EN THE MAKING OF A LEGEND

INTERVIEW WITH LEGO® FLOWER FRUIT MOUNTAIN DESIGNER LIN LI-YU

WHERE IT ALL BEGAN

"Among the lineup of cool and exciting LEGO® Monkie Kid™ sets, we wanted to make something really special to celebrate the epic stories of the great Monkey King.

In a legendary world, filled with mystical locations, we all agreed upon Flower Fruit Mountain as an essential landmark from the original story. After all...it's where Monkey King came to life and the epic adventure began!"

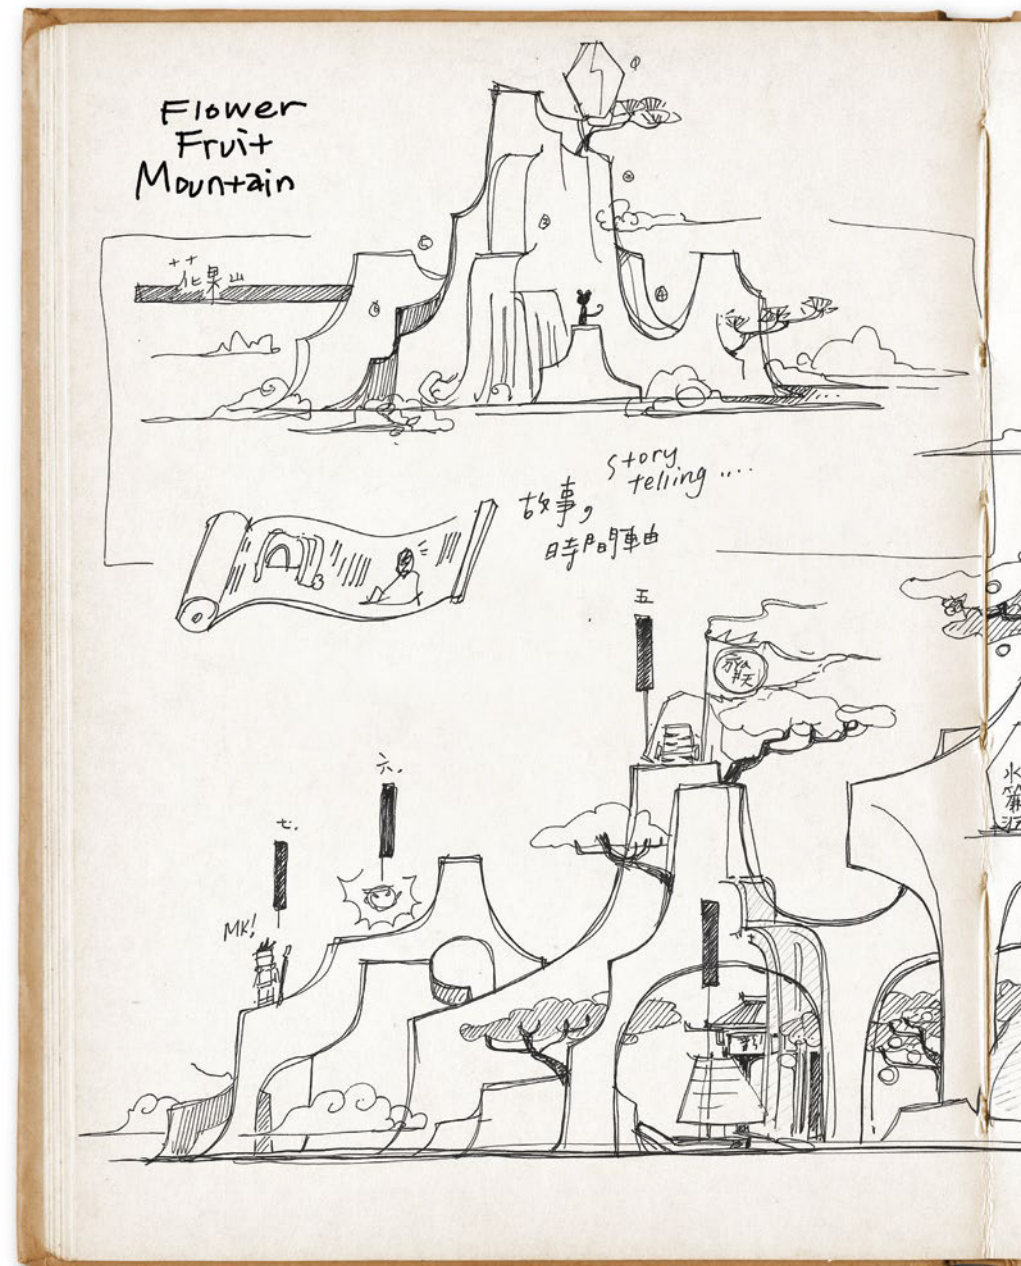

FR LA CRÉATION D'UNE LÉGENDE

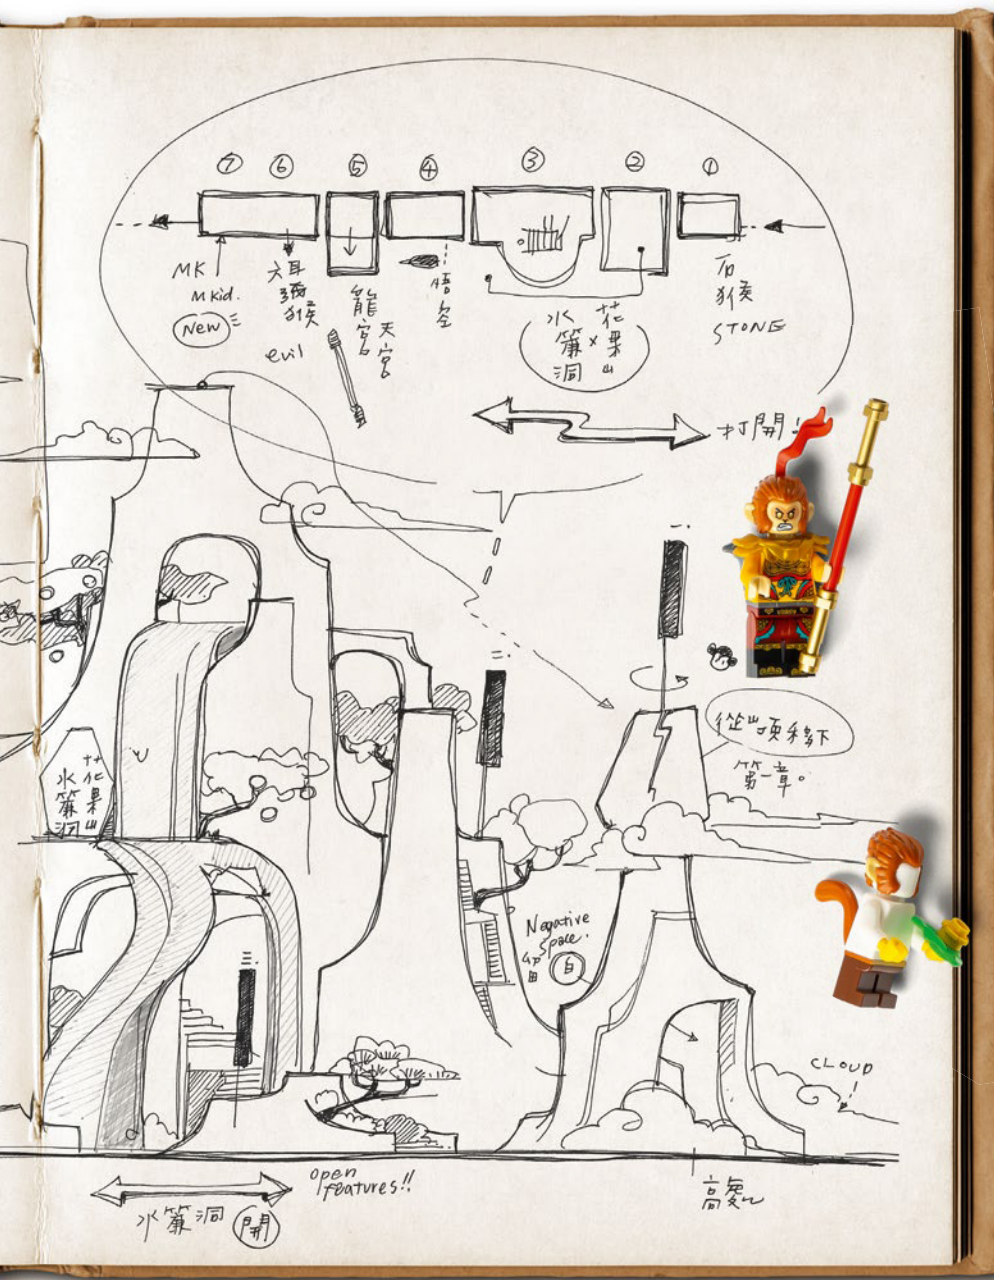

ENTRETIEN AVEC LIN LI-YU, CONCEPTRICE DU MONT DES FLEURS ET DES FRUITS LEGO®

LÀ OÙ TOUT A COMMENCÉ

« Dans la continuité de la gamme de superbes et fascinants ensembles Monkie Kid™ LEGO®, nous voulions créer quelque chose de vraiment spécial afin de célébrer les histoires épiques du grand Monkey King.

Dans un monde légendaire regorgeant de lieux mystiques, nous avons choisi le Mont des fleurs et des fruits comme lieu emblématique essentiel de l'histoire originale. Après tout, c'est là que Monkey King a vu le jour et que les aventures épiques ont commencé ! »

ES LA CREACIÓN DE UNA LEYENDA

ENTREVISTA CON LIN LI-YU, DISEÑADOR DEL SET LEGO® LEGENDARIA MONTAÑA DE FLORES Y FRUTA

DONDE TODO EMPEZÓ

"Como parte de la genial y apasionante serie de sets LEGO® Monkie Kid™, queríamos hacer algo realmente especial para celebrar las extraordinarias historias del gran Monkey King.

De los numerosos lugares místicos que pueblan su mundo legendario, todos estuvimos de acuerdo en que la Montaña de Flores y Fruta era un punto de referencia fundamental en la historia original. Después de todo, ¡es donde Monkey King cobró vida y comenzó la increíble aventura!"

EN CAPTURING 'SHANSHUI'

"From the very beginning, I was determined to make this set unique and make it stand apart from all the other LEGO location sets. One of my key considerations was to capture an authentic Chinese aesthetic within the model.

After numerous discussions with our LEGO concept artist, Xiaodong Wen, I eventually took inspiration from traditional Chinese mountain landscape paintings; 'Shanshui', which literally means 'mountains and waters'. These paintings capture the essence or spirit of the natural world and aim to evoke a feeling rather than give a realistic or life-like impression of a place.

The first sketch models I built of Flower Fruit Mountain had a conventional rectangular footprint, but going back to the long horizontal scroll as one of the principal forms of Chinese *Shanshui* paintings, I developed and opened up the model to have a long horizontal footprint instead. This makes it a great set for shelf display as well."

FR L'ESSENCE DE SHANSHUI

« Dès le début, je voulais absolument rendre cet ensemble unique et le démarquer de tous les autres ensembles de lieux de LEGO. L'une de mes priorités était de capturer l'authentique esthétique chinoise dans ce modèle.

Après en avoir longuement discuté avec notre artiste concepteur LEGO, Xiaodong Wen, je me suis finalement inspirée des traditionnelles peintures chinoises de paysages de montagnes appelées *Shanshui*, ce qui signifie littéralement "montagnes et eau". Ces peintures capturent l'essence ou l'esprit du monde naturel et visent à évoquer une *sensation* plutôt que de reproduire fidèlement un lieu.

Mes premiers croquis du Mont des fleurs et des fruits présentaient une forme conventionnelle rectangulaire, mais je suis revenue aux longs chemins horizontaux typiques des peintures chinoises *Shanshui*. J'ai ensuite développé et ouvert le modèle afin d'obtenir une longue forme horizontale. Cet ensemble est donc également idéal pour l'exposition. »

ES CAPTURAR EL SHAN SHUI

"Desde el principio, quise que este set fuera diferente y destacara entre los demás sets LEGO® que representan lugares. Una de mis prioridades fue capturar la auténtica estética china dentro del modelo.

Luego de muchas reuniones con nuestro artista conceptual en LEGO, Xiaodong Wen, acabé inspirándome en las pinturas tradicionales chinas de paisajes montañosos, denominadas *shan shui*, que, literalmente, significa *montañas y aguas*. Estas pinturas capturan la esencia o el espíritu del mundo natural y pretenden evocar un sentimiento, más allá de representar un lugar con realismo o fidelidad.

Los primeros modelos preliminares que construí de la Montaña de Flores y Fruta se basaban en la habitual base rectangular. Sin embargo, volviendo a inspirarme en los formatos de las pinturas chinas *shan shui*, normalmente largas y extendidas horizontalmente, desarrollé y extendí el modelo, de modo que tuviera una larga base acostada en su lugar. Eso, además, lo convierte en un set fantástico para exhibirlo en un estante".

EN A TIMELESS TALE: RETOLD

"While designing this model, I was really motivated by the idea that parents would be able to use the set to tell and share the timeless stories of the Monkey King with their children through play.

My first thought was to place lots of different Monkey King story elements across the model, but during a design team meeting, the suggestion was made that we could arrange the model to reflect the chapters of the story in a more chronological way.

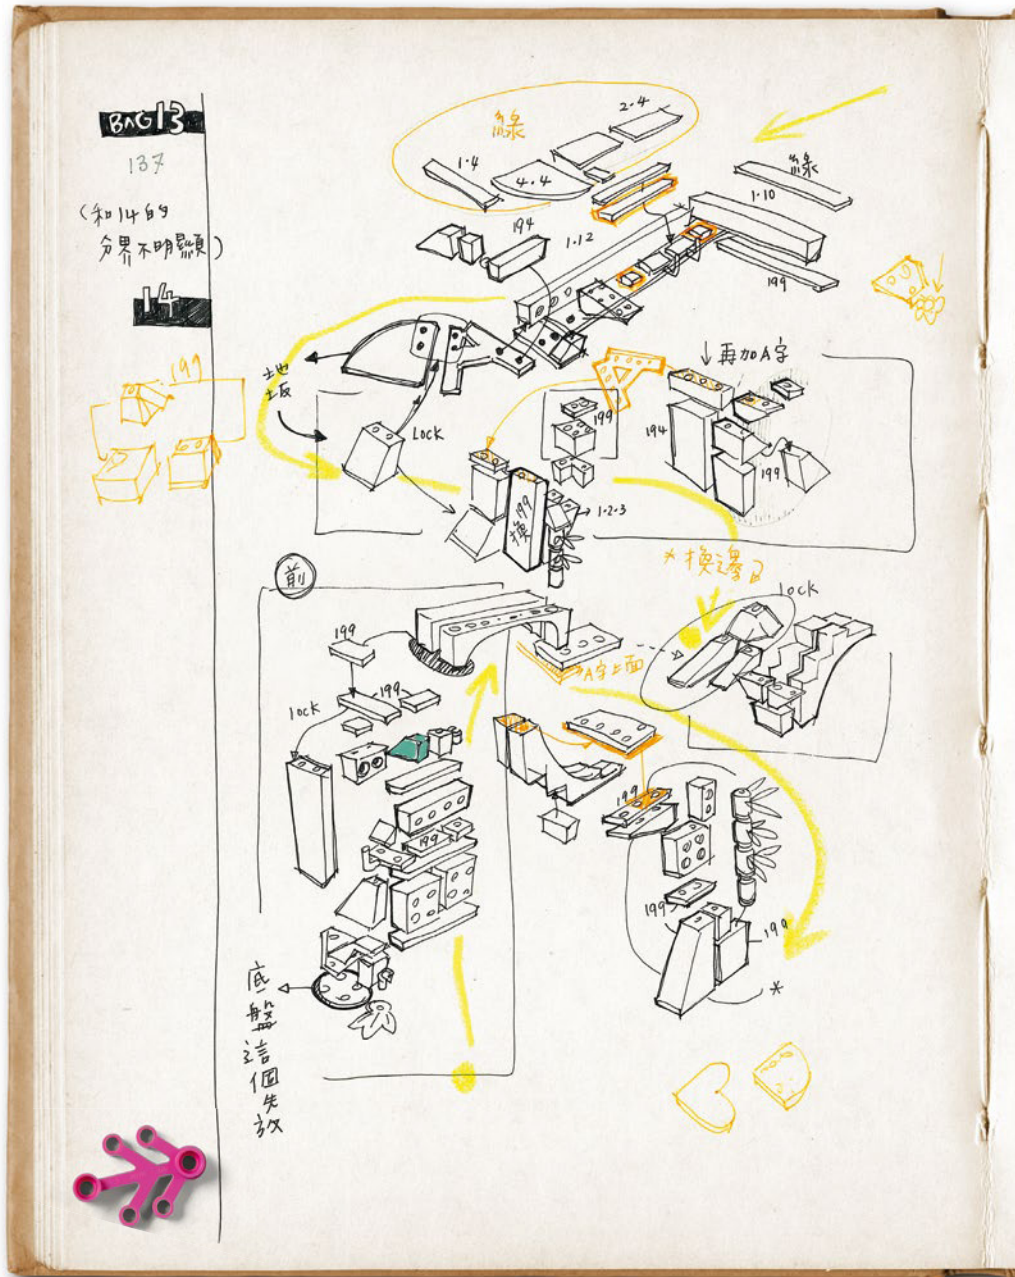

And so, the final model design of Flower Fruit Mountain was created to give a linear storytelling of the Monkey King legend; starting with how he was born from a rock, to how he took to the Monkey King throne. Last but not least, I'm also extremely excited that we feature no less than four different LEGO® minifigure versions of Monkey King himself – something completely unique to this set!"

FR UNE HISTOIRE INTEMPORELLE : NOUVELLE VERSION

« En concevant ce modèle, j'étais très motivée à l'idée que les parents pourraient utiliser l'ensemble pour raconter et partager les histoires intemporelles de Monkey King avec leurs enfants à travers le jeu.

J'ai tout d'abord songé à placer plusieurs éléments de l'histoire de Monkey King un peu partout sur le modèle, mais après en avoir discuté avec l'équipe de conception, nous avons décidé de présenter le modèle de sorte que les chapitres de l'histoire apparaissent de manière plus chronologique.

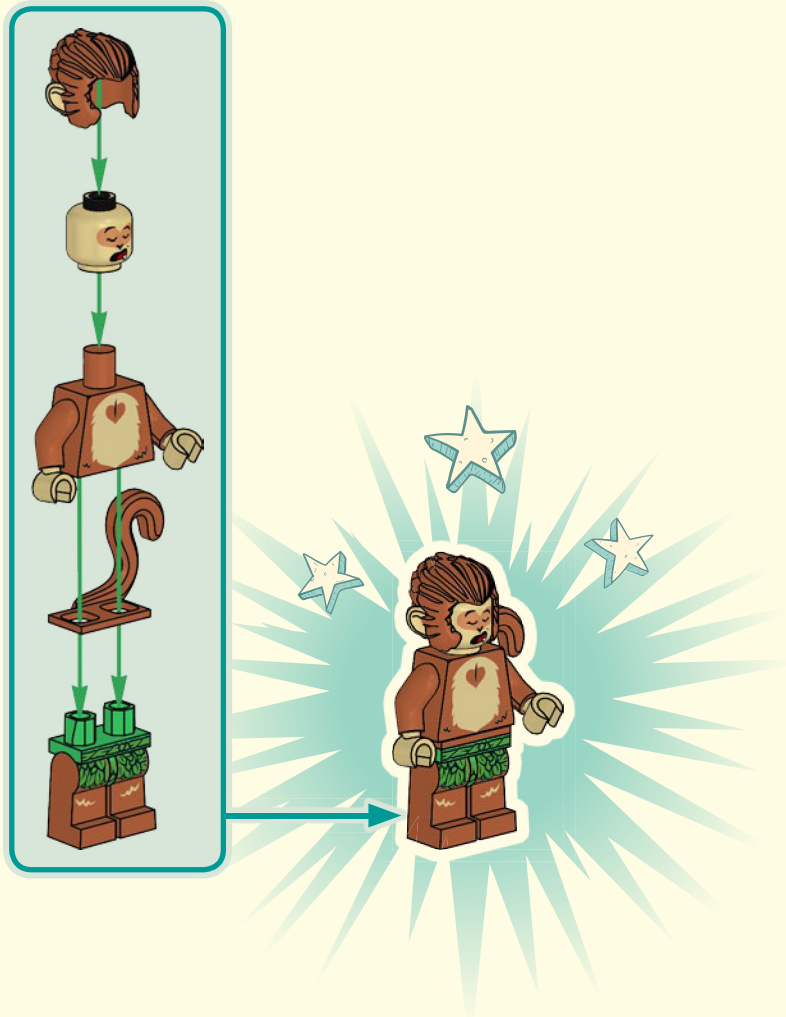

Le modèle final du Mont des fleurs et des fruits présente donc une narration linéaire de la légende de Monkey King ; depuis le moment où il naît d'un rocher, jusqu'à ce qu'il monte sur le trône. Pour finir, je suis également très heureuse du fait qu'il existe pas moins de quatre différentes figurines LEGO® de Monkey King, ce qui est vraiment unique pour cet ensemble ! »
