

BUILD TOGETHER

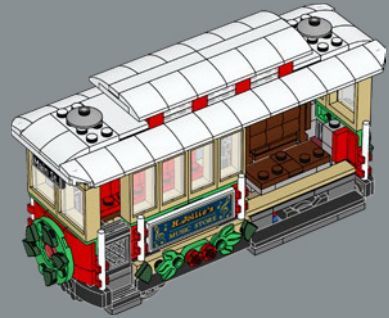

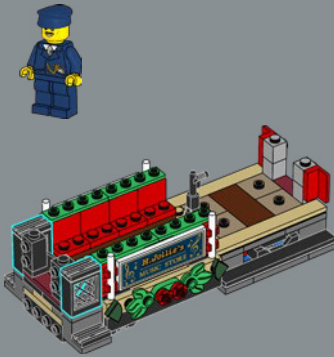

★ There's no better way to get into the holiday spirit than by sitting down with friends and family and building a LEGO® model together. This Holiday Main Street set is the latest addition to our Winter Village Collection and is made up of individual models with their own separate Building Instructions that allow up to four people to enjoy this festive LEGO building experience.

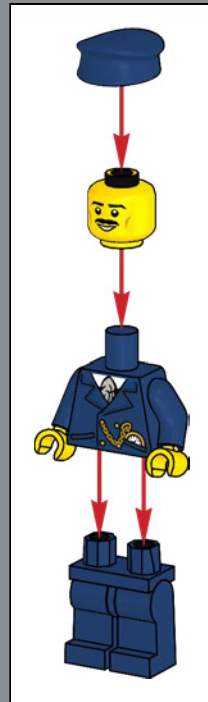

CONSTRUIRE ENSEMBLE

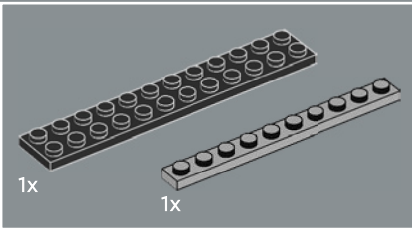

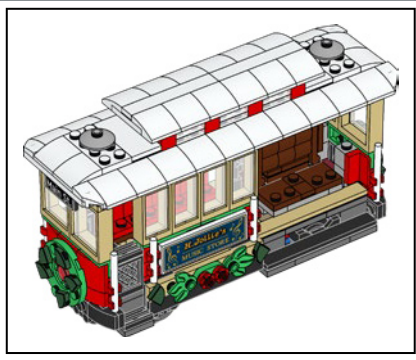

★ Rien de tel pour se mettre dans l'esprit des Fêtes que de s'asseoir avec ses amis et sa famille et de construire ensemble un modèle LEGO®. L'ensemble Célébrations sur la rue principale est le dernier ajout à notre collection Village d'hiver, et est formé de modèles individuels accompagnés de leurs propres instructions de construction pour permettre à quatre personnes de profiter de cette activité de construction LEGO festive.

CONSTRUYE EN COMPAÑÍA

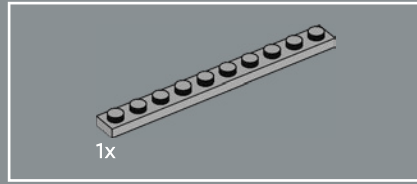

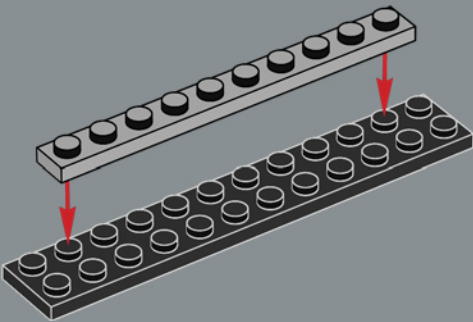

★ No hay mejor manera de sentir el espíritu navideño que sentarse con amigos y familiares para construir juntos un modelo LEGO®. El set Calle Principal en Navidad representa la última incorporación a la serie Winter Village. Se compone de varios modelos independientes, cada uno con sus propias instrucciones de construcción, con los que hasta cuatro personas pueden disfrutar de una alegre experiencia de construcción con LEGO.
