Questions 12 and 13 are only applicable if your mortgage is to be arranged on an interest only or part interest only basis

Please note: if your new mortgage is arranged on an interest only or part interest only basis, the monthly payments during the mortgage term, due to us on the interest only portion of the mortgage, will generally cover interest only and will not repay any part of the loan amount. It is your responsibility to make sure that you put in place, maintain and regularly monitor an appropriate repayment vehicle(s) (e.g. a savings plan or endowment policy), which is expected to provide a lump sum sufficient to repay the loan amount (including all the capital still owing on the interest only portion) at the end of the mortgage term.

At the end of the term the loan amount (including all the capital still owing on the interest only portion) will remain owing to us, and should any product intended to repay the loan amount not perform as you currently expect it to, you will then have to find an alternative means of repaying the shortfall. We suggest that you take advice from a Financial Adviser regarding this important aspect of your commitment to the new mortgage application. Whilst it is not a condition of this loan that you take out life cover, we recommend that any such policy is in force when this loan starts (or on exchange of contracts where you are buying a property) and that you maintain it for so long as you consider it is needed.

You will be responsible for ensuring that any contractual documentation (life policies or contract notes etc) is kept in a safe place.

- 12 Do you intend to repay the element of this mortgage which is interest only or part interest only, at the end of the term with the proceeds from the sale of the property?

- For investment plans, ISA, occupational pension plan, personal pension plan, share portfolio or endowment policies: please give details of each plan in the boxes opposite. If you need space for more plans, please use Part 7: Additional Information.

About the property valuation

We will need to obtain a valuation of the property to be mortgaged, which will be carried out by a valuer instructed by us. Our Mortgage Valuation Report is a limited report intended for our valuation purposes only. We recommend that you arrange and pay for a more detailed 'HomeBuyer Report' or 'Building Survey' report undertaken for your own purposes. For full details of the different types of valuation and survey, please refer to us or the Royal Institution of Chartered Surveyors (RICS) www.rics.org.

- **Mortgage Valuation report**

This is a limited report and is not a survey of the property.

It is prepared solely for our purposes and as such should not be relied on by you as a report on the property's condition.
