## QUEER EYE

MORE THAN A MAKEOVER

While so many reality TV shows are about knocking people down, *Queer Eye* is all about building people up. The Fab Five use their own personal experiences – both positive and negative – to achieve a constructive and lasting impact for every single person, or heroes as the team prefers to call them, that they meet.

Join the Minifigure Fab Five in the LEGO® version of their original Atlanta loft. They're all here: fashion designer Tan France, culture expert Karamo Brown, food and wine specialist Antoni Porowski, interior designer Bobby Berk and grooming consultant Jonathan Van Ness, and they need your help to carry out their latest transformation. Enjoy!

## QUEER EYE

PLUS QU'UNE MÉTAMORPHOSE

Alors que beaucoup d'émissions de télé-réalité ne font que rabaisser les gens, *Queer Eye* vise plutôt à faire grandir les gens. Les Fab Five utilisent leurs expériences personnelles – les positives comme les négatives – pour exercer un impact constructif et durable sur les personnes, ou les héros comme l'équipe préfère les appeler, qu'ils rencontrent.

Rejoignez les figurines des Fab Five dans la version LEGO® de leur loft original d'Atlanta. Ils sont tous là : le styliste Tan France, l'expert culturel Karamo Brown, le spécialiste de la cuisine et du vin Antoni Porowski, le décorateur d'intérieur Bobby Berk et le conseiller en soins Jonathan Van Ness, et ils ont besoin de votre aide pour mener à bien leur toute dernière transformation. Amusez-vous !

## QUEER EYE

MÁS QUE UN CAMBIO DE LOOK

Mientras que muchos *reality shows* tratan de sacar a relucir los defectos de la gente, *Queer Eye* gira en torno a su resurgimiento. Los Fab Five utilizan sus propias experiencias personales —tanto positivas como negativas— para impactar constructiva y duraderamente en todas las personas, o héroes, como el equipo prefiere llamarlas, que encuentran en su camino.

Visita a las minifiguras de los Fab Five en la versión LEGO® de su *loft* original de Atlanta. Todos están aquí: el diseñador de moda Tan France, el experto en cultura Karamo Brown, el especialista en gastronomía Antoni Porowski, el diseñador de interiores Bobby Berk y el consultor de estética Jonathan Van Ness. ¡Necesitan tu ayuda para llevar a cabo su última transformación! Esperamos que disfrutes tu estancia...

En tant qu'enthousiaste meneur de claqué de l'équipe Fab Five, Jonathan encourage les héros de l'émission à trouver du temps rien que pour eux à travers leurs moments de soins personnels. Quand il n'est pas en train de retravailler une coupe de cheveux à *Queer Eye*, Jonathan est l'hôte exubérant d'une série de balados primés et un grand amateur de gymnastique et de patinage artistique. La rumeur veut que Jonathan lui-même aurait maîtrisé le saut de boucle piqué et le saut axel sur la glace !

## EVERY GUEST IS A HERO

Every hero on *Queer Eye* has a special story to tell. Some have faced the traumas of losing a loved one, overcome a serious medical condition, or faced rejection by their family. Others have given so much to others and their local communities that they've had little time to look after themselves. They are all heroes to the Fab Five – and all deserving of a transformation that will make their lives easier, healthier and happier.

## CHAQUE INVITÉ EST UN HÉROS

Chaque héros de *Queer Eye* a une histoire unique à raconter. Certains ont perdu un être cher, surmonté une grave maladie ou subi le rejet de leur famille. D'autres ont tellement donné aux autres et à leurs communautés qu'ils ont eu peu de temps à se consacrer à eux-mêmes. Ils sont tous des héros pour les Fab Five – et tous méritent une transformation qui leur rendra la vie plus facile, plus saine et plus heureuse.

## TODOS LOS INVITADOS SON HÉROES

Cada uno de los héroes de *Queer Eye* tiene una historia especial que contar. Algunos han vivido la traumática experiencia de perder a un ser querido, superado una condición médica grave o enfrentado el rechazo de su familia. Otros han dado tanto a los demás y a sus comunidades que han tenido poco tiempo para cuidar de sí mismos. Todos ellos son héroes para los Fab Five y, por eso, merecen una transformación que haga sus vidas más sencillas, saludables y felices.

## MORE THAN A MAKEOVER

### A TRUE COLLABORATION!

This *Queer Eye* LEGO® set was the result of a true Fab Five-style collaboration between the LEGO design team and the show's own design guru, Bobby Berk. For Bobby it quickly became a passion project: "LEGO played such an important part in my childhood. Clicking those little bricks together really sparked my imagination and creativity." Matthew Ashton, LEGO Vice President of Design, saw the collaboration as the perfect partnership: "We share so many values, like caring, learning, creativity and fun. While the Fab Five rebuild people's lives, we are on a mission to inspire kids and adults to get creative and be part of rebuilding a more positive world."

The first task was to decide exactly what the set should be. The team quickly zeroed in on the original loft setting from the first season and together defined the model's floor plan and layout. For Matthew it was vital they captured as many details as possible: "We wanted to replicate the furniture and include iconic details like the *STYLE, TASTE, CLASS*' sign. We also wanted to include a distinct zone for each of the guys and play up to each of the Fab Five's unique skills and contributions to the team."

## PLUS QU'UNE MÉTAMORPHOSE

### UNE VRAIE COLLABORATION !

Cet ensemble LEGO® *Queer Eye* est le résultat d'une vraie collaboration digne des Fab Five entre l'équipe de conception LEGO et le gourou de la décoration de l'émission, Bobby Berk. Pour Bobby, l'ensemble est rapidement devenu un projet personnel : « LEGO a joué un rôle si important dans mon enfance. Assembler ces petites briques a vraiment éveillé mon imagination et ma créativité. » Matthew Ashton, vice-président de la conception LEGO, a vu dans cette collaboration le partenariat parfait : « Nous partageons tant de valeurs, comme la bienveillance, l'apprentissage, la créativité et le plaisir. Alors que les Fab Five reconstruisent la vie des gens, nous avons pour mission d'inspirer les enfants et les adultes à être créatifs et à prendre part à la reconstruction d'un monde plus positif. »

La première tâche consistait à décider ce que l'ensemble allait représenter. L'équipe a rapidement choisi de reproduire le décor du loft de la première saison et travaillé à l'élaboration du plan et de la disposition du modèle. Pour Matthew, il était vital de saisir autant de détails que possible : « Nous voulions reproduire les meubles et inclure des détails emblématiques tels que l'inscription "STYLE, TASTE, CLASS". Nous voulions aussi inclure une zone distincte pour chacun des gars du Fab Five et mettre en valeur leurs compétences uniques respectives et leurs contributions à l'équipe. »

## MÁS QUE UN CAMBIO DE LOOK

### ¡UNA VERDADERA COLABORACIÓN!

Este set LEGO® *Queer Eye* es el resultado de una verdadera colaboración al estilo de los Fab Five entre el equipo de diseño de LEGO y el gurú de diseño del programa, Bobby Berk. Para Bobby, el proyecto no tardó en convertirse en una pasión: "LEGO interpretó un papel sumamente importante durante mi niñez. Conectar los pequeños bricks ponía a funcionar mi imaginación y creatividad como ninguna otra cosa". Desde la perspectiva de Matthew Ashton, vicepresidente de Diseño en LEGO, esta colaboración fue una alianza perfecta: "Compartimos muchísimos valores, como la amabilidad, el aprendizaje, la creatividad y la diversión. Mientras que los Fab Five se dedican a reconstruir las vidas de las personas, nuestra misión es inspirar a niños y adultos a ser creativos y formar parte de la reconstrucción de un mundo más positivo".

La primera tarea consistió en decidir exactamente qué representar en el set. Sin necesidad de un gran debate, el equipo deliberó que se crearía un modelo del escenario original del loft de la primera temporada, y juntos definieron su disposición. Para Matthew, capturar tantos detalles como fuera posible era fundamental: "Queríamos replicar los muebles e incluir detalles icónicos como el letrero con la leyenda 'STYLE, TASTE, CLASS'. También queríamos incluir un área distinta para cada uno de los chicos y representar las inigualables habilidades y aportaciones al equipo de cada uno de ellos".

*"Collaborating with the LEGO team was an absolute dream come true! It would be any kid's dream and now my reality."*

## CLICKING IT ALL TOGETHER

Just like it is for the Fab Five, teamwork is an essential part of developing a great LEGO® set. The other members of Matthew's LEGO Dream team were Senior Graphic Designer, Diego Sancho and Senior Element Designer, Ruth Kelly.

Diego had the important task of capturing the Fab 5's likeness in LEGO minifigure form, as well as designing all the decorations and stickers to bring the loft to life: *"I got the opportunity to do my personal take on the artwork for the loft, to add some nice Easter Eggs for the fans! I created a 'Yaaas Queen' print for the kitchen to celebrate the fun LGBTQ+ saying, and if you look closely at the unique brush-stroke art you will see it says FAB 5!"*

For Ruth the challenge was very different: *"We simply didn't have any existing wigs with a coif quite as voluminous as Tan's, so it was my job to sculpt a new one. We decided to mold the wig in shimmering silver plastic to really 'elevate' Tan's look!"*

Matthew is proud of the finished set and what the partnership stands for: *"The Fab Five have had such a positive impact on so many peoples' lives. We need to take time to celebrate kindness and this collaboration has been the perfect way to showcase that."*

## TOUT S'IMBRIQUE PARFAITEMENT

Tout comme pour les Fab Five, le travail d'équipe est un élément essentiel de l'élaboration d'un formidable ensemble LEGO®. Les autres membres de la merveilleuse équipe LEGO de Matthew étaient le graphiste principal, Diego Sancho, et la conceptrice d'éléments principale, Ruth Kelly.

Diego a eu la tâche importante de recréer l'apparence des Fab 5 sous forme de figurines LEGO, ainsi que de concevoir les décorations et les autocollants qui donnent vie au loft : *« J'ai eu l'occasion d'apporter ma touche personnelle aux illustrations dans le loft, et ainsi d'ajouter quelques beaux œufs de Pâques pour les amateurs ! J'ai créé une affiche "Yaaas Queen" pour la cuisine afin de célébrer l'amusante phrase LGBTQ+, et si vous regardez attentivement l'œuvre en coups de pinceau, vous verrez qu'elle dit FAB 5 ! »*

Ruth a dû relever un défi très différent : *« Nous n'avions tout simplement pas de perruques avec une coiffure aussi volumineuse que celle de Tan, alors j'ai dû sculpter une nouvelle. Nous avons décidé de mouler la perruque en plastique argenté chatoyant pour vraiment "élever" le look de Tan ! »*

Matthew est fier de l'ensemble fini et de ce que le partenariat représente : *« Les Fab Five ont eu un impact tellement positif sur la vie de tellement de gens. Nous devons prendre le temps de célébrer la gentillesse, et cette collaboration a été le moyen idéal de mettre cette nécessité en valeur. »*

## CONECTAR TODAS LAS PIEZAS

Al igual que para los Fab Five, el trabajo en equipo es un ingrediente esencial para el desarrollo de un set LEGO® que se vuelva inolvidable. Los otros miembros del equipo de élite de Matthew en LEGO fueron Diego Sancho, diseñador gráfico sénior, y Ruth Kelly, diseñadora de elementos sénior.

Diego se encargó de la importante tarea de capturar la esencia de los Fab Five en forma de minifiguras LEGO, así como de diseñar adornos y calcomanías que dieran vida al loft: *"Tuve la oportunidad de dar mi toque personal a la decoración del loft, ¡y de añadir algunos increíbles huevos de Pascua para los fans! Puse la leyenda 'Yaaas Queen' en la cocina para celebrar el divertido grito de guerra de la comunidad LGBTQ+. Además, si miras de cerca las pinceladas del cuadro, ¡notarás que dice 'FAB 5'!"*

Ruth enfrentó un desafío muy diferente: *"Dicho simplemente, ninguna de nuestras pelucas tenía la altura y el volumen del cabello de Tan, por lo que mi trabajo consistió en esculpir una nueva. Decidimos moldear la peluca en reluciente plástico color plata para 'elevar' el look de Tan".*

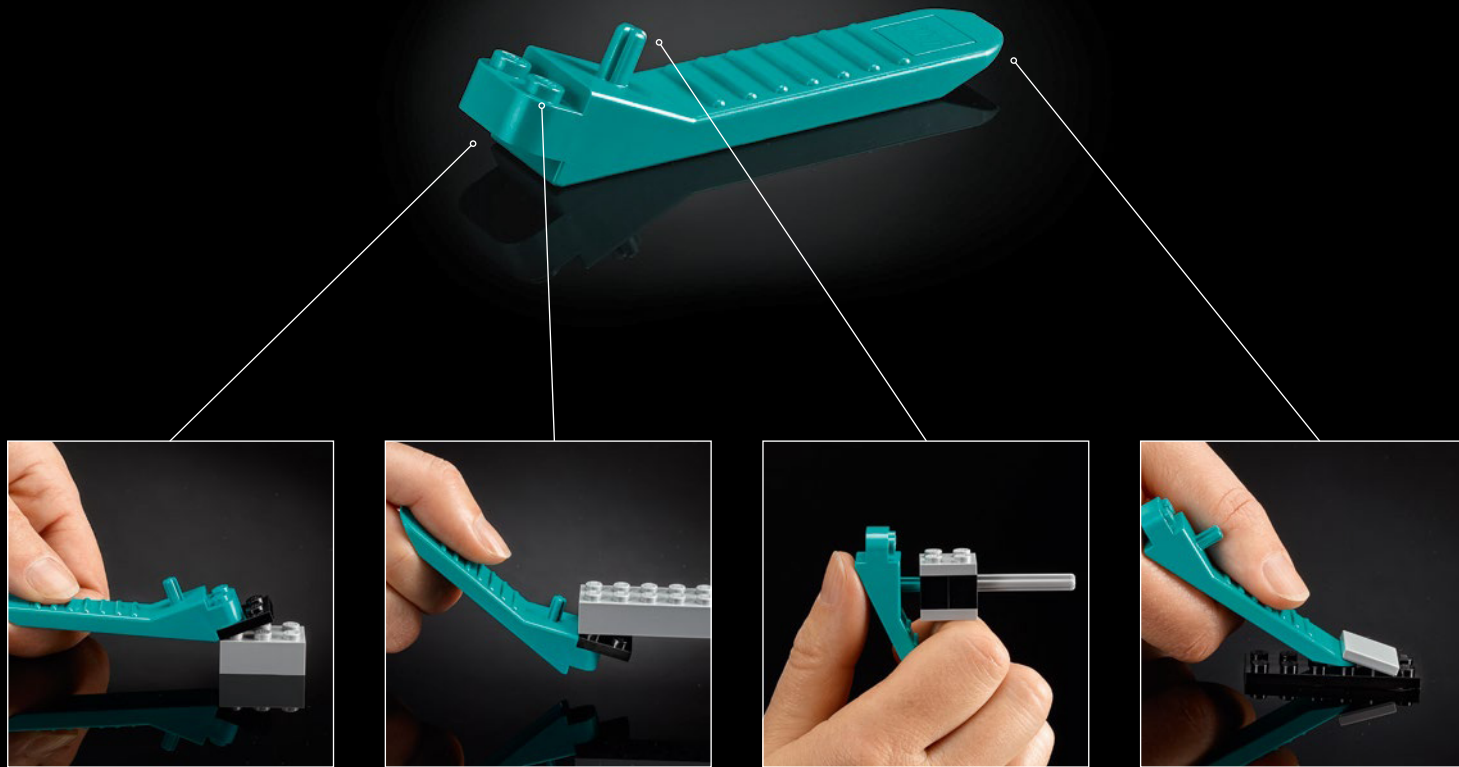

Matthew está orgulloso de la versión final del set y de lo que significa la alianza: *"Los Fab Five fueron una influencia positiva en la vida de muchísimas personas. Necesitamos dedicar tiempo para celebrar la amabilidad, y esta colaboración representa una oportunidad invaluable para poner de manifiesto este valor".*

*"On Queer Eye we're all about fresh starts, re-building, and making the best of what you've got - and what better toy is there to celebrate that than LEGO?"*

*« La philosophie de Queer Eye, c'est de prendre un nouveau départ, de reconstruire, et de tirer le meilleur parti de nous-mêmes - et quel meilleur jouet pour célébrer tout ça que LEGO ? »*

*"En Queer Eye, todo se trata de nuevos comienzos, de reconstrucción y de hacer lo mejor con lo que tienes. ¿Con qué otro juguete podrían celebrarse tales cosas mejor que con LEGO?"*

*"It's the perfect pairing! LEGO® sets come together like a beautiful recipe – from these simple bricks you can create works of art that tell a story. And that feeling of joy that comes from sharing something that you've built, or cooked, or created, is something we love to celebrate on Queer Eye."*

*« C'est le mariage parfait ! Les ensembles LEGO® s'assemblent comme une bonne recette – à partir de ces simples briques, vous pouvez créer des œuvres d'art qui racontent une histoire. Et ce sentiment de joie qui naît du partage de quelque chose que vous avez construit, ou cuisiné, ou créé, est quelque chose que nous aimons célébrer à Queer Eye. »*

*"¡Es la pareja perfecta! Armar un set LEGO® es como combinar los ingredientes de una maravillosa receta: a partir de los sencillos bricks puedes crear obras de arte que cuentan una historia. Y esa sensación de alegría que emana de compartir algo que has construido, cocinado o creado es algo que nos encanta celebrar en Queer Eye".*

*"It's so surreal seeing myself in LEGO®  
Minifigure form – 7-year-old me would be  
mind-blown to know this was a thing!"*

*« C'est surréaliste de me voir en figurine  
LEGO® – le moi de 7 ans aurait été  
abasourdi d'apprendre que ça existe ! »*

*"Verme en forma de minifigura LEGO®  
es una experiencia surrealista: ¡el yo de  
7 años no hubiera podido contener la  
emoción al saber que esto sucedería!"*

"Growing up, LEGO® was my very favorite toy. I would build cities, pirate ships, destroy them, then start all over again. It's pretty incredible to think that young kids will now have LGBTQ+ options to play and build with. I'm honored to be a part of this special partnership. Ten-year-old Antoni is internally screaming."

« Quand j'étais petit, LEGO® était mon jouet préféré. Je construisais des villes, des bateaux de pirates, je les détruisais, puis je recommençais. C'est assez incroyable de penser que les jeunes enfants pourront maintenant jouer et construire avec des options LGBTQ+. Je suis honoré de faire partie de ce partenariat unique. Le petit Antoni de 10 ans crie intérieurement. »

"Cuando era niño, mis juguetes favoritos eran LEGO®. Construía ciudades y barcos piratas, los destruía y volvía a empezar. Es increíble pensar que los niños ahora tendrán opciones LGBTQ+ para jugar y construir. Me siento honrado de formar parte de esta alianza especial. El Antoni de diez años que llevo dentro está gritando de emoción".

"As an adult, any creative process can help give you focus and take you out of your own head space. Building with LEGO® is a perfect way to help you unwind and de-stress while also giving you a real sense of accomplishment with whatever you create. So just like our show, LEGO can help in a little way to piece together people's lives. This is the perfect partnership."

« Lorsque vous êtes adulte, tout processus créatif peut vous aider à vous concentrer et à vous changer les idées. Construire avec LEGO® est un moyen idéal de vous détendre et de décompresser tout en vous donnant un réel sentiment d'accomplissement grâce à vos créations. Ainsi, tout comme notre émission, LEGO peut aider les gens à reconstruire leur vie. C'est le partenariat parfait. »

"En tu vida adulta, cualquier proceso creativo puede ayudarte a concentrar tu atención y despejar tu mente. Además de ser una excelente manera de relajarte y desestresarte, construir con LEGO® te brinda una verdadera sensación de logro al terminar alguna creación. Igual que nuestro programa, LEGO puede poner un granito de arena para conectar las piezas de las vidas de las personas. Eso hace perfecta esta alianza".
