

CATARATAS – Grupo 1

Rochester is situated in the north of the state of New York. Due to its proximity to Toronto we can include an excursion to this magnificent city. Toronto is the most populous city of Canada and the capital of Ontario. There is a lot of things to do and see in this city: you can get an amazing view from the CNTower, do some shopping or take a Harbor Boat Tour. You will also get to visit one of America's natural wonders: Niagara Falls.
