Wishing you a very Dynamic, Prosperous & Enlightening

Happy New Year 2023

World Science Day for Peace and Development was "marked an auspicious" by IMSEC on 10th November to recall, appreciate and recognize the importance of science in society and emphasize laid down of involving the general public in discussions about innovative ideas and debate over emerging scientific issues.

IMSEC celebrated 26th November to commemorate the Constitution Day of India and all staff members had been vowed not to breach any Laws, By-Laws, Rules & Regulations specified in our Constitution and will be abided by the same forever. To enlighten human brains, a discourse had been organized to keep Indian citizens acquainted with and applaud for the path paved for us.

EMPLOYABILITY IS PERMANENT NOT EMPLOYMENT

Prof. (Dr.) VIKRAM BALI
 Director, IMS Engineering College

Tell us about your vision for the growth of IMS Engineering College (IMSEC).

Over the years, IMSEC has been successful in taking diversified, proactive and crucial steps for the growth of engineering education, maintaining standards, and to keep the curricula current and relevant as per the industry. While much has been accomplished, continuously changing expectations of the industry, global society and the vast stakeholder community inspire us to welcome and embrace technology

Existing there is a huge gap between the expectations of the industry and the end products in academia, Dr. Vikram Bali, Director of IMS Engineering College, tells Education Post that emphasis must be on experiential education by involving students in real life projects to enhance employability.

A total of six teams from **IMS Engineering College** have been shortlisted in a Hackathon organized by COER College of Engineering, Roorkee from 18-19 Nov, 2022. These teams were shortlisted on the basis of idea submitted online on their website before 12 Nov, 2022. The shortlisted teams performed during two days (18-19 Nov., 2022) for Hackathon in the host (COER) college. All teams performed outstanding there and were appreciated by the judges. The Limn-5 stood First Runner-up (4th Position) in the final result.

Expert Talk by Alumni/Guest Speaker

Department of Information Technology & Department of Applied Sciences and Humanities jointly organized an Expert Talk on the theme "The Emerging Technologies & Trends" on 24.11.2022. The guest speaker was Ms. Sugandha Sharma, Lead-IT (Asia Pacific Region), Bill & Melinda Gates foundation. It was a part of 1st year Student Induction Program (SIP). Approximate 100 students of 1st year participated in the Talk.

Department of Biotechnology organized an Expert Talk entitled "Targeting T-cells in Ischemic Heart Failure: From Bench to Drug Discovery" on 04.11.2022. The guest speaker was Dr. Shyam Bansal, Department of Physiology and Cell Biology, The Ohio State University, Columbus, US. There were 80 participants in the Talk.

Department of Computer Science & Engineering & Institution Innovation Cell jointly organized an Alumni Talk on “Future Technology Trends” by Ms. Agrima Gaur, Assistant Project Manager in CIBC bank project in TCS on 22.11.2022 during 1st year Student Induction Program (SIP).

Department of Computer Science & Engineering & Institution Innovation Cell jointly organized an Alumni Talk on “Innovations in AI & ML” by Mr. Aman Rathore, Senior Software Engineer, Amdocs on 21.11.2022 during 1st year Student Induction Program (SIP).

Department of Computer Science & Engineering & Institution Innovation Cell jointly organized an Alumni Talk on “Innovations in Data Science” by Mr. Kamal Singh Bisht, Data Engineer, Sigmoid Analytics, on 14.11.2022 during 1st year Student Induction Program (SIP).

Department of Computer Science & Engineering & Institution Innovation Cell jointly organized an Alumni Talk on “Role of Cloud Computing” by Mr. Saurabh Kapoor, working at IBM on 14.11.2022 during 1st year Student Induction Program (SIP).

Department of Computer Science & Engineering & Institution Innovation Cell jointly organized an Alumni Talk on “My Story–Motivational Session by Successful Entrepreneur / Start-up Founder” by Mr. Suraj Jaiswal, Co-Founder & CTO, SSJIT Solutions Pvt. Ltd., on 23.11.2022 during 1st year Student Induction Program (SIP).

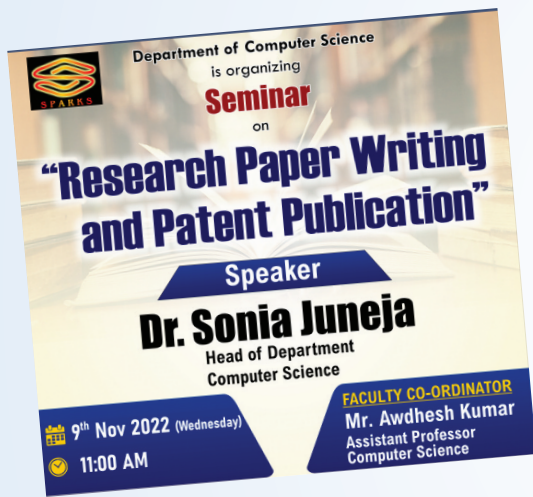

Department of MBA organized an online Expert Talk on “Investors Awareness Programme on Financial Literacy and Awareness” by Prof. Atul Sathe on 24.11.2022.

Department of Information Technology organized an Alumni Interaction for the IT final year students on 10-11-2022. Mr. Saurabh Dey (Alumni B.Tech-IT 2011-15 batch), Senior Product Engineer, LTI, Pune interacted with the students and make them aware about the latest industry trends.

Department of Biotechnology organized an Alumni Talk on 25.11.2022 conducted by Er. Hasan Kamal (Alumni B.Tech-BT 2007-11 batch) who is currently the Director, HVKC (Hamdard Vocational Knowledge Centre) Muradabad, a centre of Jamia Hamdard. Total 55 students attended the Talk.

Expert Talk/Lecture by IMSEC Faculty Members

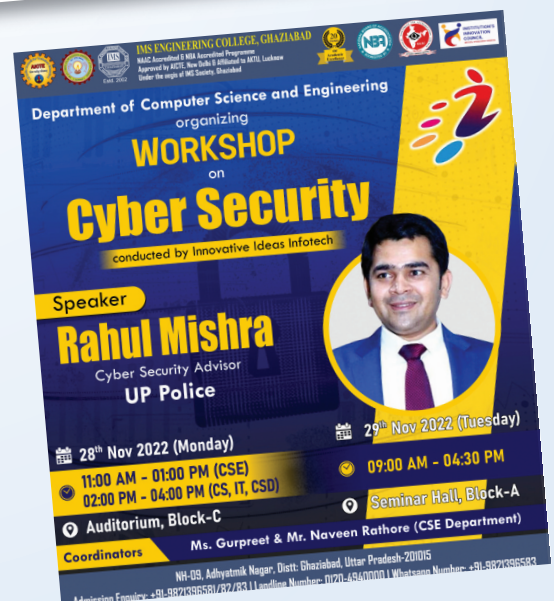

Dr. Sonia Juneja, HoD-CS, delivered a special lecture on “Research paper Writing and Patent Publication” on 09.11.22.

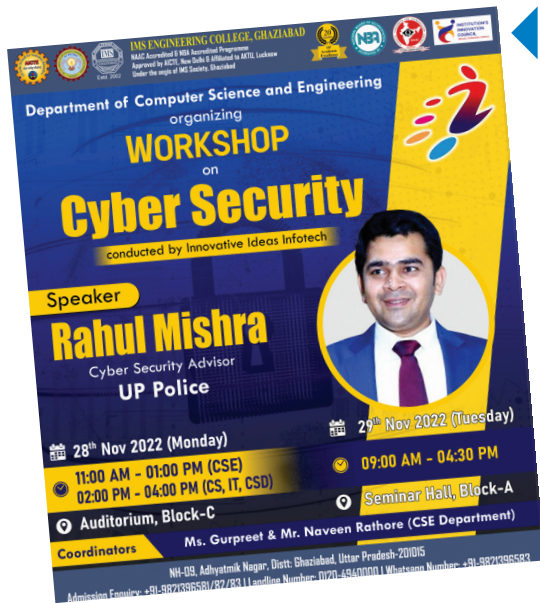

Ms. Prabhjot Kaur, Dept. of IT, delivered a lecture on “NBA criterion-1” on 30.11.2022. Faculty members of IT department attended the session.

Workshop organized

Department of Computer Science and Engineering organized a two day Workshop on “Cyber Security” conducted by Innovative Ideas Infotech on 28.11.2022 – 29.11.2022. Mr. Rahul Mishra, Cyber Security Advisor, UP Police was invited as Guest Speaker for this Workshop.

Department of Computer Science and Engineering organized a Workshop on “Cyber Security” in association with CISCO on 15.11.2022 & 17.11.2022. The session was conducted by Mr. Kartik Bhardwaj, Master Trainer NIIT Foundation. Dr. Subhajit Ghosh & Mr. Vivek Jain (CSE dept.) coordinated the session. Faculty members and students of 5th Semester CSE department attended the session.

Department of Information Technology organized a Workshop on “Android Application Development” in association with CSI, Ghaziabad Chapter on 16.11.2022. The session was conducted by Er. Ravi Shankar Mishra (Full Stack Java Trainer). A total of 60 students from IT 2nd Year attended the workshop.

Industrial Visit

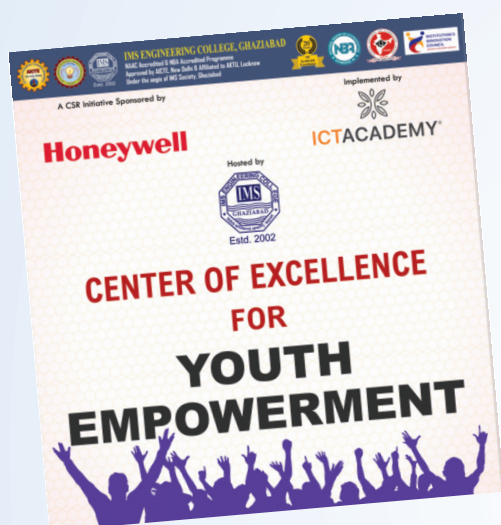

Department of Biotechnology organized a research and entrepreneurship facility visit for Biotechnology 4th year students at Regional Centre for Biotechnology (RCB), Faridabad, Haryana on 21.11.2022. There were 43 students in the visit.

Department of Information Technology organized a Workshop on “Android Application Development” in association with CSI, Ghaziabad Chapter on 16.11.2022. The session was conducted by Er. Ravi Shankar Mishra (Full Stack Java Trainer). A total of 60 students from IT 2nd Year attended the workshop.

New Initiatives/Developmental activities undertaken

▶ **Department of Applied Sciences & Humanities** organized Student Induction Program (SIP) for newly admitted students of B.Tech. The SIP was scheduled from 07.11.2022 – 28.11.2022 in which curricular and co-curricular activities like games, cultural activities, Yoga session, Universal Human Value lectures, introduction with various departments and introductory lectures of all subjects were conducted successfully.

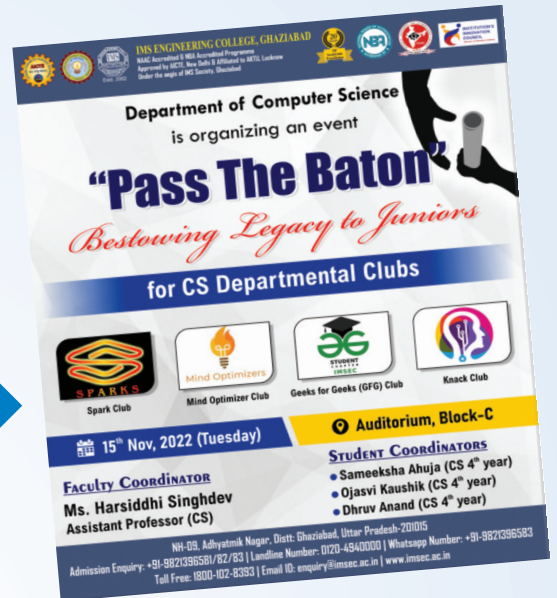

Idea and Entrepreneurship Club under the GEMS society of Biotechnology department organized Young Innovators Event on 28.11.2022. Students from different departments of College participated in four events namely Best out of the Waste, Concept Mapping, Scamper and Brain Sketching. Students presented their ideas and innovative creations under different events. 34 students participated in the event.

▶ **Department of Computer Science & Engineering** organized a mentoring activity “Career Goals and Career Paths” for 2nd Year students on 23.11.2022. Mentors have conducted group discussions and presentations. Each student filled up academic records and personal information in mentor cards.

▶ Akshaya Society of Computer Science & Engineering department organized Workshop & Orientation Program on “Basic Technologies like LinkedIn, GitHub, Andriod, VS Code” on 25.11.2022. The speaker of the session were Naman Gupta, Palak Bhatnagar, Shivang Sharma and Kuldeep Dubey (Students of CSE-4th Year). Students of CSE 2nd Year participated in the event.

▶ Department of Computer Science organized an event “Pass the Baton”, Bestowing Legacy to Juniors on 15.11.2022. The event was organized to introduce newly appointed Club Leaders to the department. The event was coordinated by Ms. Harsiddhi Singhdev, CS Dept.

▶ INFOCORP Society (Student Society of IT Department) conducted an orientation program for 1st year students on 22.11.2022 & 23.11.2022 in which they introduced INFOCORP Society to the audience and conducted technical activities.

Patents by Faculty members/students

- ▶ **Dr. Sonali Mathur & Mr. Nitin Goyal, CSE Dept.** published a Patent with the title "A Machine Learning System for Predictive Maintenance of HVAC" in November 2022.
- ▶ **Mr. Updesh Kumar Jaiswal, IT Dept.** filed a Patent with title “A method for detection of Brain Tumor using Machine Learning and Convolution Neural Network”, application number 202211064290, published on 25.11.2022.
- ▶ **Dr. Chandan Choubey, ECE Dept.** published an Indian Patent with the title “A Wi-Fi based Fire Extinguishing Robot” on 25.11.2022
- ▶ **Dr. Chandan Choubey, ECE Dept.** published an Indian Patent on “An IoT Based Contactless Door Integrated with Thermal Screening, Mask Detection and sanitization System” on 11.11.2022.
- ▶ **Dr. Balwant Singh, ECE Dept.** published an Indian Patent on “An Iot Based Shopping Trolley” on 02.11.2022.
- ▶ **Raghav Gupta, Nishtha Gupta, Ayushi Chauhan, Mansi Pandey and Aditya Sharma, students of IT Dept.** filed a Patent with title “A method for detection of Brain Tumor using Machine Learning and Convolution Neural Network”, application number 202211064290, published on 25.11.2022.

ADRIFT

The fate on which I walk,
It hurts so badly.
Emotions were neglected, so coldly,
By you with no sympathy.

It's a torment raised to infinity,
You left me in solidarity;
Cause you couldn't reach the hill,
Of my expectations and will.
I realized only till,
When nothing remained still.

It's a bond broken long ago,
Don't try to rebuild it.
It was all your fault-admit it.
You left when the lamps were half lit.
You abandoned the one you've been with.

But I hope we talk someday later,
On a couch near the refrigerator.
Our girl gang would again be together;
My words are not blather.
Memories we made, time we spent,
Any reasons for you to resent?

I won't let just go away,
Given another chance, another day.
Yours or mine let's make our confessions;
For words can fill depressions.
Let's keep the promises we made,
Our witness- two glasses of lemonade.

No apologies from your side;
No regret sitting beside.
No grudge in the air,
I've made everything clear.
You'll be the one I've always supported.
I'll be the one you've always trusted.

हम सब झूठ बोलते हैं

दिल में कुछ, दिमाग में कुछ, जुबान से कुछ बोलते हैं।
हम सब झूठ बोलते हैं।
पता आपको भी है और हमे भी मालूम, तिनके सी औकात है मेरी,
फिर भी आप बेझिझक हमे मशहूर बोलते हैं।
हम सब झूठ बोलते है।
दिल में है जहर और ईर्ष्या तेरी तरक्की को देखकर,
जब सामने आते हो तो मुस्कराकर वाह वाह बोलते हैं।
हम सब झूठ बोलते हैं।
झुक कर बाहों में भर लिया प्यार से तेरी होंसला अफजाई को,
मुस्कराते हुए तेरी पीठ में हम छुरा खोलते हैं।
हम सब झूठ बोलते हैं।
अब तो देखकर तेरी नेकी और सुनकर अपनी तारीफ डर लगने लगा है,
लोग अक्सर दिखा कर दरियादिली रस में विष घोलते हैं।
हम सब झूठ बोलते हैं।
अब तो खुखवार जानवरो से भी नही रह गया है कोई खौफ,
डर लगता है आदमी से फिर भी उसे अपना बोलते हैं।
हम सब झूठ बोलते हैं।
