DEPARTMENT OF JUSTICE

[AAG/A Order No. 230-2001]

Privacy Act of 1974; System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), notice is given that the Department of Justice proposes to establish a new Department-wide system of records entitled "Correspondence Management systems (CMS) for the Department of Justice (DOJ)," DOJ/003. Most components of the Department maintain and operate their own correspondence tracking systems. There has been no change in the operation of component systems. Rather, this notice of a new system of records replaces most Privacy Act notices already published by components for existing systems, and it also provides notice for components that have not yet published a notice for such records. Because this is a Department-wide systems notice, it is broader than most correspondence tracking systems operated by individual

components. The purpose of publishing this Department-wide notice is to increase administrative efficiency and to centralize and simplify for the public the process of obtaining information and making requests. This systems notice includes disclosure provisions that may not have been part of former systems notices. This systems notice does not supercede systems of records covered by separately-noticed systems that are not removed by this order.

Accordingly, this Department-wide system notice replaces, and the Department hereby removes, on the effective date of this notice, the following notices previously published by individual Department of Justice components:

In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment; and the Office of Management and Budget (OMB), which has oversight responsibility under the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by [30 days after publication in the **Federal Register**]. The public, OMB, and the Congress are invited to submit any comments to Mary E. Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC, 20530 (Room 1400, National Place Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress.
