NPCI/2017-18/CTS/031   October 26, 2017

To

All CTS Member banks

List of MS patch to be deployed in CHI servers September 2017

CTS system is operated grid based from Southern grid, Northern grid and Western grid. The system is being accessed by various banks from across locations through the clearing house interface (CHI).

CHI being a windows server, as recommended by the solution provider M/s. NCR Corporation India Pvt Ltd, list of Microsoft certified patch for the month of September 2017 is enclosed as part of Annexure I

All the member banks advised to update these patch and provide a line of confirmation before November 04, 2017.

In case of any clarifications, please write to ctsappteam@npci.org.in.

With warm regards

Giridhar G M
VP – NACH & CTS Operations
