

With a small team of five we have over 70 years combined experience within the fastener industry. We have worked through all aspects of the industry from warehouse, purchasing, quality control, internal and external sales and management.

With our combined knowledge and expertise we are able to offer a quality product range at the right price and backed up with excellent customer service and technical support.

Our i-Fix Dacromet coated range of self drilling screws were designed in house as a quality alternative to the standard zinc & clear / zinc & yellow plated screws on the market. The Dacromet coating on our screws is tested to EN ISO 9227 / ASTM B117 in a salt spray booth for a minimum of 500 hours without showing red rust. By comparison a zinc or zinc & yellow plating to an industry standard of 5 to 8um will last for 50 to 160 hours before showing red rust.

Our i-Fix range of light steel screws is now manufactured and tested to EN 10666 (Drilling screws with tapping screw thread - mechanical and functional properties) to ensure consistency of quality and performance. This standard does not cover heavy steel or timber screws, but as standards are updated or new ones are created, we will endeavour to manufacture and test our screws to those standards.

Our range of assembled structural bolting is tested to EN 15048 (Non preloaded structural bolting assemblies) and test certs are available, as they are with our i-Fix Concrete Anchor range which is also tested to EN 15048.

We also offer a direct import facility for customers to import fasteners, fixings, bracketry and other steel components, thereby allowing the customer to achieve significant cost savings associated with Far East and Indian based manufacturing but without having to order full container loads or take the risk of receiving wrongly produced or substandard products.

All day-to-day communication with the customer, price, negotiation, contracts, shipping and invoicing will be handled in Ireland by a dedicated sales person within CMT Supplies.

We can supply point of sale display stands for our i-Fix range of self drilling screws and tilt bins for our hardware range of products for our retail customers.

**FASTENERS AND FIXINGS**

**i-FIX**

Our own range of quality self drilling screws with a dacromet coating, tested to a minimum of 500 hours in a salt spray booth without showing red rust. All bonded washers have a 3mm EPDM rubber for better sealing. All our screws have head markings for traceability and a barcode label on each bag

**ASH+LACY**

We supply the Ash & Lacy "Ashfix" warranted range of Bi-Metallic and Carbon Steel self drilling screws in hex head and nylon integrated moulded head. Warranties available up to 25 years.

We also supply Ashgrid bar and bracket system for twin skin roofing application.

**FLAT ROOFING FIXINGS**

For fixing insulation and membrane to Steel Deck, Concrete and Timber

**FLAT ROOFING**

Steel pressure plates and tube washer for insulation & membrane attachment

**COLOUR CAPS**

19mm & 29mm Colour Caps Available in all BS & RAL Colours

**PROFILE FILLER BLOCKS**

Polyethylene & EPDM filler blocks cut to suit all sheeting profiles Straight and Angled cuts

**SEALING TAPES**

Butyl Rubber tape, Foam tape, Expanding Foam tape

**SILICONES**

**EVER-BUILD** **SODAL**

Low Modulus Neutral Cure in Clear, White, Black, Brown & Grey

**POLYURETHANES**

**EVER-BUILD** **SODAL**

Polyurethane Adhesive Sealant in Grey, Black & White

**FOAMS**

**EVER-BUILD** **SODAL**

Expanding foam in handheld & gungrade, Standard, Exact Gap & B1/B2 Fire Rated. Applicator Guns & Cleaners

**PIPE FLASHINGS**

For Hot & Cold pipe, standard and retrofit

**ROOFING WASHERS**

Clearight Storm washer, Sela washer, Saddle washer, Bonded washer, BAZ washer

**ROOFING NAILS**

Powder Coated Agri Nails, Galvanised Drive Nails, Galvanised Felt Nails, Galvanised Spring Head Nails

**DRIVERS**

Magnetic Hex Driver for Tekes, 11mm Bi Hex Driver for Moulded heads, Torx, Philips & Pozzi Bits and Holders

**ASSEMBLED BOLTING**

High Tensile Set, Nut & Washer assemblies in BZP/Galv. CE Approved to EN 15048-1

**BOLTING**

Hex head Bolts & Sets in High Tensile BZP/Galv and A2/A4 Stainless

**NUTS**

Hex Full, Nyloc, Flange, Dome, Shear, Hex Connector in BZP/Galv and A2/A4 Stainless

**WASHERS**

Flat, Spring, Mudguard, Through Hardened, Load Indicating in BZP/Galv and A2/A4 Stainless

**BRAKE PIPE FITTING**

Brake pipe nuts male & female, metric & Bleed screws, Flaring tool, Tubing cutters

**PINS / CLIPS**

Split pins, Lynch pins, Brake pad pins, R Clips

**GREASE NIPPLES & ACC**

BSP and Metric Straight and Angled

**HOSE CLIPS**

Hose clips, Hose clamps and O Clips

**HOLDING DOWN BOLTS**

Square / Square Holding Down Bolts in Black Oxide/ Galv. Square Plate Washers & Cones CE Approved to EN 15048-1

**THREADED BAR**

Mild Steel & High Tensile in BZP/Galv and A2/A4 Stainless 1,2 & 3 metre lengths

**CUP SQUARE BOLTS**

Mild Steel BZP/Galv and A2/A4 Stainless

**COACH SCREWS**

Mild Steel BZP/Galv and A2/A4 Stainless

**AIRLINE FITTINGS**

100 Series, Vertex, Gauges, Blow guns, Inflators tail, Pieces, Adaptors

**AUTOMOTIVE CABLE**

Single, Twin, 7 Core, 5 Core, Welding cable, Battery cable & Terminals

**FUSES**

Blade, Glass, Mini, Maxi, Midi Pal, Strip, Holders, Boxes

**ADHESIVE TAPES**

Insulating, Masking, Gaffer Double sided, PTFE, Barrier, Anti-Slip

**ALLEN SOCKET SCREWS**

Cap, Countersunk, Button & Set Black Oxide, BZP and A2/A4 Stainless

**RIVETS**

Standard, Sealed, Peel, Multigrip, Bulbrite, Monobolt In Aluminium, Steel and Stainless

**LINDAPTER**

Non Invasive Steelwork Connections

**SELF TAPPERS**

Pan, Countersunk, Hex, Flange head in steel BZP and A2/A4 Stainless

**PPE**

Gloves, Hats, Ear Protection, Goggles, Hi-Viz, Boots

**TUBING & HOISING**

Heater hose, Petrol Pipe, PVC Braided, Nylon tubing, hose menders, Hose reducers

**HYGIENE**

Blue Roll, Toilet Roll, Bags of rags, Hand wash, Bleach etc

**BATTERIES**

Rechargeable, 996, Coin, Button, Sealed lead

**CHIPBOARD SCREWS**

Countersunk Pozi Chipboard Screws in Steel ZYP and Stainless Steel

**THROUGH BOLTS**

Through Bolts for fixing into concrete. BZP/Galv

**SLEEVE ANCHORS**

Sleeve Anchors bolt type/ nut type for fixing into concrete/ blockwork BZP

**CONCRETE SCREWS**

Thunder Bolts, Tapcons and Concrete Screws

**AUTO ELEC TERMINALS**

Standard, Crimpers, Open end, heat shrink, Copper tube terminals, Crimpers

**CABLE TIES**

Standard, Screwmount, Pushmount, Releasable, Marker, Bases, Coloured

**ADHESIVES**

Lock & Seal, Super glue, Stud & Bearing, Epoxy, RTU silicone, Clear Gasket epoxy putty

**GREASE**

Copper, Brake, Lithium, Red rubber, Aluminium

**CHEMICAL MORTAR**

Styrene free and Styrene based mortar in 300ml & 380ml. Applicator guns and mixer nozzles

**DRYWALL FIXINGS**

Drywall Screws Wafer Head Screws CE Approved to EN 14566

**STEEL DRILLING**

HSS, Cobalt, Stub, Taper, Step, Cone Cutters, Holesaws & Arbours Broaching Cutters & Pins

**MASONRY DRILLING**

SDS Plus, SDS Max, Core Bits

**SPRAYS**

Linemarkers, Galv spray, Antisplatter, Drilling & tapping, Penetrating fluid, Brake cleaner

**TAPS & DIES**

Metric & Imperial, Round & Hex Dies, Ratchets and wrenches to suit

**ABRASIVES**

Flap discs, Emery sheets Flap wheels, Emery rolls, Wire cup brushes

**CUTTING & GRINDING**

Steel cutting, Stone cutting and Steel grinding
