No. JH (Admission)/2024/ 01

The Admissions in Jamia Hamdard in the entire programmes are done by Centralized Counselling process in a complete transparent manner purely through online/offline mode on the basis of merit of the Candidates in NEET/JEE/CUET/MAT/GPAT/CET/Board examinations conducted by the National Testing agency/University/Approved boards.

It has been noticed that few Agency/ Agents portray themselves as the Admission Agent of Jamia Hamdard and assure the Admission in various courses in the University. The University has received several complaints in the past also from some candidate and their parents that some agents/ touts claiming to be representatives of the University are promising them to get admitted in different programmes of University and thereafter asking these candidates to transfer money through different App or demanding money in cash, These agents/ touts are also sending messages/emails/whatsApp messages to the candidates promising Direct Admission in the University. Sometimes these touts/ agents fraudulently obtain access to the personal mobile numbers / emails of these Candidates. These agents doom the hard earned money of the students and even blackmail them to pay extra money though they have got the admission on their own merits.

Please note information regarding Centralized Counselling is provided by the University on the Jamia Hamdard official website. Candidates are advised only to follow the instructions as given in the Admission Notices uploaded at Jamia Hamdard official website, i.e. [www.jamiahamdard.edu](http://www.jamiahamdard.edu) and Online Admission portal <https://ums.jamiahamdard.ac.in>

The Candidates or the parents are requested to preserve the suitable evidences and share with the Registrar Jamia Hamdard ([registrar@jamiahamdard.ac.in](mailto:registrar@jamiahamdard.ac.in)), in case they are approached by any touts or agents claiming to be representative of the University promising to get Candidates admitted in the University. The University may file FIR against such touts/agents for having obtained the personal details of the Candidates through illegal means with the intention to cheat/fraud.

The candidates/parents are advised to not to respond such phone calls/ messages being sent by agents/touts who have fraudulently got access to the telephone no's/emails of the candidates.
