**Royal Embassy of Cambodia
to France**

Required Criteria to get a special visa (Visa K)

1. The special visa (**Visa K**) is issued only to Cambodian nationals, holding a valid foreign passport upon presentation of a proof of a Cambodian citizenship or nationality.
2. The visa application form must be filled up and provides all necessary information to prove and determine the origin of the Cambodian citizenship and nationality.
 - The concerned person must physically be present at the Embassy (visa section) to submit her/his request.
2. The concerned person **must provide** the supporting documents listed as follows:
 - a. a birth certificate ; and/or
 - b. an old Identity Card (the black card); and/or
 - c. the old Cambodian Passport; and/or
 - d. the Marriage certificate justifying that the mother or father of the applicant is Cambodian; and/or
 - e. the family book record justifying that the applicant was born from a mother or father having the Cambodian Nationality; and/or
 - f. the others official documents justifying that the applicant has the Cambodian nationality from birth.
3. In case of a passport renewal, a new application form might be completed and be submitted with a copy of the visa K and the old passport (**If there is a doubt regarding the documents provided, the application may probably be rejected**).
4. The visa K will be issued within 48-72 working hours.
5. The Visa K is also issued on arrival, following the aforementioned principle.

NB: The visa K request might be refused in case of serious doubt or false statement for all cases.
