From

Additional Chief Secretary to Government of Haryana,
Department of Higher Education.

To

1.   The Vice Chancellors of all State Universities under the aegis of Directorates of Higher and Technical Education.
2.   The Principals of all Government, Aided and Self Financing Colleges.

Memo No. DHE-170005/5/2023-Deputy Director-NPE

Dated: 08th June, 2023

Subject: **Regarding implementation of the key components of National Education Policy, 2020 in colleges and universities.**

Kindly refer to the subject cited above.

In supersession of this office letter no. DHE-170006/11/2020-NPE dated 05.06.2023, it is stated that the State Government has decided to implement the key components of NEP 2020 in colleges and universities in a phased manner. Major key components of NEP 2020 are as below:

1. Quality Universities and Colleges
2. Towards a More Holistic and Multidisciplinary Education
3. Optimal Learning Environments and Support for Students
4. Internationalization
5. Motivated, Energized, and Capable Faculty
6. Equity and Inclusion in Higher Education
7. Teacher Education
8. Reimagining Vocational Education
9. Catalyzing Quality Academic Research in All Fields
10. Effective Governance and Leadership for HEIs
11. Promotion of Indian Languages, Arts, and Culture
12. Ethical Values/ Moral Education
13. Technology Use and Integration
14. Online and Digital Education: Ensuring Equitable Use of Technology
15. Adult Education and Lifelong Learning
16. KG to PG under one roof

1

Some of the above mentioned components envisages following paradigms:

- Multidisciplinary, flexible and equitable education framework for the holistic development of learners
- Emphasis on skill-based education, vocational education and apprenticeship/internship
- Encourage critical thinking, creativity and problem-solving skills
- Increase the Gross Enrolment Ratio (GER) in higher education to 50% by 2035
- Promotion of Indian languages, art, culture and heritage
- Emphasis on Multidisciplinary, Interdisciplinary, and Transdisciplinary research to develop innovative solutions to overcome societal issues.

NEP 2020 advocates that a holistic and multidisciplinary education would aim to develop all capacities of human beings -intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Such a holistic education approach is necessarily required at under graduate level.

The 4-year multidisciplinary Bachelor's programme, however, shall be the preferred option since it allows the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student. The holistic four year under graduate education with multiple entry and exit provisions will help in matching of the undergraduate education to international standards and will facilitate the student mobility for higher studies, research and employability across the globe.

On the above mentioned premise, two of our leading State Universities namely Kurukshetra University and MDU Rohtak have drafted Curriculum and Credit framework for implementation at University and College level based on the recommendations of a centralised committee. Report of the Centralised Committee is enclosed herewith. This is a comprehensive document prepared by a pool of academics from Universities and Colleges.

2

The framework envisages following structure:

i. Curriculum and Credit Framework for Undergraduate Programmes (Multidisciplinary)

ii. Curriculum and Credit Framework for Undergraduate Programmes (Single Major) (For students who choose to pursue single major from 1st semester)

iii. Curriculum and Credit Framework for Undergraduate Programmes (Single Major) (For students who choose to pursue single major after 2nd semester of multidisciplinary Programmes)

iv. Curriculum and Credit Framework for Undergraduate Programmes (Interdisciplinary)

The above framework will be applicable to the programmes such as Bachelor of Science (B.Sc.), Bachelor of Arts (B.A.), Bachelor of Commerce (B.Com.), Bachelor of Computer Applications (BCA), Bachelor of Business Administration (BBA) etc.

Main features of Curriculum and Credit Framework CCFUGP include the following features:

i. Opportunity for learners to choose the courses of their interest in all disciplines

ii. Provision of multiple entry and exit options with a UG Certificate or UG Diploma or UG Degree depending on the number of credits earned

iii. Flexibility for students to move among the institutions through the implementation of Academic Bank of Credits (ABC)

iv. Flexibility to switch to alternative modes of learning (Offline, ODL, Online, and Hybrid modes)

v. Versatile curricular framework for holistic development of graduates.

This will provide following flexibity/mobility to students:

- UG Certificate: Students who opt to exit after completion of the first year and have secured 48 credits (44 credits in case of single major) will be awarded a UG certificate if, in addition, they complete one internship of 4 credits during the summer vacation of the first year.

3

These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years.

- UG Diploma: Students who opt to exit after completion of the 2nd year and have secured 96 credits (94 credits in case of single major) will be awarded the UG diploma if, in addition, they complete one vocational course of 4 credits during the summer vacation of the second year. These students are allowed to re-enter within a period of three years and complete the degree programme within the maximum period of seven years.

- 3-year UG Degree: Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the discipline/subject after successful completion of three years, securing 132 credits (136 credits in case of single major) and satisfying the minimum credit requirements.

- 4-year UG Degree (Honours in life sciences etc.): A four-year UG Honours degree in the major discipline will be awarded to those who complete a 4-year degree programme with 180 credits (184 credits in case of single major) and have satisfied the credit requirements.

- 4-year UG Degree (Honours with Research): Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline. The students, who secure 180 credits (184 credits in case of single major), including 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).

- UG Degree Programmes with Single Major: A student has to secure a minimum of 50% credits from the major discipline for the 3-year/4-year UG degree to be awarded a UG degree in major subject. For

4

example, in a 3-year UG programme, if the total number of credits to be earned is 136, a student of Physics with a minimum of 68 credits will be awarded a B.Sc. in Physics with a single major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 184, a student of Physics with a minimum of 92 credits will be awarded a B.Sc. (Hons./Hon. With Research) in Physics in a 4-year UG programme with single major.

The State Government has decided to implement the Framework in the following manner:

1. The Framework will be implemented by KUK in its affiliated colleges from the ensuing academic session keeping in view that the University had experimented the implementation of NEP credit framework in its constituent college/departments. For its implementation in affiliated colleges and university teaching departments, detailed guidelines will be shared by the Kurukshetra University immediately along with the syllabi in all courses. Workshop of all affiliated colleges, vocational courses, clustering of smaller colleges, model time table for colleges, online courses(if need be) etc shall be done by the University. Admissions to UG Programmes (1st Year) in affiliated Colleges/ Institutes will be done in Multidisciplinary Programme, UG Single Major Programme and Interdisciplinary Programme.

2. MDU Rohtak and other Universities namely GJU, Hisar, JC Bose University, Faridabad and DBCRUST, Murthal will implement the framework in university teaching departments/constituent colleges wherever feasible from the ensuing academic session. For rest of the State Universities and Private Universities, they may decide about the implementation of the NEP Credit Framework as per their preparation and readiness in university teaching departments/constituent colleges in the first phase. All State Universities will ensure the implementation of NEP 2020 Credit Framework in all affiliating

5

colleges and University Teaching Departments from the next academic session i.e. 2024-25 by taking all needful measures timely.

3. For KUK colleges, centralised admissions will be done by the Directorate of Higher Education inline with NEP alongside the admissions of affiliating colleges of other State Universities on old pattern by making necessary changes in the centralised online admission portal.

4. For the implementation of NEP-2020 in affiliated Colleges/ Institutes of Kurukshetra University, a workshop will be organized on 16.06.2023 by Kurukshetra University, Kurukshetra to make the Principals and Faculty in Colleges, aware about the curriculum frameworks for UG Programmes in detail as per NEP and the implementation process. Shri Anand Mohan Sharan, IAS, Additional Chief Secretary, Department of Higher Education, Govt. of Haryana, will address the stakeholders in this workshop scheduled on 16.6.2023. Details of sessions and minute-to-minute programme of the workshop will be shared with the DHE and Colleges by the Kurukshetra University. It will be mandatory for the Principals of all affiliated colleges to attend this workshop alongwith their teams.

5. List of programmes according to NEP and their mapping with the existing nomenclature is attached herewith as Annexure-I w.r.t affiliated colleges of KUK. Detailed guidelines in the matter will be shared by the Kurukshetra University, Kurukshetra.

6. List of subjects categorized according to the disciplines is attached herewith as Annexure-II w.r.t affiliated colleges of KUK. Detailed guidelines in the matter will be shared by the Kurukshetra University, Kurukshetra.

I have been directed to request you to take necessary action in accordance with the above guidelines.
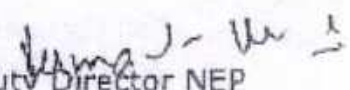

Deputy Director NEP
for Additional Chief Secretary Government of Haryana,
