II. PAN-Adhar linking

Non-linking of Adhar with PAN before the date specified by the Government (i.e., June 30, 2023 as of now), shall make the PAN 'inoperative'. On PAN becoming "inoperative", it tantamount to investor not furnished, intimated, or quoted PAN, and accordingly shall be liable for consequences under the Act.

Moreover, non-linking of PAN-Adhar would be considered as non-KYC compliant, and there could be restrictions on financial and non-financial transactions in Mutual Funds until PAN and Aadhaar are linked. Customers are requested to link their PAN with Adhar at the earliest to ensure continuity in transactions in Mutual Fund folios.

Action taken against different types of transactions since 1st July 2023:

If the investor has already completed the linking, the same will be independently validated from the Income Tax database as on 1st July 2023 or thereafter. Accordingly, Mutual Fund transactions shall be allowed, as appropriate.

Note to NRI Investors: Further, the above provisions shall not apply to a non-resident under Indian Tax Laws (please note that the declaration of tax status made to Mutual Funds is not interlinked with tax status as per income tax). As per the status appearing in the database of the Indian revenue authorities (IRA), the tax status is appearing as 'resident' and accordingly, where the PAN and Aadhaar is not linked on or before 30 June 2023, the PAN shall become inoperative, and the above stated consequences shall apply. We request investors to refer to the income tax regulations in this regard and reach out to their tax consultant to have their PAN linked with their Aadhaar on or before 30 June 2023 or have the tax status updated as 'non-resident' (where applicable) with the IRA to ensure smooth processing of taxation formalities.
