Question 2 is only applicable if your mortgage is to be arranged on an interest only or part interest only basis

Please note: if your new mortgage is arranged on an interest only or part interest only basis, the monthly payments during the mortgage term, due to us on the interest only portion of the mortgage, will generally cover interest only and will not repay any part of the loan amount. It is your responsibility to make sure that you put in place, maintain and regularly monitor an appropriate repayment vehicle(s), which is expected to provide a lump sum sufficient to repay the loan amount (including all the capital still owing on the interest only portion) at the end of the mortgage term. You will need to provide us with documentary evidence of the repayment vehicles. Periodically, we will ask you to provide us with information on the performance of your repayment strategy.

At the end of the term the loan amount (including all the capital still owing on the interest only portion) will remain owing to us, and should any product intended to repay the loan amount not perform as you currently expect it to, you will then have to find an alternative means of repaying the shortfall. We suggest that you take advice from a Financial Adviser regarding this important aspect of your commitment to the new mortgage application.

Whilst it is not a condition of this loan that you take out life cover, we recommend that any such policy is in force when this loan starts (or on exchange of contracts where you are buying a property) and that you maintain it for so long as you consider it is needed.

You will be responsible for ensuring that any contractual documentation (life policies or contract notes etc) is kept in a safe place.

2 Please give details of the repayment vehicle(s) you are using to repay the interest only or part interest only element of your new mortgage.

Permitted types are: Sale of mortgaged property, sale of another property, a managed investment plan, pension, managed share portfolio or endowment policy. All of the above (with the exception of sale of property) must have been in place for at least 12 months.

Please note, if details are not complete, we will ask you again for the information, which may lead to a delay in the production of the Offer. We will take into account the payments you must make to maintain these products in assessing whether you can afford this mortgage and you must provide us with the information requested.

You will need to provide us with documentary evidence of the repayment vehicles. Periodically, we will ask you to provide us with information on the performance of your repayment strategy.

11 About the valuation

We will need to obtain a valuation of the property to be mortgaged, which will be carried out by a valuer instructed by us. Our Mortgage Valuation Report is a limited report intended for our valuation purposes only. We recommend that you arrange and pay for a more detailed 'HomeBuyer Report' or 'Building Survey' report undertaken for your own purposes. For full details of the different types of valuation and survey, please refer to the Royal Institution of Chartered Surveyors (RICS) www.rics.org.

- **Mortgage Valuation report**

This is a limited report and is not a survey of the property.

It is prepared solely for our purposes and as such should not be relied on by you as a report on the property's condition.

- 1 If this is a Scottish purchase and a valuation has already been carried out on the property, what was the cost of the valuation and what type of valuation report did you have?
- 2 Please tell us the name, address and telephone number of either:
 - a) the person who the valuer can contact to arrange a viewing of the property if a valuation hasn't been carried out yet. Please also indicate who the contact is (e.g. estate agent, vendor); or
 - b) for Scottish purchases, the person who carried out the valuation, if it has already been done
- 3 Please give details of the estate agent/selling agent if different from the contact given in question 2

- 4 You agree to keep the property fully insured until the loan is fully repaid.
