in which you choose to invest. The prospectus is available online here onefamily.com/our-story/company-information/financial-reports/ (Family Investments Global ICVC)

9.2 We are required to take all reasonable steps to obtain the best possible result for you when executing your instructions to buy or sell units, taking into account price, cost, speed, likelihood of execution and settlement, size, nature or any other relevant consideration. This obligation is known as the duty of ‘best execution’.

We operate a best execution policy that aims to ensure that we carry out your investment instructions as effectively and beneficially as possible. This means that when you ask us to buy and sell your units, your instructions

are always passed directly to the Fund Manager who will carry them out while adhering to the terms and conditions outlined in this document.

We do not use third party ‘trading platforms’ to execute your instructions. All trading is done directly with the Fund Manager, which, in regulatory terms, means that the trades are executed outside of a regulated market or multilateral trading facility.

We monitor the effectiveness of our best execution policy regularly and implement any necessary changes when required. If there are any relevant material changes, we will notify you.

9.3 When you make payments into your account, we will invest these sums by buying units on your behalf. The time between receiving your payment to investing it in the fund(s) will depend on the payment method shown in the table below.

| Payment type | Day accepted | Day invested |
|--|--|---|
| Direct Debit | The day we receive the Direct Debit payment | The day the payment is accepted (or the following working day should the payment be accepted on a Saturday, Sunday or English public holiday) |
| Debit Card | The day the payment is authorised by the payer’s bank or building society* | Up to two working days after the payment is accepted |
| Direct credit (Bank Transfer) | The day the payment is authorised by the payer’s bank or building society* | Up to two working days after the payment is accepted |
| The transfer of the value of another ISA or Matured CTF | The day we receive the payment from the Originating Provider | By the end of the working day following acceptance of the payment |

* If the day the payment is authorised is a Saturday, Sunday or an English public holiday, we will accept the payment the following working day

9.4 Where we receive a valid instruction to sell units, we will sell units by the end of the following working day. The only exceptions to this are:

9.4a The sale of units will be delayed where payments have not cleared.

9.4b Where you haven't set up a Nominated Bank Account.

9.5 Where units are being sold in order to switch into another investment fund, when we sell and buy units will depend on when we receive the switch request:

- Where we receive your switch request before 10am on a working day, we will sell the units on that day and purchase units in the fund you're switching to on the following working day

- Where we receive your switch request after 10am on a working day or we receive the instruction on a non-working day, we will sell the units on the following working day and purchase units in the fund you're switching on the working day after that

10.0 Transfers into your ISA

In accordance with section 1.2, please refer to our website which will outline what types of transfer we will accept at the point you apply.

10.1 At our discretion, and subject to the Rules, Regulations and the ISA subscription limit, we will accept full or partial transfer payments from other ISAs and Matured CTFs.

10.2 We will only accept the transfer-in of the value of another ISA or a Matured CTF and not the assets held within it; we do not accept in-specie transfers.

10.3 Where we accept the value of any transfer of payments which were made into an ISA in the current tax year, the full amount must be transferred (including any investment growth or interest arising from these payments) and will continue to count towards the ISA subscription limit.

10.4 Where we accept the value of any transfer of payments which were made into an ISA in previous tax years (including a Matured CTF transfer where the value is treated as previous years' payments), the total amount transferred will not count towards the general ISA subscription limit.

11.0 Transfers out

11.1 You can transfer out the full value of your account to another ISA at any time (subject to the new provider accepting such payments).

11.2 Unless you specifically request an in-specie Transfer (i.e. transferring a stocks and shares account without converting the assets held within it to cash), any transfer request will result in the sale of units in the fund(s) held within your ISA. Please refer to section 9.0, 'Buying and selling units'. To request an in-specie transfer please contact us by secure message.

11.3 Where you request to transfer out any payments made in the current tax year, these must be transferred in full and must include any interest or investment growth applied to these payments.

11.4 We will transfer the value of your account within 30 days of us receiving a valid transfer request from the new provider.

12.0 Client money, designated investments and fractional differences

Fractional differences

- 12.1 Your units are held in a nominee company pooled together with other investors' units. When you buy or sell units, we will combine your request with those of other investors to buy or sell units in one large bulk order. This means that any units and money we receive will be allocated proportionately based on your individual request.
- 12.2 Units or money allocated to your account may be rounded up or down to the nearest whole penny or to the nearest fraction of a unit, as recorded on our systems. Rounding may result in a minor loss or gain to your unit holdings or amount invested/received, so sometimes you may be slightly advantaged or disadvantaged in relation to a particular request. Where the effect of rounding individuals' units or money results in a surplus or shortfall against the combined requests, we will keep any surplus or make good any shortfall.

Client money and designated investments

- 12.3 Any uninvested cash held on your behalf (e.g. money awaiting investment or the proceeds of encashment) will be held in a specifically designated client money bank account with one or more approved banks, separate from our money in accordance with the FCA's client money rules..
- 12.4 If the bank we have chosen to hold your money becomes insolvent, we will have an unsecured claim on behalf of all of our clients regarding the client

money bank account. This means that you will share proportionately in any shortfall with other creditors of the credit institution or bank. If you have a shortfall, you may be eligible for compensation under the Financial Services Compensation Scheme (FSCS). If we were to become insolvent and there's a shortfall in the client money account, any losses will be shared proportionately across all our customers with money in that account in accordance with Client Money Rules. Again, you may be entitled to compensation under the FSCS. We will exercise all due skill, care and diligence and will periodically (usually annually) review the adequacy and appropriateness of any bank selected to hold your money, in accordance with FCA Rules. We will otherwise not be liable for any losses arising from any acts or omissions of the bank in connection with the client money account resulting from the bank's negligence, wilful deceit, or fraud.

- 12.5 We may transfer client money to a third party as part of transferring all or part of our business. We will make sure that all necessary obligations will be met by us.
- 12.6 You will not receive interest on any money held in a client money account.
- 12.7 If, for whatever reason, payments made to you remain unclaimed and there has been no movement on the account, we will hold that money for a period of at least six years during which time we will make reasonable attempts to contact you in accordance with FCA Rules. After six years we may make further efforts to contact you and let you know that we no longer intend to continue to hold the money and intend to transfer it to a registered charity of our choice unless you let us know what you would like us to do with it. If we receive no response, we

shall be entitled to no longer treat that money as client money in accordance with FCA Rules and shall pay it to charity. If you subsequently make a valid claim for the money, we will still pay it to you. Any unclaimed money will no longer be protected by client money regulations.

- 12.8 We may use third party custodians to hold investments. These will be held in the name of our nominee company or another third-party custodian nominee. Any investments held on your behalf may be pooled with those investments of other clients. This means that your entitlement may not be individually identifiable on the relevant third party's electronic records (other than ours, where they will be identifiable) and, in the event of an unreconciled shortfall caused by the default of a third party, you may share proportionately in that shortfall.
- 12.9 If we identify a discrepancy between our records and those of a third party which indicates a shortfall in your investments, and we are unable to rectify that discrepancy promptly, we will segregate an equivalent amount of our own money as client money in order to rectify the shortfall until the discrepancy is corrected.

Unclaimed custody assets

- 12.10 In the event that there is no movement over the Account, for a period of 12 years (apart from any asset servicing discretion exercised by us in the absence of instructions from you) and we are unable to contact you having made reasonable attempts to do so, we may transfer the holding, or the liquidation proceeds thereof, to a registered charity. In these circumstances we will still be liable to pay these balances to you on presentation of a valid claim.

13.0 Charges

- 13.1 There is a charge for managing the fund(s) you invest in. This is a percentage of the value of your investment. Additional costs involved in the day-to-day running of the funds (not imposed by us) may also apply.
- 13.2 The charges that you will pay and how we take these charges depends on the investment options you choose. Details of the charges (along with estimates of any additional costs) can be found in the Key Information Documents and also in the fund's factsheet and prospectus.
- 13.3 We may charge a small administration fee for cancelling and reissuing cheques, or issuing duplicate or additional statements. You will be told whether we will make a charge and how much it will be when you make a request.
- 13.4 Charges may change in the future. If we introduce a new charge, we will notify you in accordance with 19.0 'Changes to the funds or these Terms and Conditions'.

14.0 Withdrawals and closing your account

- 14.1 You can make withdrawals from your account at any time to a nominated bank account. Withdrawals will be processed in line with section 9.0, 'Buying and selling units'.
- 14.2 Partial withdrawals are allowed subject to any withdrawals leaving a minimum balance in the account – if your withdrawal will take your account balance below this minimum balance then you will have the choice of reducing the withdrawal amount or withdrawing the whole balance of your ISA.

Withdrawals will take your money outside of the tax efficient wrapper of the ISA, which means any future growth may be subject to income and capital gains tax. If you want to move your money to another ISA you should do this via the ISA transfer-out process described in section 11 to optimise the use of your annual ISA subscription limit.

14.3 This ISA doesn't allow flexible features which means that withdrawals cannot be repaid into the account in the same tax year without counting towards the ISA subscription limit for that year.

14.4 We reserve the right to request evidence to confirm:

- Your identity;
- That the requirements of the Regulations have been met

14.5 We will close your account:

- If you ask us to;
- On your death (see section 15.0, 'Death');
- If you transfer the full value of your account to another ISA (see section 11.0, 'Transfers out'); or
- If HMRC tells us to void your account

14.6 We reserve the right to close your account if:

- We reasonably suspect that you have given us false or incorrect information, which is material to our decision to accept your application for your account;
- We reasonably suspect that your account is being used for illegal purposes;
- You behave in an abusive, threatening or violent manner towards our staff;

- You were not entitled to open your account;
- We are required to do so by law or under the Rules or Regulations;
- If the value of your account is less than the minimum balance - where we would provide you with 30 days' notice before closing your account (details of the minimum account balance can be found on our website); or
- We have not received an initial payment within 30 days of your account being opened

15.0 Death

15.1 On your death your account's tax benefits will continue, and will be referred to as 'administration period investments' held in a 'continuing account of a deceased investor' until the earlier of the:

- administration of the estate is finalised, or;
- three years after the date of death

We will suspend the account on the working day we receive all the documents we have requested from your personal representative, including proof of the death, no further contributions will be allowed following the date of death, and the account cannot be transferred to another provider.

If on death you were married or in a registered civil partnership, your spouse or registered civil partner can benefit from an 'additional permitted subscription' allowance.

This allowance will entitle your spouse or registered civil partner to an additional amount that can be paid into ISAs, without affecting their own ISA allowance for the tax year.

Although we do not currently accept additional permitted subscriptions, the allowance can be transferred to another ISA provider. The allowance is set at the higher of the value of ISA investments held on the date of death, or at the point when the account ceases to be a continuing deceased's account.

Further information is available on request.

15.2 We will sell your units by the end of the working day after we receive and accept all the documents we have requested and after all payments have cleared.

15.3 The full value of your account will be subject to fluctuations in the unit price until we sell the units.

15.4 Any growth on the investment after the date of death until the date of settlement will be subject to tax. It will be the responsibility of your personal representatives to report any tax liability to HMRC.

15.5 We will make payment to your estate within four working days of the day units are sold.

16.0 Cancellation period

16.1 Once we have accepted your application and received your first payment, you have 30 days in which to cancel your account.

16.2 Upon receiving your cancellation request within the cancellation period referenced in 16.1, we will sell your units by the end of the working day after we receive and accept any documents we have requested in connection with your nominated bank account and after all payments have cleared.

16.3 Where you exercise your right to cancel, and subject to 16.4 and 16.5, we will sell any units held in your chosen investment fund and return the proceeds to your nominated bank account within four working days of the day the units are sold. If you have not set up a nominated bank account, this may delay the return of monies to you.

Where payment has been made into your ISA by way of a transfer from another provider, this will be treated in line with sections 16.4 to 16.6.

16.4 Where payments have been made into your account by way of a transfer from another provider and you cancel your account, you can ask us to:

- Transfer the value of the transfer payment to another ISA (please refer to 11.0, 'Transfers out'); or
- Return the value of the transfer payment to you

16.5 Where the value of a transfer payment from another provider cannot be transferred to a new provider, the value of the transfer will be removed from the ISA tax wrapper and returned to you. Where this might be the case, we will contact you to discuss your options.

16.6 The value returned to you or transferred to another ISA will reflect any loss or any gain in the unit price of the investment fund(s).

17.0 Tax

- 17.1 The tax liability related to the value of your account (including any growth in the value of the investments held within it) is subject to the Rules and Regulations and current tax law.
- 17.2 We will carry out the duties which we are bound by under the Regulations, including claims for repayment of tax.
- 17.3 You remain responsible for your own tax affairs, including making any applicable returns and payments and complying with any applicable laws.

18.0 Liability

- 18.1 If, having made reasonable attempts to do so, we cannot provide services because of something beyond our control (including strikes, industrial action, or the failure of equipment or power supplies); we will not be liable to you for any loss that you may suffer as a result.
- 18.2 We have no liability for any action we have taken, or not taken, in good faith unless there has been negligence by us. This does not restrict or exclude any liability that we may have by law or under the Rules or Regulations.

19.0 Changes to the funds or these Terms and Conditions

- 19.1 We can make a change to the Terms and Conditions but only for one or more of the following reasons:
- To make the Terms and Conditions easier to understand, fairer, or to correct mistakes;

- To enable us to comply with the law (including tax law), or the Rules and Regulations, or to relevant industry guidance or codes of practice, or to respond to a decision or recommendation of any court, ombudsman or regulator;
- To enable us to make reasonable changes to the way we manage your account or your fund(s), as a result of changes in technology or in the systems we use;
- To increase a charge or charges (or to introduce a new charge) in order to reflect an increase in the costs in running the fund(s), or in providing account services to you; or
- To improve the service to you or make the service, or the running of the fund(s), more efficient or cost effective

- 19.2 Changes to the fund(s), or a change of fund(s) may also be made for the following additional reasons to those listed in 19.1:

- To try to improve the fund(s)', or the account's, prospects for growth;
- To change the risk profile to try to reduce the risk that investors in the fund(s) are exposed to; or
- To change the fund manager, where the objective of the fund is not altered

- 19.3 Any change to the agreement or fund(s) will be made in accordance with the Rules.

- 19.4 If we make a change to the Terms and Conditions which is to your detriment, we will notify you at least 30 calendar days before we make the change. Where this is not possible, we will notify you as soon as is practicable.

19.5 We will not necessarily inform you if we make changes that are not to your detriment. However, we will communicate relevant updates to you.

20.0 Communication

20.1 In most circumstances, the communications we send you about your account will be electronic, usually by secure message.

20.2 Secure messages can only be viewed (and sent) by logging into our online service. When we send you a secure message, we will also send an email to your registered email address to tell you a secure message has been sent.

20.4 You can view the value of your account and view any transactions by logging into our online service.

20.5 If you make a debit card payment, you will receive confirmation of the payment to your registered email address.

However, we have in place a Conflicts of Interest policy to help us identify and record any actual or potential conflicts that may arise between our customers, us, our employees, our funds, our associated companies and/or any companies to whom we delegate any of our functions.

A summary of this policy is detailed below:

- We will consider the interests of all our customers and treat them fairly
- We have in place procedures to make sure that employees identify and report any new conflicts
- We will keep a written record of any conflicts or potential conflicts if appropriate
- We will disclose any relevant conflict to a customer before undertaking business with that customer
- We will carry out regular reviews to identify any new conflicts

In the unlikely event that a conflict of interest occurs, we will manage it to make sure that all customers are treated consistently and fairly and to minimise any possible negative effect this could have on our customers.

Our full Conflicts of Interest policy is available on request.
