Smart Wi-Fi Lamp Dimmer Plug Kit

Tapo P135 KIT

Smarten up Your Lamps

Wireless Button Dimming | Schedule & Timer | Voice Control△
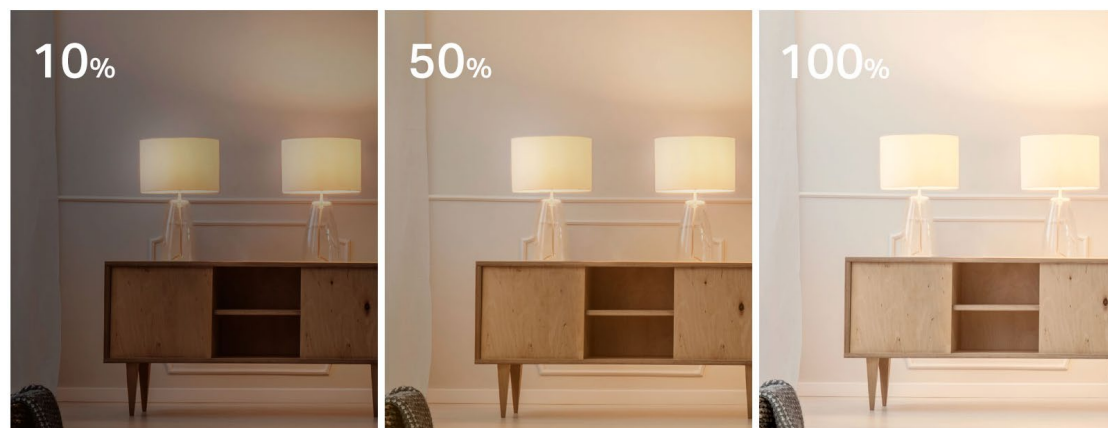

matter
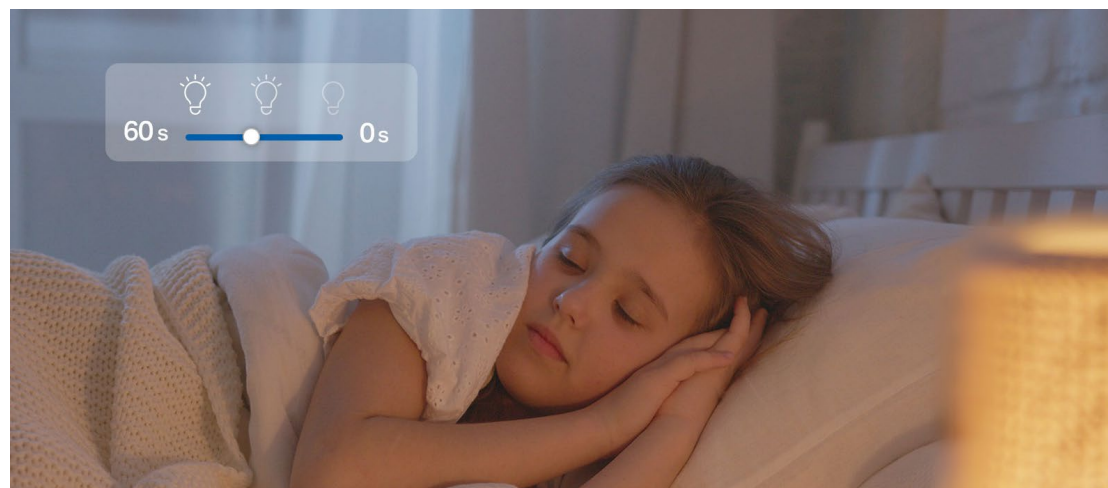

// Highlights

Brightness Control

Simultaneously control two lamps' optimal dimming range from their dimmest to brightest levels to achieve the perfect ambience.

*The actual lighting effect varies according to the connected lamps. Recalibrate the brightness in the Tapo app after changing a bulb.

Fade On/Off

Smoothly illuminate or dim your lamps without sudden eye-irritating brightness or darkness, allowing your eyes to gently adjust to the new lighting level.
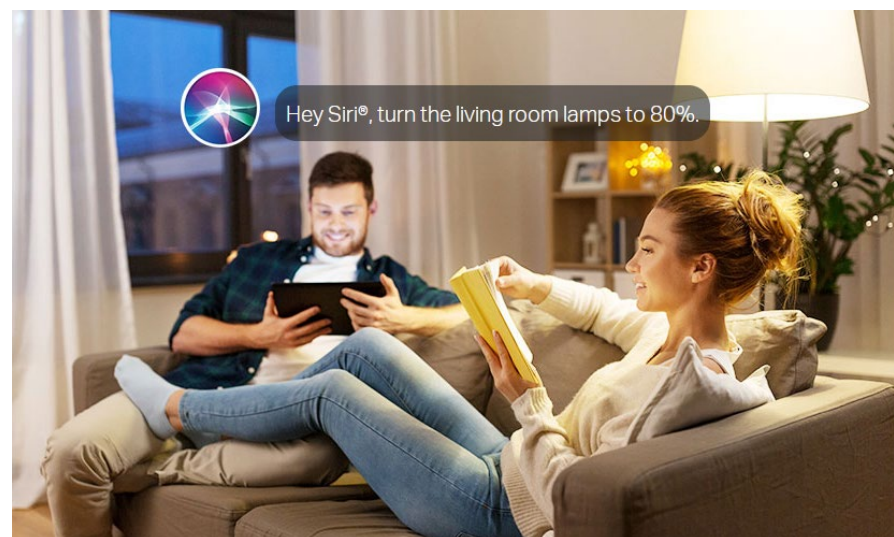

// Highlights

Wireless Button Dimming

Use the dimmer button to instantly dim and brighten two lamps simultaneously anywhere in your home. No more struggling to fire up an app or reaching for the lamps.

*No hub required. The dimmer button is bound to the dimmer plug and cannot be used separately.

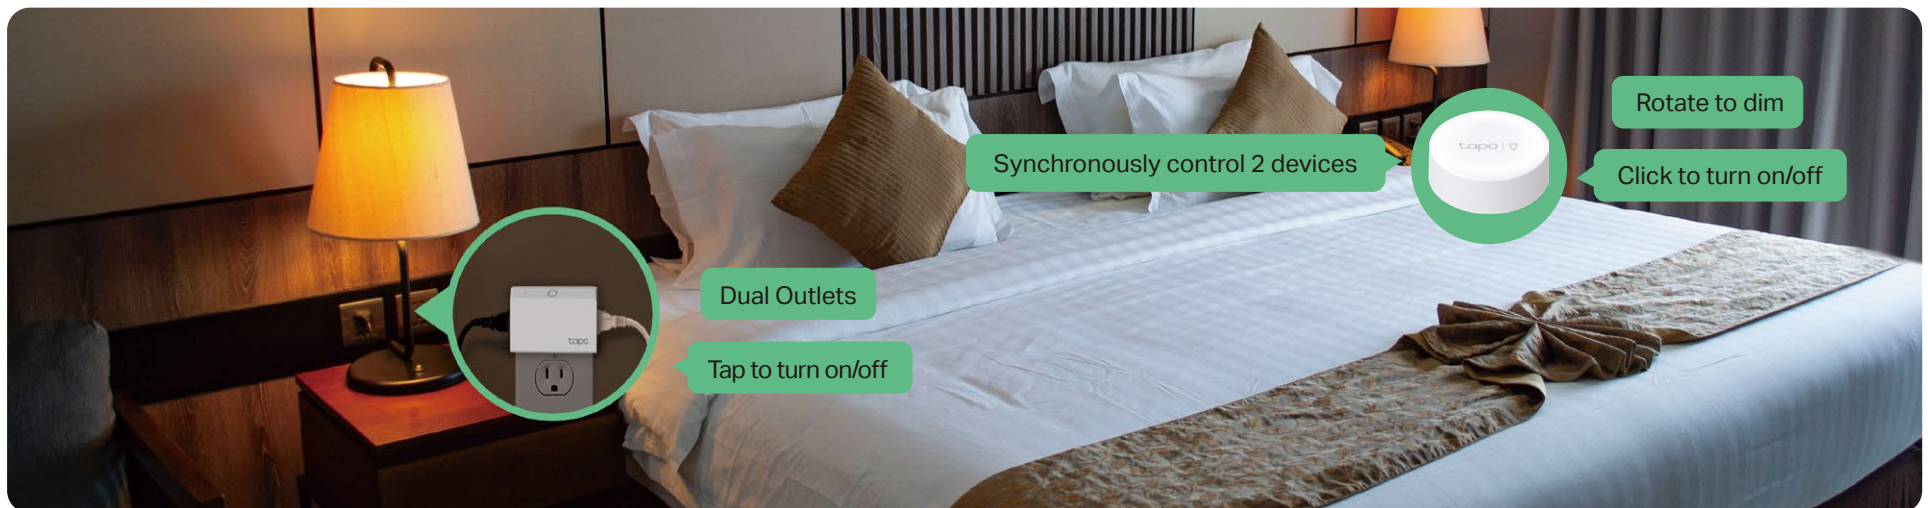

Voice Control△

Use simple voice commands with Alexa, Siri®, Google Assistant, or any other Matter-compliant voice assistant to conveniently control the lamps without leaving your spot.

Hey Siri®, turn the living room lamps to 80%.

// Features

- **Remote Control** – Instantly turn your lamps on/off, or set brightness from anywhere, at any time with the Tapo app.

- **Voice Control**△ – Use simple voice commands to conveniently control the lamps without leaving your spot.

- **Schedule** – Set your lamps to automatically turn on at a certain brightness at a specific time.

- **Scenes** – Control multiple devices all at once for a customizable scene. Instantly set the perfect ambience for any activity.

- **Matter-Certified** – Integrate Tapo products into your preferred ecosystems to work seamlessly with other certified products and create a unified smart home.

- **Easy Setup and Use** - Two outlets on the left and right allow simultaneous control of two lamps with ease. No hub required, set up quickly and manage easily through the free app

- **Device Sharing** - The Matter protocol enables family members to control your home's smart products through different control ecosystems.

// Specifications

General

- Material: PC (V-0, UL 94), Flame-retardant
- Voltage: 120V~ 60Hz
- Max Load[†]: 2.5 A Max Load Current, 150 W LED, 300 W INC/HAL
- Dimmable Type[‡]: Leading Edge Dimming / TRIAC Phase Cut
- Max Power Consumption: 4.6 W
- Standby Power Consumption: 1 W
- Power Requirements for Dimmer Button: CR2032 Battery

Power Button

⚠ Do NOT connect products powered by power adapters. This may damage the adapter and cause hazards.

Wireless

- Protocol: IEEE 802.11b/g/n, Bluetooth (for setup only)
- Wireless Type: 2.4 GHz
