Interoperable clearing of Exchange Traded Products with cryptocurrencies as underlyings: Extension to Turquoise Europe

1.0 Overview

SIX x-clear AG (SIX x-clear) is expanding its interoperable clearing offering for Exchange Traded Products with cryptocurrencies as underlyings to Turquoise Europe. For the time being, bitcoin and Ethereum will be the only cryptocurrencies supported as an underlying. Due to the volatility of the underlying asset(s), special provisions continue to be applied when margining these products.

2.0 Effective date

Friday, 22 March 2024

3.0 Impact on participants

The instruments in question traded on Turquoise Europe may be cleared by both LCH Ltd and SIX x-clear in an interoperable way. Members already trading such products on other venues can start clearing the products traded on Turquoise Europe without any changes, provided they have the basic trading and clearing arrangements in place on Turquoise Europe. Clearing Members interested in clearing Crypto ETPs are kindly asked to contact their Relationship Manager to start the account opening process.

4.0 Details

Turquoise has appointed SIX x-clear as a strategic partner for the clearing of crypto ETNs. SIX x-clear will be able to interoperate with LCH Ltd and clear physically backed and unleveraged crypto ETNs with bitcoin and Ethereum as underlying assets, effective from **Friday, 22 March 2024**.

The criteria for clearing eligibility are as follows: long/short tracker of the cryptocurrencies bitcoin and Ethereum, unleveraged, and in supported clearing currencies. The criteria may be changed at a later stage. SIX x-clear's risk management teams are monitoring the situation and can adjust the criteria in line with market conditions if necessary.
