Dear Sir,

Revision in Ratings by CARE

CARE Ratings has, vide email dated February 08, 2018, revised its outlook on the Lower Tier II bonds to 'Stable' from 'Negative' as under :

Facilities/ Instrument	Amount (₹ crore)	Ratings	Rating Action
Lower Tier II Bonds	50 (Rupees Fifty Crore only)	CARE A; Stable (Single A; Outlook:Stable)	Rating Reaffirmed; Outlook revised from 'Negative'

The revision in outlook to 'Stable' is driven by significant capital support extended to the bank by the government under its recapitalization scheme for public sector banks. Under the scheme, IDBI Bank is slated to receive capital of ` 10,610 crore in the current financial year thereby providing substantial comfort to the capital position of the bank in light of elevated provisioning for NPAs as well as IndAS adoption.

You are requested to kindly take the above intimation on record in terms of the provisions of Regulations 30 & 51 of SEBI (LODR) Regulations, 2015.

भवदीय,
कृते आईडीबीआई बैंक लिमिटेड

[पवन अग्रवाल]
कंपनी सचिव
