K-Board

SMART KEYBOARD

THE EASIEST WAY TO MAKE MUSIC
WITH A COMPUTER OR TABLET

PLUG & PLAY

Really. Just plug the USB cable into your tablet or computer, launch a music program, and start playing.

UNBREAKABLE

Throw it in a backpack and take K-Board anywhere without worrying about it. We've tested K-Board to survive drink spills, super soakers, and being run over by a car.

CREATIVITY IGNITED

Experiment with the touch-sensitive keys to shape sounds based on pressure or finger tilt.
