

For anyone who's ever been **here**...  
wishing they were **there**.

Here and There are so similar they're practically twins. But they could never play together because Here is always here and There is always there! So they become pen pals and write to each other all the time. Will they ever find a way to be together?

**When Here and There are far apart,  
they write to each other. When you're  
missing someone, write them a note  
with this postcard template!**

## **Instructions**

Print out pages 2-3 of this document double-sided on card stock. Cut out the postcard and write a message to someone you miss. Or you can even write to us! Add a stamp and put it in the mail. Don't forget to ask them to write back!
