MESSAGE FROM THE UCI PRESIDENT

2024 WHOOP UCI MOUNTAIN BIKE WORLD CUP

Two exceptional weekends of mountain bike racing are guaranteed in the department of Haute-Savoie, France, which hosts three rounds of the 2024 WHOOP UCI Mountain Bike World Series.

After simultaneous rounds in Combloux for the UCI Enduro and E-enduro World Cup and Megève for the UCI Cross-country Marathon on the last weekend of June, the WHOOP UCI Mountain Bike World Series will continue the following weekend in Les Gets for a round dedicated to UCI Cross-country Olympic, Cross-country short track and downhill.

Memories of the incredible 2022 UCI Mountain Bike World Championships in Les Gets are still firmly etched on our minds, and the resort

again hosted exceptional racing last year - alongside Châtel and Morzine-Avoriaz - when Haute-Savoie already welcomed two consecutive rounds of the UCI Mountain Bike World Series.

We therefore know from experience that we can expect top-class mountain biking and an amazing atmosphere at all three rounds in Haute-Savoie, which is also preparing to host the second edition of the multi-discipline UCI Cycling World Championships in 2027.

EMBRACE NEW LIMITS

MESSAGE FROM THE UCI PRESIDENT

2024 UCI MOUNTAIN BIKE WORLD CUP HAUTE-SAVOIE

Indeed, Haute-Savoie's commitment to our sport is quite exceptional, and I take this opportunity to thank the organising committee, which is supported by sponsors, local authorities, and other precious partners, all of whom share a common goal: the promotion of cycling as an Elite competition and also as a sustainable means of transport, and healthy leisure activity that can benefit all members of a population.

This is also the vision of the French Cycling Federation and its President Michel Callot, to whom I express my sincere gratitude for their welcome and their tireless work to promote our sport across all disciplines and for people of all ages, levels of fitness and physical ability.

Three rounds over two weekends, including all formats of the 2024 WHOOP UCI Mountain Bike World Series: whether an Elite athlete, a

hardened fan or a curious onlooker, Haute-Savoie is the place to be on the last weekend of June and first weekend of July. Excitement is guaranteed, and I wish everybody taking part the best of luck.

David Lappartient
UCI President
