# MICKEY MOUSE

**EN** The world's most beloved character made his debut in Walt Disney's 1928 animated short Steamboat Willie, where he played the role of a jolly riverboat pilot whistling at the helm. And it would be hard to overstate the importance of that premiere: Mickey Mouse's status as a universal pop culture icon now spans over the 20th and 21st centuries. He has been the star of feature films and television specials, video games, household items and amusement parks the world over. Not too shabby for a little riverboat rodent! What's behind Mickey's seemingly endless popularity? In Walt Disney's own words: "Mickey is so simple and uncomplicated, so easy to understand, that you can't help liking him." And we wholeheartedly agree.

**FR** Le personnage le plus populaire au monde a fait sa première apparition en 1928 dans le court métrage d'animation de Walt Disney, Steamboat Willie. On le voit jouer le rôle d'un joyeux matelot sifflant à la barre. Et on ne saurait exagérer l'importance de cette première : le statut de Mickey Mouse en tant qu'icône universelle de la culture populaire a traversé le 20e siècle et se poursuit au 21e siècle. Il a été la vedette de longs métrages et d'émissions spéciales, de jeux vidéo, d'articles pour la maison et de parcs d'attractions dans le monde entier. Pas mal pour un petit rongeur sur un bateau ! Qu'est-ce qui se cache derrière la popularité de Mickey qui semble inébranlable ? Selon les propres termes de Walt Disney : « Mickey est un personnage si simple et attachant. Il est si facile de le comprendre qu'il est difficile de ne pas l'aimer. » Et nous sommes tout à fait d'accord.

**ES** El personaje más querido del mundo debutó públicamente en 1928, en un cortometraje de animación de Walt Disney titulado El barco de vapor Willie en el que interpretaba el papel de un alegre timonel que silbaba al maniobrar el timón de un barco fluvial. Sería difícil exagerar la importancia de aquella primera aparición: Mickey Mouse se ha convertido en un icono de la cultura pop cuya fama universal no ha hecho más que crecer durante los siglos XX y XXI. Ha protagonizado películas, especiales para televisión y videojuegos, y su presencia abarca desde objetos cotidianos hasta parques de diversiones de todo el mundo. ¡Nada mal para el pequeño roedor que emprendió su primera aventura a bordo de aquel barco fluvial! ¿Qué hay detrás de la aparentemente infinita popularidad de Mickey? Según el mismo Walt Disney: "Mickey es tan sencillo y natural, tan fácil de entender, que no puedes evitar que te guste". No podríamos estar más de acuerdo.

**EN** The world met Minnie Mouse in 1928's Steamboat Willie, approximately two and a half minutes after Mickey Mouse's debut, as a passenger rushing to board the ship. With a little help from a cargo crane, both mice finally met on deck – and they've been inseparable ever since. Described as "modest, shy and girlish" by legendary animator Frank Thomas, Minerva "Minnie" Mouse (yes, that's her full name!) has become an immensely popular and enduring character since her first appearance. Children in their hundreds of thousands flock to her at Disneyland® Resort and Walt Disney World® Resort. The Walt Disney Company declared 1986 to be Minnie's year, and in 2018 she received her own star on the Hollywood Walk of Fame.

# MINNIE MOUSE

**ES** El mundo conoció a Minnie Mouse en el cortometraje de animación de 1928 El barco de vapor Willie, unos dos minutos y medio después de la primera aparición de Mickey Mouse, como una pasajera que trataba de subir al barco en el último minuto. Con un poco de ayuda de una grúa de carga, ambos ratones se encontraron por fin en cubierta y, desde entonces, no han vuelto a separarse. Descrita como "modesta, tímida y juvenil" por el legendario animador Frank Thomas, Minerva "Minnie" Mouse (¡ese es su nombre completo!) se ha convertido en un personaje inmensamente popular y duradero desde que apareció por primera vez. Cientos de miles de niños se arremolinan a su alrededor en Disneyland® Resort y Walt Disney World® Resort. The Walt Disney Company declaró que 1986 sería el año de Minnie y, en 2018, el personaje recibió su propia estrella en el paseo de la Fama de Hollywood.

**FR** Le monde a fait la connaissance de Minnie Mouse en 1928 dans le film Steamboat Willie, environ deux minutes et demie après les débuts de Mickey Mouse. Elle était une passagère qui se précipitait pour monter à bord du bateau. Grâce à une grue, les deux souris se sont finalement rencontrées sur le pont, pour ne plus jamais se quitter. Décrite comme « modeste, timide et coquette » par l'animateur légendaire Frank Thomas, Minerva « Minnie » Mouse (c'est bel et bien son nom complet !) est devenue un personnage récurrent et très populaire depuis sa première apparition. Des centaines de milliers d'enfants viennent la rencontrer au Disneyland® Resort et au Walt Disney World® Resort. La Walt Disney Company a proclamé 1986 l'année de Minnie et, en 2018, elle a reçu sa propre étoile sur le Walk of Fame d'Hollywood.

## Designer's notes

**EN** I loved the challenge of finessing the design of Mickey and Minnie until we got it just right – each pixel needed to be placed in the perfect spot in order to make their joyful expressions shine through. Pay close attention to the background behind the characters: we wanted to create a sophisticated piece of wall art, so the background appears somewhat abstract at first, but it transforms into something quite special when you combine both models together. I've got great plans for this set: I'm gifting it to the biggest Disney fan I know – my mum!

*Fiorella Groves, Senior Designer*

## Notes du concepteur

**FR** J'ai adoré finaliser la conception de Mickey et Minnie jusqu'à ce qu'elle soit parfaite. Chaque pixel devait être placé à l'endroit idéal afin d'illuminer leurs mines réjouies. Observez attentivement l'arrière-plan derrière les personnages : nous voulions créer une pièce d'art mural sophistiquée, donc l'arrière-plan semble un peu abstrait au début, mais il devient vraiment spécial lorsque l'on combine les deux modèles. J'ai de grands projets pour cet ensemble : je l'offre à la plus grande passionnée de Disney que je connaisse... ma mère !

*Fiorella Groves, conceptrice principale*

## Acerca del diseño

**ES** Me encantó el desafío de perfeccionar las representaciones de Mickey y Minnie hasta que por fin lo logramos. Cada pixel tenía que estar en el lugar perfecto para que sus alegres expresiones pudieran brillar. Presta mucha atención al fondo del retrato de cada personaje: queríamos crear una obra de arte mural sofisticada, por lo que, aunque pueda parecerse abstracto al principio, se transforma en algo muy especial al combinar los dos modelos. Tengo grandes planes para este set. Voy a regalárselo a la fan de Disney más fiel que conozco: ¡mi mamá!
