

Salesforce IQ CRM - Order Form Supplement

Each User must have a Microsoft Exchange or Gmail account in order to use SalesforceIQ CRM, each of which is a non-SFDC application (a "Non-SFDC Application" or "Third-Party Application", as that term may be defined in the Agreement between SFDC and Customer). Salesforce IQ CRM may make available to Customer supplemental information about its Users' email contacts; if so, any such information is Content, not part of the Services, and is provided "As Is", with no warranties whatsoever.
