

Menu Option to download service tax reports

The screenshot shows the main menu of the NPCI - Dispute Management System. The header includes the system name and navigation icons. A horizontal menu bar contains options: Admin, Adjustments, Reports, Files, Search, MIS Reports, Bulk Insert, BPO, Contact Us, Services and Statistics, Add DownTime/Service Form, EMI Addition, and C2C Adjustments. Below this, a 'Last Login' timestamp is visible. A dropdown menu is open, listing options: Download Raw Data MIS, FTP Browser, Download Raw Data DFS, Download Issuer ATM Service Tax Report, Download Acquirer ATM Service Tax Report, and Download Digital signed Service Tax Report. The background shows a 'Scheduled Downtimes' section and a brief description of the system.

The screenshot displays the 'Download Service Tax Report' form. It includes the following fields and controls:

- From Date: 01/06/2014 (with a calendar icon)
- To Date: 01/06/2014 (with a calendar icon)
- Acquirer/Issuer: All (dropdown menu)
- Report Type: DateWise (dropdown menu)
- File Type: DateWise (dropdown menu), BankWise (dropdown menu)
- Submit Query (button)
