TO LEGO® ART

Art Project is a playful work of art you can create with your family, friends and loved ones – up to 9 artists at a time. Inspired by the traditional patchwork process of joining patches of fabric into one masterpiece, it lets you choose from 36 different pictogram designs and celebrate your passions in one unique creation.

CHOOSE YOUR DESIGNS

You can decide on one theme everyone can build – Food, Icons, Patterns or Passions – or you can create a mix of as many different themes as you like. You can choose one pictogram design from each booklet.

Minifigure

Want one big picture? You can build the iconic LEGO® minifigure portrait together instead.

Patchwork or Minifigure?

Whether you choose to build pictogram designs or the minifigure portrait together, you will find instructions for each plate in the building instructions booklets.

1 plate, 1 booklet

Each artist chooses ONE pictogram design from their booklet. Pick your favourite theme – Food, Patterns, Icons, or Passions – or build each part of the minifigure portrait.

Once you have built one plate from a booklet, choose another plate from another booklet to create. When all 9 plates are ready, go to page 22 in this booklet to see how you complete your masterpiece.

HOW TO GET STARTED

A FEW TIPS TO MAKE THE
MOST OF YOUR CREATIVE
TIME TOGETHER.

Build your colour palette

Find the small bag with the black brick separator, mini crowbars, connector pins and tiles for your colour palette. The colour palette helps everyone keep track of tile colours and numbers.

Sort all the colourful tiles into small bowls. If you're building with younger artists, it may be helpful to put sticky notes with numbers on the bowls, too.

1 to 9 artists

Up to 9 artists can build, be creative and create a fun memory together. Make sure everyone gets a plate and a booklet.

Patchwork

Each booklet is colour-coded and numbered. The colour helps you keep track of your booklet as you build. The number refers to the placement of your plate in the final artwork, shown here.

DISPLAY

Connect the hooks to the back of your frame to hang your picture on a wall.

Or you can exhibit your unique creation on a shelf for everyone to admire and enjoy.

CONTINUE THE FUN TOGETHER

Rebuild and combine

You can switch your plates around in thousands of combinations to make your artwork truly unique. Just make sure every plate is attached with 3 connector pins to each of its adjoining plates. Remember to use the same booklet you used the first time. If you want to rebuild plate number 7, use booklet number 7 to make sure you have all the right colours available.

Free your creativity

You can also go completely off-booklet and create your own designs, motifs and patterns in endless combinations. The LEGO® Art brick separator makes it easy to remove the tiles from the plates.
